CONSTITUTION

Of The Stanly Baptist Association

Article 1. This body shall be known as the Stanly Baptist Association.

Article 2. It shall be composed of white messengers, elected by the churches connected with this body and ordained ministers who are members of or laboring in connection with said churches. Each church shall be allowed three messengers for the first two hundred members or fraction thereof, and one for each additional fifty members. No courtesy seat shall be extended to any person, or persons, other than such messengers as are herein provided.

Article 3. The object shall be to devise and recommend measures for increasing the harmony, the intelligence, and the spiritual power of the churches, and for developing and directing their energies, their resources and their gifts and advancing the Redeemer's Kingdom in the earth.

Article 4. The Association shall have no power to infringe upon the sovereignity or the rights of the churches. It is neither an ecclesastical legislature nor council, nor court of appeal. It may advise the churches and recommend measure of usefulness for their adoption, but cannot bind them in any way. Yet, in view of the combined wisdom, piety, and inteligence of the body, it may justly claim for itself, for its objects, and for its recommendations, the very highest consideration and regard.

Article 5. The Association may dissolve connection with any church that becomes unorthodox in doctrine or disorderly inpractice, or fails to represent itself, either by delegates or letter more than two successive sessions without sufficient reason; or that treats with contempt its objects and requirements; or upon application of a church for its dismission.

Article 6. Each individual church shall hold and exercise all the right to advise, when desired, in case of difficulty, and to suggest plans of usefulness to be adopted. If at any time, the Association shall assume an unwarranted power over the churches, they shall have the right to dissolve their connection with this body.

Article 7. It shall be the duty of the churches to appoint as messengers as far as practicable, their most capable members, to require their attendance, and to send with them a contribution to the Association fund, to pay for the printing of the Minutes and other necessary expenses.

Article 8. It shall be the duty of each church to send an annual letter to the Association, giving: 1. Locality; 2. The names of its pastor and clerk, and their respective post offices; 3. The Sabbaths of regular service; 4. The church statistics, including the number baptized, received by letter, restored, dismissed, deceased, expelled, and aggregate membership, male and female; 5. Sabbath school statistics; 6. Amount contributed to the benevolent objects, and the Association fund; 7. Names of the messengers and alternates; 8. Any other information deemed of special importance.

Article 9. The officers of the Association shall be a Moderator, a vice-Moderator, Historian, Clerk and Treasurer, who shall be elected at each annual session, after the names of the messengers have been enrolled; and shall take their office at the close of the present annual session, and continue until the close of the next Annual Associational Session.

Article 10. It shall be the duty of the Moderator to open the meeting punctually at the time appointed, to enforce rules; to preserve order, and to exercise all the prerogatives of a presiding officer, according to the principles established by parliamentary usage.

Article 11. It shall be the duty of the Vice-Moderator to discharge the duty of the Moderator in his absence.

Article 12. It shall be the duty of the Clerk to keep a faithful record of the proceedings of the body, and superintend the printing and distribution of the same, and to keep on file the printed Minutes and other important documents belonging to the body. He may appoint an assistant when necessary.

Article 13. It shall be the duty of the Treasurer to receive and disburse the money contributed to the Association fund, as directed by the body, and to make an annual report of the same.

Article 14. The Constitution may be altered at any annual session of the body by the votes of two-thirds of the members present.

Sixty First Annual Session

Stanly Baptist Association

— held with the —

Centerview Baptist Church

Thursday, October 25, 1945

Be it remembered, that on the 25th day of October, 1945, The Stanly Baptist Association began its sixty-first annual session with the Centerview Baptist Church by singing two hymns of Zion.

The body was called to order by the Moderator, Rev. C. C. Huneycutt.

1. The Committee on Enrollment reported twenty delegates registered. On motion these and all other delegates who registered constituted the body.

2. Visitors were then recognized: Dr. L. L. Carpenter, Rev. C. C. Burris.

3. The Moderator, Rev. C. C. Huneycutt, read the report of the Executive Committee.

We have come to the close of another associational year which, for many reasons, has been a glorious one,

1st. The war has come to a close.

2nd. We are hoping peace and good will shall come to all men.

3rd. Our people seemingly are returning to God and in our churches there is an upward trend of revivalism. Many of our churches have reported increased numbers for baptism; also growth along all phases of our work.

In our spring associational meeting, the spirit of evangelism was running high, so much so that the executive committee and the pastors present decided to employ a worker to come into our association for the months of June, July, and August. A report of this will follow later in today's program.

On September 30, the executive committee met and elected C. C. Huneycutt, L. D. Munn, and J. W. Whitley as a program committee.

Bro. W. J. Bradley, who is chairman of The Russian War Relief Kit Work was asked to present this matter and ask the association to approve the plan.

The Executive Committee recommended that the constitution be changed, that the association met on Thursday and Friday after the fourth Sunday in October instead of Thursday and Friday after the third Sunday, because the time conflicts with the W. M. U. divisional meeting. After the action of this association Mrs. T. S. Crutchfield is to inform the chairman of the divisional meeting and ask that the conflict be avoided hereafter.

Your committee recommends that a summer worker be employed again this year by the association to work in the various churches.

Bro. J. W. Whitley offered his resignation as clerk of the association to become effective at the close of this session. L. D. Munn, W. J. Bradley, and W. J. Russell were appointed as a committee to recommend a new clerk.

Your committee granted space for a full record of the proceedings of the W. M. U. Association.

Respectfully submitted,
C. C. HONEYCUTT, Chairman.

4. The Report of Christian Literature. Miss Bertie Holt.

"Seek ye out the book of the Lord and read". Isaiah 34:16.

What kind of books and magazines do we read? Are we reading good books and other literature which inspire us to better living as we do in reading the popular "best" sellers which may be injurious to our moral and spiritual development?

We are stewards of our time and it is too precious to waste on cheap literature. Since we are influenced to a great extent by what we read, we should make every effort to have in our homes the best type of reading matter that it is possible for us to have. Special care should be taken in helping boys and girls to choose the best literature. With the most of them, comics, Wild West Adventure stories take first place. The best way to offset the unwholesome influence of cheap literature is to make available to our young people books and magazines which are clean and wholesome. The character of our future church members and citizens will depend mainly upon the ideals and attitudes that are formed by our young people of today. Let the Bible and other Christian literature take the place of the cheap questionable reading matter that finds its way into so many homes today. Nothing could be better for the home than to have the Bible read there every day. Besides the inspiration and spiritual guidance we get from it we can find in the Bible some of the best stories, poems, and history that can be found anywhere.

We are fortunate to have such magazines a Royal Service, World Comrades, The Window of the Y. W. A., The Commission, The Southern Baptist Home Magazine in which we can read about of mission work at home and abroad. Keep as many of these as you can afford along with the Charity and Children and our Biblical Recorder coming into our homes.

If our churches would include in their church budgets enough money to send the Biblical Recorder in to every residential home of the church, our church members would be much better informed. This investment would indure.

Dr. L. L. Carpenter spoke to the report. He tells us that the Recorder is 112 years old. That it now has 34,235 subscribers. That the subscriptions have multiplied by three in three years. The Stanly County Baptist Association has 17 Recorder Clubs.

MISSION WORK IN THE ASSOCIATION

This past summer we had in our Association Rev. Gilmer Beck as our Associational Missionary. This work proved a great asset to our Association. So well did our Pastors approve this work, that in their first Pastor's conference in September after the summer months that they went on record to have the Executive Committee include in their report to the Association to secure an Associational Missionary for next summer.

We are indeed indebted to the Baptist State Convention for helping to pay half of the salary and expenses of this Missionary. We feel that the Convention is making a great contribution to the Associations in North Carolina in promoting this type of work.

There was a great response on the part of the churches in supporting this work. The call was issued for financial aid with no promise that a Church that responded would receive the Missionary, as it was understood by your committee that the first churches who sent in their requests would be the churches served. As a result of the requests which came in, the Missionary promoted work in 16 churches. There were 21 churches who sent funds to support the work even though he could not get into all of the churches. The amount of the offering contributed amounted to $315.00.

Some of the visible results of the summer's work of the Missionary are as follows:

First: 12 Vacation Bible Schools Promoted.
Second: 1 week of Bible Study.
Third: 4 Revivals participated in.
Fourth: 10 Preaching Services conducted.
Fifth: 1 W. M. U. Study Course.
Sixth: 1 B. T. U. Training School.
Seventh: 2 Sunday School Training Schools.
Eighth: 1 address at public school.

The number of people contacted in Vacation Bible Schools Was 735, with an average attendance of 621. There were 120 conversions.

All in all we feel this was a very profitable summer, and we are hoping through the efforts of this past summer's work, it will be the means of securing a full time Missionary in our Association.

Respectfully submitted,
C. R. HINTON, Chairman.
J. W. WHITLEY.
W. J. BRADLEY.

5. Orphanage. Report written by J. C. Russell and read by W. J. Bradley.

The report follows: Wars may go, we may sign peace treaties, but we still have homeless children in our midst. During the last two years, many children have been born who have never seen their fathers and a great many of them will never see them because they will not come home again. They have passed on. Other parents because of sin and dissipation have shirked their duties as parents and have left helpless children at the mercy of our Christian people. Shall we be faithful to our Savior and care for these helpless children?

This is nothing new. It gave Christ much concern where here on earth. It caused him to exclaim, "But whosoever shall offend one of these little ones that believe in me, it were better that a millstone were hanged about his neck, and he were cast into the sea." The Orphanage is a direct challenge to every North Carolina Baptist through which we may render Christian service to these helpless ones in our midst.

During this year, in spite of the increased cost of living, we cared for approximately 700 children in our two orphanage homes—Thomasville and Kennedy—and through Mother's Aid and boarding homes we cared for an additional number of more than 300. It cost us more than $675 per day to care for this large number. This challenge should stimulate us to adequately care for these little ones and also to build such fine Christian homes for our own children that these home impressions will abide with them.

Let us make our Thanksgiving offering the largest ever for our Orphanage work.

Bro. H. G. Early spoke to this report.

6. Hospital. No report. No representative.
7. Christian Education—L. D. Munn.

The following resolution was presented:

"Whereas the title to all the property both real and personal of Wingate Junior College, is now owned by the Stanly Baptist Association and several other cooperating Baptist Associations:

And whereas Wingate Junior College was formerly under the control and ownership of North Carolina Baptist State Convention;

And whereas the Trustees now feel since the school is now free of all debts and is on a sound financial operating basis, that it would be to the great interest of Wingate Junior College, the advancement of Christian Education, the Baptist State Convention, as well as the cooperating Baptist State Convention to take over the said College, elect its trustees and operate it as was formerly the case;

And, Whereas this Association meeting with Centerview Baptist Church, in the county of Stanly on this the 25th day of October, 1945, request that the North Carolina Baptist State Convention take over Wingate Junior College, elect the trustees of Wingate College and administer the affairs and to that end the Trustees of Wingate College are hereby authorized and empowered to convey all the real estate, and personal property and other assets of Wingate Junior College to the North Carolina Baptist State Convention of North Carolina;

And, Whereas it is understood and agreed that when the mapority of the Associations that now own Wingate Junior College approve this resolution, then the same becomes immediately effective.

This resolution was unanimously passed, this 25th day of October, 1945.

8. B. T. U. Report—Rev. J. A. Seymore.

(1). The Report. It is very encouraging to note that there is an increasing consciousness on the part of our churches of the need and the place that the Training Union should have in every Baptist church. We are delighted with the splendid co-operation of our pastors; after all, they are pastors of the training union too. Then, too, it is joyful news that in a few of our churches the deacons are not only backing up the unions but are lined up and out in front leading in the work. Why not? They are deacons of the training union. It is also quite true that we could receive favorable testimony from the W. M. U. and Sunday school officers and leaders. Many of our training memebrs find their way into these and all other departments of the work of our churches. In fact, the training union is indispensable to the work of the church today that is going forward in organization, efficiency, missions and evangelism.

The 1943 minutes of the Assocation show 455 in our training unions out of 7,629 church members. The 1944 minutes show 515 training union members out of 7,712 Church members. In 1946, we want to make it our business to enlist every member of our Baptist churches.

The report was discussed by Rev. J. A. Seymore and adopted.

12. Sunday School Report—L. W. Fields.

SUNDAY SCHOOLS

During this, our Centennial year, much stress has been laid on enlargement, enlistment, evangelism and teacher training. A very gratifying response on the part of our Baptist Constituency through out the South has brought unusual results.

One of the outstanding advancements in our Association in our Sunday School work for this past year was in the number of Vacation Bible Schools conducted. There was the greatest number of schools held in the history of our Association. Fifteen of these schools were held as compared with only five for the preceding year. This is very encouraging and will bring a new development in Sunday School endeavors to our Association.

There is one disappointing feature of our Sunday School Promotion for the past year, and that is in the training of our officers and teachers. It is almost humiliating when the report comes from Nashville that only eighty-two awards have been issued to the churches in our Association, which includes Grace 72, West Albemarle 5 and Norwood 5. Your Committee feels that other churches have had training schools, and have failed to submit requests for awards. If so, then have your church to report these immediately. In our Southland there has been an increase of 19,503 awards over the preceding year. If your church has not held a training school this year, certainly it is not too late to do so, and your committee urges you to see that your church has such a school.

There was one Associational Sunday School meeting held this year at North Albemarle. This service was held on Sunday afternoon and the church was filled with people and a good interest was manifested by those who were present. At that time we discussed the activities which our churches were to undertake during this Centennial year. Rev. J. Roy Clifford, Pastor of the First Baptist Church, Lexington, N. C., brought our concluding message on "Higher Ground Ahead". He sent us away really inspired to attain to "Higher Ground Ahead".

We are very highly elated over the fact that there has been an increase in both the enrollment and baptisms over the preceding year in our Sunday Schools. We find that there has been a gain of 686 in Sunday School enrollment, and an increase in baptisms in the churches of our Association of 212 which means that a good majority of these came through the Sunday Schools. Surely with our boys coming back home from the war areas, they should give us an incentive to go on still higher, as we enroll them in our Sunday Schools, and in the service of our King.

Respectfully submitted,

C. R. HINTON.

13. Missions:

(1). State Missions—Rev. Fred Hopkins.

The purpose of State Missions is to provide a program of activities in which all our Churches can have a part to the effect that Christ become regnant in North Carolina in all relationships.

Here is a list of the things the Baptist State Convention is endeavoring to do:

(1). Aid in providing part payment of pastor's salraies in mission churches. Sixty-five pastors were thus aided last year.

(2). Our State Mission Board provides three general missionaries—Rev. J. C. Pipes, E. L. Spivey, and Earl C. Bradley. These men are doing a great work in bringing the lost to Christ and stimulating our churches.

(3). The Convention also helps in unusual situations to buy a lot for a new church and also helps in building houses of worship for needy mission churches.

(4). Our Convention provides for work among the Indians in Robinson county helps our Negro Convention to provide a Secretary and a Sunday School and Training Union Secretary.

(5). It also provides for a visitation program at Oteen for our soldiers and at the State Sanitorium at Aberdeen and Black Mountain.

(6). The Convention helps the Association to provide for Associational missionaries giving as much as $750 towards a salary and the Association provides the rest of the salary. Rev. Gilmer Beck spent thirteen weeks in our Association last Summer. Let us look forward to and strive for an Associational Missionary in the near future.

(7). The Convention co-operates with our Home Mission Board in the work of City Missions. We have four such missionaries—Raleigh, Durham, Greensboro and Charlotte.

(8). The Convention also promotes Christian education in our Churches through the Sunday School, B. T. U., and the Student union divisions.

(9). The Convnetion also provides for Pastors' Schools and Conferences.

(10). All this work was provided this year by a 11% of the undesignated funds of the Co-operated funds and the specified designated funds for State Missions. This amounted to $182,862.22.

(2). Home Missions:

In this time of unprecedented opportunities and responsibilities, it is very encouraging to report that our Home Mission Board has overcome the difficulties of debt through which it has struggled for so long and is now ready to prosecute its work as vigorously and extensively as available funds will permit.

Dr. J. B. Lawrence, executive secretary-treasurer, seems to have acquired wisdom and strength in his struggle through the years in this capacity that have enabled him to be a most capable leader for the work at hand.

Working with him in the various capacities of the tasks of the Board are five hundred and forty-four consecrated men and women. These are scattered over wide areas in the different phases of the activities of the Board.

Missionary work is done with the following groups: foreigners, Spanish speaking people, the deaf, Indians, Cubans, people in the Panama Zone, Negroes, defense communities, cities, and rural communities.

In addition to these, there is an administrative and field force of thirty-four men and women.

One of the finest contributions the Board is making to our work is the monthly publication of that most excellent little magazine, Southern Baptist Home Missions. We commend the regular reading of this publication to every member of every church in our association. For subscriptions, address Home Mission Board, Southern Baptist Convention, 315 Red Rock Building, Atlanta, Ga. The price is twenty-five cents per year.

Respectfully submitted,
T. S. CRUTCHFIELD, Committee.

(3). Foreign Missions—C. L. Taylor.

A war-weary world is hungry for physical and spiritual bread which American Christians can supply. Millions have fallen in the terrible conflict or have perished from famine. Other millions are homeless. We are under inescapable obligations to a greater degree than ever before to minister to the needed multitudes around the globe. We must incarnate in unselfish service the spirit of the Good Samaritan. We must follow in the step of Him who went about doing good.

Good old China, with desolation on every hand, will welcome the Good News. We shall have unprecedented missionary opportunities in that land of more than four hundred millions of people. We quote from a recent description of conditions in the Orient: "Children drop by the roadside in China and die of starvation because there is not enough rice

to mix with the mud they eat to keep their stomachs full. The children of India wander in the highways begging at every orphanage, and hospital, waiting before mission stations to see if one more handful of wheat or bowl of soup may come.

Japan, suffering from the suicidal policies of her military leaders will need the Christian ministry and Message for there is no other hope for the land of Shinto and Buddha.

Europe is now prostrate on the battle field, now strangely silent after years of battle carnage. Spain, Italy, Yugoslavia, Hungary, Rumania and the Ukraine—Southern Baptist Mission Fields—have desperate need of a redemptive ministry which will bind up the broken hearted, proclaim liberty to the captives, comfort to all that mourn, and preach the gospel to the poor. Baptist Mission Boards in European lands will need our sympathetic reinforcement.

"He will not fail or be discouraged, till he has set justice in the earth; and the isles shall wait for his law—look unto me, and be ye saved, all the ends of the earth; for I am God, and there is none else.

NORTH CAROLINA MINISTERS' AND CHRISTIAN WORKERS' RETIREMENT PLAN

It is perfectly natural for one to want food when he or she feels the pangs of hunger. We want and must have heat when we are suffering from the lack of warmth. We need shelter to protect us from cold and rainy weather, and we long for sympathy when we are burdened with grief and sorrow. We want a doctor when we are sick. We crave friendship when we are friendless. Our North Carolina Baptist Ministers' and Christian Workers' Retirement Plan was designed to provide the necessities of life for our faithful servants of Christ by our denomination at a time of life when such help is most needed.

The success of this plan depends,

First, on the interest of our ministers
Second, the attitude and interest of the individual church
Third, the plan and program of our denomination.

I believe our plan will work in all our churches, large or small, and it is within the reach of every active preacher. For the plan to be of the most service to all, it is important that all our churches must co-operate to the best of their ability. I believe this plan will eliminate much suffering and distress among our faithful Christian workers and ministers, and will be a benediction to all who participate in such a plan. The cost is not great. It is very reasonable. It calls for a three-way co-operative participation. First—the individual to be benefitted, the church and our denomination.

Some of our Christian workers and ministers have already realized how very helpful this plan can be when they have been forced to retire on account of age or physical disability.

I, personally, believe this plan deserves our whole-hearted sympathy and financial support. Is your church in the plan? Are you ministers in the plan? If not, may I urge you to give this important matter your earnest consideration. Get in touch with Brother M. A. Huggins, Executive Secretary, Raleigh, North Carolina.

Respectfully submitted,

W. A. HOUGH.

These last four topics were discussed by Rev. Earl L. Bradley, one of our State Missionaries. It was a marvelous message to the people of God. He said of Jesus, "At the start, men said of Jesus, 'He is walking with God. But towards the close of his life, God is walking with man'."

14. W. M. U.—Mrs. T. S. Crutchfield.

The report: The work of the Stanly Missionary Union is going forward in an encouraged way. Progress is being made in all phases of the work. For the first time in our history, we are one of the two A-1 associations in our State. This our centenial year has been outstanding in the minds and hearts of our people, and an effort is being made to make it the biggest and best of all years. The chief aims of our work—prayer, mission study, stewardship, missionary education of our young people and community missions have been faithfully upheld, and an increased interest has been manifested. There has been a decided increase both in organizations and gifts.

Many of our people are eager to accept the challenge of the Great Commission, but the same old problem of information and capable leadership in our churches is the continuous handicap. The interest and cooperation of our pastors will do much towards solving this problem, and thus help to speed the gospel on its way.

Respectfully submitted,
MRS. T. S. CRUTCHFIELD.

The report was discussed by Rev. W. J. Bradley.

15. Digest of Church Letters—Julius W. Whitley.

Splendid gains were made in Evangelism—probably the best in our sixty-one years as an Association. The gains in Sunday School work was very good. This is also true in our B. T. U. and in church finances. We gave the most by far to the work of our Lord than ever before.

16. Historian's Report—Miss Nora Eddins.

The sixty-first annual session of the Stanly Baptist Association met with the Centerview Baptist church, October 25, 1945. There was a fair representation of the ministers, delegates and visitors present. The reports and their discussions by the brethren were inspiring and interesting.

The Centerview Baptist church located in the village near Palmer Stone Works was organized in 1940. The present building was begun in February 1941, and enlarged in 1943. The Church was dedicated the second Sunday in October. The following are the charter members: Walter Shaver, Walter Spivey, Grace Spivey, Mrs. Springer, Rev. S. L. McIntyre, Mrs. S. L. McIntyre, Milly McIntyre, Mrs. Everette Watts, Mrs. Florence Watts, Clyde Teeter and Mable Smith. Rev. S. L. McIntyre, the organizer of the Church, was called as its first pastor. He was followed by Rev. Lee Johnson. The Executive Committee of the Association then asked Rev. Julius W. Whitley to take over the work for ninety days and he asked Rev. T. S. Crutchfield to act as Supply Pastor. Following this period the Church called Rev. J. W. Loy, Jr., as Pastor. He served from August 1942 to September 1945, doing a fine piece of work. The Church then called Rev. Zeb Thompson, their present pastor.

When organized, the church had twelve members. At present, it has seventy-two members with a thriving Sunday School, B. T. U. ,and W. M. U. and a fine financial program which has put it out in the lead of our smaller churches.

(5). A BETTER WORLD TOMORROW. Rev. J. C. Bennett affirmed that to have such a world tomorrow, we must turn to Christ. He gave us a glimpse of the work of the 120 disciples of Jesus following the Ascension of Christ. They tarried and prayed until the Holy Spirit came down upon them in the supper room. They relied upon His leadership. They adopted the gospel method—Preached against sin, Preached Christ. They strove to keep their circle clean.

PROCEEDINGS OF STANLY W. M. U. CONVENTION OAKBORO BAPTIST CHURCH

April 4, 1945

The W. M. U. of Stanly Baptist Association convened with Oakboro Church on Wednesday, April 4th, 1945, with the theme, "Lead on O King Eternal," the dominant note in the day's preceedings. Mrs. T. S. Crutchfield, superintendent, presided over the morning session.

The Hymn, "Lead On, O King Eternal," was followed by a period of meditation which was concluded with the hymn, "Beneath the Cross of Jesus", sung by Mrs. C. L. Lineberger of North Albemarle.

Mrs. A. S. Little of Centerview read Joshua 13:1 for the devotional, emphasizing the promise, "the crown awaits the conquest" and challenging W. M. U. to enter many fields to win a million souls to Christ during this, Southern Baptists' Centennial Year. Rev. L. D. Munn led in prayer.

At the roll call of churches 9 pastors, 13 visitors and 92 members were recognized by the superintendent, making the total for the day 114. Presidents of societies made 2-minute talks in which the greatest achievemnts of the yar were recounted.

Prior to the officers' reports, mimeographed copies of 1944 achievements and 1945 goals were distributed to which the various chairmen spoke.

The Mission Study report was given by Rev. C. R. Hinton in the absence of the chairman, Mrs. Hinton. He reported a total of 70 classes held with 721 women and young people enrolled. The county-wide School of Missions during March was highly successful with an enrollment of 12,884 and a daily attendance of 2,148.

Mrs. J. A. Seymour, chairman of Community Missions, gave her report in question-and-answer form emphasizing evangelism. She reported 40 organizations actively engaged in definite work.

In the absence of Miss Bertie Holt, Stewardship chairman, a playlet on tithing was presented by Mrs. Rogers and Mrs. Hatley directing a group of Oakboro R. A.'s. The printed record showed a total of 291 tithers in Stanly W. M. U. with 5 churches observing Stewardship night during 1944.

The Literature chairman, Mrs. C. A. Poplin, reported a total of 471 Baptist magazines in the homes last year. She urged Baptists to provide their children with this fine literature.

The treasurer's report showed total receipts for the year 1944 to be $154.61; expenditures $132.27: balance $22.34. The association voted to divide the Combination Expense Fund as follows: 50% for associational expenses, 25% for divisional expenses, and 25% for the Burney Fund. Appreciation was expressed for the fine cooperation shown by societies, with 15 societies contributing.

Mrs. T. S. Crutchfield as superintendent concluded the morning's reports. She reported 16 A-1 organizations with Badin and Grace full graded A-1 Unions; 8 new organizations during the year, making the total 68; there being 20 societies with six full-graded, 48 organizations for young people. She stressed goals for 1945, The Centennial Year, with the hope of gaining 15 new organizations with an increase of 10% in number of members and of tithers, 20% increases in total W. M. U. gifts, and with at least 2 mission study classes for each organization. Mrs. Crutchfield pointed out the fact that this had been the banner year in Stanly W. M. U. work as it was the first time Stanly Association had been A-1. She expressed her grateful appreciation to all who had helped make this our most successful year. The following financial report was submitted:

FINANCIAL REPORT

Co-operative Program	$5849.93	Heck Memorial	$ 192.98
Lottie Moon Offering	993.76	World Relief	54.50
Armstrong Offering	568.76	State Expense	31.08

Orphanage	402.98	Div. Fund	21.95
State Missions	291.34	Burney Gifts	21.95
Hospital	196.71	TOTAL	$9168.51

The audience sang the first stanza of "When I Survey the Wondrous Cross."

Miss Ruth Keller spoke on "Henceforth in Fields of Conquest," challenging all to have a broader vision of giving, of youth as a field of conquest to win a million souls, to help that million become evangels for Christ.

Committees were appointed and announcements made.

The second stanza of the above hymn was sung.

Miss Hattie Gardner, Missionary to Africa, delivered the inspirational message of the morning. In the beginning she expressed her appreciation in being privileged to go to Africa where she taught in the Elam Memorial School of Nigeria. Interesting and rich experience were recounted to an appreciative audience. In conclusion she acknowledged gratefully the Lottie Moon Christmas offering which had made her work possible, and she asked for the prayers, money, and children of those present in order that the work might be successfully continued on the African mission field.

A love offering of $46.56 was received; and, of this, $40.00 was designated for World Relief.

Rev. J. A. Seymour concluded the morning session with prayer.

A bountiful picnic lunch was enjoyed during the noon hour.

Mrs. L. W. Fields, Young People's Director, presided over the afternoon session, continuing the day's theme. "OZion Haste" was followed by a devotional led by Miss Swaringen on "Righteousness, the Sweet Amen of Peace", based on Isiah 32:9-18.

Mrs. W. J. Bradley, chairman, presented the W. M. U. Training School and Margaret Fund in the topic "Through Days of Preparation". She stressed parent preparation, the duties and obligations of parents to surround youth with a missionary atmosphere, stating that the term "Juvenile Delinquency" might rightly be called "parent delinquency". She also explained that the Margaret Fund students are now caref for through our special offerings; and, in addition, each one is given $30.00 per year to use for personal needs. N. C. had 10 such students in 1943-1944.

A pageant, "Lead on In the Training of Youth", was presented by young people and their leaders with Miss Laura Smith reading. The talents, accomplishments, and possibilities of young people under the right leadership were forcefully shown, and the importance of missionary education was emphasized. At this time eleven young people's leaders were recognized.

Mrs. L. W. Fields reported total gifts from the 48 young people's organizations in 1944 to be $1,895.64 with the goal to remain the same—Well rounded Christian lives and characters—pure as gold. The names were called of twelve young people in our association who had recently dedicated themselves to definite Christian service; and, one of these, Dwight Wilhelm, spoke most convincingly on the importance of the ranking system, knightly deeds, camps and conclaves for R. A.'s and challenged those present to train youth to make this a better world.

Rev. C. R. Hinton, R. A. leader, was recognized. He voiced his appreciation of the young people and their messages. Mrs. Crutchfield also recognized the youth of our association; and, at her request, Rev. Will Russell led in prayer for the youth of our land serving today throughout the world.

Mrs. J. B. Morris, chairman, Mrs. R. E. Cathey, and Mrs. Cletus Carriker submitted Resolutions, expressing grateful appreciation to God for the bountiful grace of the day, to Mrs. Crutchfield and her workers for the fine program and year's work, to Mrs. Lineberger for her beautiful message in song, to Miss Gardner for her inspiring message, to Dwight Wilhelm for his message in behalf of youth, and to the Oakboro Church for the kind hospitality of the day.

The time and place committee, Mrs. J. A. Seymour, Mrs. R. W. Simpson, Mrs. Harvey Helms, reported the 1946 meeting to be at Canton Church with the time to be designated by the executive committee.

The Committee on nominations, Mrs. B. M. Rogers, Mrs. M. G. Moore, Mrs. D. N. Bennett, presented the old slate of officers for re-election, which was unanimously adopted:

CONSTITUTION

of the Stanly Baptist Association

Article 1. This body shall be known as the Stanly Baptist Association.

Article 2. It shall be composed of white messengers, elected by the churches connected with this body and ordained ministers who are members of or laboring in connection with said churches. Each church shall be allowed three messengers for the first two hundred members or fraction thereof, and one for each additional fifty members. No courtesy seat shall be extended to any person, or persons, other than such messengers as are herein provided.

Article 3. The object shall be to devise and recommend measures for increasing the harmony, the intelligence, and the spiritual power of the churches, and for developing and directing their energies, their resources and their gifts and advancing the Redeemer's Kingdom in the earth.

Article 4. The Association shall have no power to infringe upon the sovereignty or the rights of the churches. It is neither an ecclesiastical legislature nor council nor court of appeal. It may adyise the churches and recommend measure of usefulness for their adoption, but cannot bind them in any way. Yet, in view of the combined wisdom, piety, and intelligence of the body, it may justly claim for itself, for its objects, and for its recommendations, the very highest consideration and regard.

Article 5. The Association may dissolve connection with any church that becomes unorthodox in doctrine or disorderly in practice, fails to represent itself, either by delegates or letter more than two successive sessions without sufficient reason; or treats with contempt its objects and requirements; or upon application of a church for its dismission.

Article 6. Each individual church shall hold and exercise all the right to advise, when desired, in case of difficulty, and to suggest plans of usefulness to be adopted. If at any time, the Association shall assume an unwarranted power over the churches, they shall have the right to dissolve their connection with this body.

Article 7. It shall be the duty of the churches to appoint as messengers as far as practicable, their most capable members, to require their attendance, and to send with them a contribution to the Association fund, to pay for the printing of the Minutes and other necessary expenses.

Article 8. It shall be the duty of each church to send an annual letter to the Association, giving: 1. Locality; 2. The names of its pastor and clerk, and their respective post offices; 3. The Sabbaths of regular service; 4. The church statistics, including the number baptized, received by letter, restored, dismissed, deceased, expelled, and aggregate membership, male and female; 5. Sabbath school statistics; 6. Amount contributed to the benevolent objects, and the Association fund; 7. Names of the messengers and alternates; 8. Any other information deemed of special importance.

Article 9. The officers of the Association shall be a Moderator, a vice-Moderator, Historian, Clerk and Treasurer, who shall be elected at each annual session, after the names of the messengers have been enrolled; and shall take their office at the close of the present annual session, and continue until the close of the next Annual Associational Session.

Article 10. It shall be the duty of the Moderator to open the meeting punctually at the time appointed; to enforce rules; to preserve order, and to exercise all the prerogatives of a presiding officer, according to the principles established by parliamentary usage.

Article 11. It shall be the duty of the Vice-Moderator to discharge the duty of the Moderator in his absence.

Article 12. It shall be the duty of the Clerk to keep a faithful record of the proceedings of the body, and superintend the printing and distribution of the same, and to keep on file the printed Minutes and other important documents belonging to the body. He may appoint an assistant when necessary.

Article 13. It shall be the duty of the Treasurer to receive and disburse the money contributed to the Association fund, as directed by the body, and to make an annual report of the same.

Article 14. The Constitution may be altered at any annual session of the body by the votes of two-thirds of the members present.

George Cowsert, and Wallace Morris, along with the director, Rommie Pierce, was recognized.

4. The Moderator read the report of the Executive Committee, which was duly adopted.

REPORT OF THE EXECUTIVE COMMITTEE

We are at the close of another year of the Stanly Baptist Association. We rejoice in the fact that God has been wonderfully good to us in that He has blessed our labors both materially and spiritually.

Our churches have gone forward in a great way in all phases of the work. The Sunday School work under the leadership of Bro. L. W. Fields, the Training Union under Miss Margie Williams, and the W. M. U. under Mrs. T. S. Crutchfield have gone forward in a satisfactory way. We thank them for a job well done and bid them God's help in their future endeavors.

Our Spring Associational Meeting which was held with Mineral Springs Baptist Church in March was a great inspiration to all who attended.

In the year 1947 we trust that under the leadership of the Holy Spirit we may make a greater progress than we have in 1946.

Respectfully submitted,
C. C. Huneycutt

5. The Moderator appointed the following committees:

a. Time, Place, and Preacher: W. J. Russell, M. L. James, Lee Hartsell.

b. Nominations: W. J. Bradley, W. B. Almond, Everette J. Huneycutt.

c. Committees: C. R. Hinton, Alfred Staley, Fred Hopkins.

d. Resolutions: Ben J. McIver, W. B. Holmes, L. W. Fields.

e. Union Meeting: J. C. Bennett, John Simpson, Arlie Starnes.

6. The Report on Christian Literature was submitted by Mrs. A. S. Little and read by the clerk, C. R. Hinton, who was substituting for L. D. Munn. The report was spoken to by C. R. Hinton, W. B. Almond, Coy Muckle, W. J. Russell, and was adopted.

CHRISTIAN LITERATURE

A person is known by the company he keeps; also the mind will develop according to the literature he reads; therefore, it is very urgent that we as Christians see to it that we have good wholesome literature constantly before us. This is one of the best ways we have of learning the will of the Master and receiving some of the greatest blessings in learning to serve others with the message we learn from our reading and concentrating on the works of others. It is just as important for Baptist people to have a record of what we are doing as it is for large corporations to give a report of their activities.

Our denomination is making this possible in the different publications it has to offer us. The Biblical Recorder is published weekly and may be had for a small amount in clubs for the churches. We should see to it that every home has this paper for its reading material. We should also have a copy of the Charity and Children each time it is published. This keeps us informed about our children at Thomasville Orphanage. There are other publications that are also worthy of our consideration, namely, Home Missions, The Commission, The Window, Royal Service. All these publications give us a knowledge of the great work being done by fellow servants and help us in a great way to fulfill the great Commission of our Lord when he said "Go ye into all the world and Lo, I am with you always."

Respectfully submitted,
Mrs. A. S. Little

7. The Report on the Orphanage was read by Mrs. Berry Hatley and spoken to by Mr. B. G. Early. Adopted.

REPORT OF THE ORPHANAGE

The backwash of war is presenting to orphanage workers some very acute problems. Among these are the increased cost of living, the difficulty of securing a well-equipped staff, lack of materials for repair, and the still more serious concern of how to help meet the problems in the ever increasing number of broken homes.

In spite of this, the Orphanage has had another successful year. The friends of the orphanage have been loyal and liberal. The farm activities have been life savers, enabling them to produce commodities at about one-third less than they would have cost on the open market.

A total of 700 children were under care during the year—598 were cared for at both homes, 48 in foster homes and 54 through Mother Aid. Application for assistance increased 7 per cent. 92 applications for 212 children await service.

It is the privilege and responsibility of North Carolina Baptists to make of these homeless and underprivileged children the choice youth of our country. "Inasmuch as ye have done it unto one of the least of these, my brethren, ye have done it unto me." Matt. 25:40.

Respectfully submitted,
Mrs. Berry Hatley

8. Special music by the Wingate Male Quartet. President Burris was recognized and brought greetings from Wingate.

9. The Associational Sermon was brought by Ben Jay McIver who used as his scripture Phil. 12:1-17; text Gal. 6:14. Subject: God's Monument.

AFTERNOON SESSION

10. The afternoon session was opened by a special number from the Wingate quartet, after which the congregation sang "Amazing Grace." The worship was conducted by Lee Hartsell, using the 23rd Psalm.

11. The Report on the Hospital was submitted by Louis Williams and spoken to by Richard Young, Assistant Chaplain of the Baptist Hospital. Report was adopted.

REPORT ON THE HOSPITAL

Our Hospital has had another fruitful year. The Out-Patient Clinic has been enlarged, and there have been added additional services in psychiatry and in eye and dental diseases. The cost for an examination in the Out-Patient Clinic is $5.00, not including x-rays and special tests.

The Hospital is in great need for additional beds to take care of the many who are turned away.

Last year free service cost the hospital over $167,000. The Mother's Day Offering has a large share in this service. No person who goes through the Out-Patient Clinic and no service patient is charged any doctor's bill at all; and more than half of those cared for by the hospital are such service patients. Of course, those who are able to pay are expected to do so.

Our Hospital operates one of the best schools of nursing in the South and seeks our finest young women as students.

The Hospital maintains a Department of Religion to render a spiritual ministry to the sick, to give Bible and religious instruction to the students, and to promote the work of the hospital through the churches.

There is urgent need for a new south wing, to provide for 140 new beds, x-ray facilities and delivery rooms, kitchen and laundry. One gift of $200,000 has been offered for this provided the construction is approved this year. We hope the State Convention in its sessions at Asheville in November will act favorably toward it.

Respectfully submitted,
Louis Williams

12. The Report on the Training Union submitted by Margie Williams was read by A. E. Staley. It was spoken to by Ben Jay McIver and L. W. Fields and adopted.

BAPTIST TRAINING UNION

"Be ye therefore perfect, even as your Father which is in heaven is perfect."—Matt. 5:48.

This auxiliary work of our Missionary Baptist Churches seeks to carry out the principles found in our Bibles.

The Baptist Training Union is: (1) interested in the individual and in each member of the church; (2) interested in the program of the church and in its expansion; (3) instructs in Christ's teachings; (4) instructs in Baptists' doctrines; (5) intensely interested in winning souls to Christ; (6) seeks to extend the kingdom of God; (7) sets apart for leadership those whose souls are sensitive to His leadership.

Many of our churches are seeking just such auxiliary work to help their "Babes in Christ" to grow up with Christ.

Rev. Ben J. McIver would help every church in this Association to launch just such a program. It's worth it! Start working on it today.

Respectfully submitted,
Margie V. Williams

13. The Report on the Sunday Schools was submitted by L. W. Fields and spoken to by L. W. Fields, D. P. Morris, W. B. Almond and adopted.

SUNDAY SCHOOL REPORT

We entered this first year of the second century of the Southern Baptist Convention with a Sunday School Platform designed to result in Victory with Christ. Indeed it has been a year of *Victory with Christ* and *Victory for Christ*. Souls have been saved, churches

strengthened and God honored in and by our Sunday Schools this year.

Emphasis has been upon training teachers and other officers of the Sunday School. I offer a few figures indicating the results. Stanly Association is one of 826 associations responding to this training program. Your church is one of 7,197 churches included. A record number of 210,421 awards have been issued throughout the Convention. This is an average of better than 254 awards to each association. Stanly Association is credited in the Nashville office with 87 awards which is hardly 40 per cent of the average for Associations. This was our weakness last year when Brother Hinton plead with us to do more Teacher Training. May we in Jesus' name and for the sake of our Sunday Schools go into the training business! There is some delight in that approximately 60 completed the Central Training Course, making a total of about 147 awards.

The number of Vacation Bible Schools held up good. We had 13 which compares favorably with our all-time high of 15. How fine it would be to set a goal now to have one in at least 20 churches. This would be pushing up from 33 1-3% to 50%, which we can do for as Caleb said of possessing the promised land "we are well able."

Our Association has had the following meetings—February 10, the meeting for planning the work of the year. Attendance, interest and enthusiasm were excellent. From this meeting cooperating pastors went into 12 of our 39 Baptist Churches with the Sunday School program for the year. They were received cordially. Then the Central Training School was held with the West Albemarle Church October 7-11. An average attendance of 64 gave us great encouragement for more extensive Associational work. Surely we shall go forth in the invitation of Jesus to "follow me" and wield ourselves to His will—"I will make you fishers of men."

Respectfully submitted,
L. W. Fields

14. The Place and Preacher Committee made the report submitting Rommie Pierce as the preacher and A. E. Staley alternate, but no place, as no church had invited the Association. Report adopted.

15. The Committee on Nominations gave their report. See Directory.

16. During the Miscellaneous session motion was made to extend to Grace Church thanks for the fine way it had entertained the Association. J. V. Tarlton pronounced the benediction.

FRIDAY MORNING SESSION

17. The Association assembled at 10 A. M. with the singing of "Break Thou the Bread of Life," led by W. J. Russell. Rev.

Louis Williams led the devotion in place of W. B. Almond, who was not present. He used as his scripture II Cor. 5:9-21, speaking on "Christian Stewardship." After the congregation sang "Send the Light," Mr. Williams led in prayer.

18. Mrs. T. S. Crutchfield brought the Report on the W. M. U. and spoke briefly to it. It was adopted.

REPORT ON THE W. M. U.

"And ye shall be witnesses unto me both in Jerusalem and in all Judea and in Samaria and unto the uttermost part of the earth." Acts 1:8. These are the words of Jesus to his disciples two thousand years ago. These words are to His disciples today, but a large majority seem not to heed. And why not? The answer must be, lack of information, consecration, and leadership. Our people would be willing to follow but so few of our leaders seem willing to lead.

19 churches are organized in a definite missionary program, with 19 W. M. U.'s, and 61 Young People's organizations. $9,522.78 were contributed through these 80 organizations last year. 106 mission study classes were held, with 65 organizations doing community mission work. There were reported 380 tithers in these organizations.

The young people are making splendid progress under the leadership of Mrs. L. W. Fields and Rev. C. R. Hinton. A number attended camp this summer, and a rally was held at Morrow Mountain, which added enthusiasm to the work.

Another oustanding peak of interest was a mission study institute held recently at First Church, Albemarle. This was directed by Mrs. Gordon Maddry, State Mission Study Chairman, and Mrs. R. Strider, Associational chairman.

Our W. M. U. family has contributed liberally to World Relief—to the amount of $1200.00.

We are grateful for past achievements, but will never be satisfied until every church has a well-rounded missionary program.

Respectfully submitted,
Mrs. T. S. Crutchfield.

19. The Associational Missions Report was brought by C. R. Hinton. After he and W. J. Bradley spoke, it was adopted.

REPORT OF ASSOCIATIONAL MISSIONS

For two summers, we have carried on a program of missionary work in our Association. This work has great possibilities attached to it, provided we could start it at an earlier date during the summer. Since our county is mostly rural, and the schools in the rural sections begin early in the summer, it is almost impossible to carry out this work to the greatest satisfaction to all. However, if it could be worked, so we could enlist the churches where this situation prevails, and go into the communities where the public schools do not

begin until early fall, it would prove a great blessing to our Association.

It seems to me what we need in our Association is a full time missionary to spend all his time in this great work, developing our churches to greater heights in all phases of its activities. In the Associations where missionaries are employed, the work has grown by leaps and bounds, and all organizations are showing a healthy growth, the missionary zeal is burning with renewed vigor, and the evangelistic fires are flaming brighter. Recently, I had the privilege of attending an Association in which a full time missionary is employed, and you could feel the results of his efforts even in the Associational gathering. I am praying for the time when our Association shall take this forward step.

This past summer we had the services of Rev. Edwin Andrews and his wife in our Association. This young couple was secured to work in the Association for thirteen weeks, but failure to place them for this number of weeks, they worked for only nine weeks. During this period of time, they served in eleven of our churches, conducting Vacation Bible Schools, preaching, teaching, and other tasks which the churches promoted.

Your committee feels that this work should have a deeper interest on the part of our churches.

Respectfully submitted,
C. R. Hinton.

20. A motion was adopted granting Rev. R. M. Haus, of the Allied Church League, the privilege of speaking some twenty minutes on "Temperance."

21. C. R. Hinton introduced a motion, which was quickly seconded, that the Association go on record as opposing the sale of beer and wine in Stanly county, and requesting the associational clerk to write our representative to introduce to the Legislature whatever bill necessary to aid in abolishing the sale of beer and wine in Stanly County.

22. J. C. Bennett brought the Report on State Missions, E. J. Huneycutt the one on Home Missions, and D. T. Singleton on Foreign Missions, Dr. E. L. Spivey, of the State Mission Board, spoke to all three reports. The reports were adopted.

REPORT ON STATE MISSIONS

The spirit of the Master was the spirit of missions. Jesus kept reminding His disciples of His suffering, and then said, "As the Father has sent me, even so I send you."

The mission territory for each of us extends from our own hearthstone to the uttermost part of the earth. While the Baptists of

North Carolina have made wonderful progress within the state, they still have an unfinished task. There are some two million people in North Carolina who are not Christian, and it is our task to reach them.

We should be in hearty sympathy with State Missions for four reasons: (1) Because Jesus admonished His disciples to begin at Jerusalem. (2) He expects us to be interested in the things that lie nearest to our hearts. (3) Because of the great need. (4) Because it is a paying proposition. It nourishes churches that later become self-supporting and influential.

REPORT ON HOME MISSIONS

Statistics show that in 1943 the total gifts for religious purposes in the United States were $8 per person. Last year we spent for liquor 7 billion dollars which was $51.47 for every man, woman and child in the United States. We spent $21.80 for cigarets per person, $62.50 per person for gambling, and $115 for crime. Thus we see that the people of the United States spend for sinful purposes many times what they give to the Lord. No wonder the spiritual life of our nation is at a low ebb. No wonder we are finding it hard to keep at peace with other nations. No wonder we are failing to deserve the blessings which God promises to righteous nations.

How do Southern Baptists measure up to this Bible standard of honesty with God? The record is bad. The world investment of Southern Baptists represent only a small part of their tithes. Our gifts to all God's work, from the local church to the ends of the earth, are more than one-fifth of our tithe. Of our local gifts a little over 22 million dollars went to the causes of the Cooperative program. It was through the Cooperative program that we were able to share in our Home mission work.

The Home Mission Board had in 1945, 351 workers. Of this number 642 were missionaries giving the Gospel to needy groups in the southland, Cuba, Costa Rica and Panama. Last year there were 471 new missions opened, 123 new churches organized, 10,558 mission courses taught, 1,173 revivals, 1,936 Vacation Bible Schools conducted, with 16,833 conversions and 10,929 additions. Surely this is a worthy cause for us to support because we see that "thousands in our homeland fair, have heard the Gospel true, because we give to Him who said 'Include Samaria too.'"

REPORT ON FOREIGN MISSIONS

During one hundred years of its existence the Foreign Mission Board appointed 1347 missionaries, including 44 appointed this year.

We have only 550 missionaries at present.

As we enter the second century of our work we face open doors and many adversaries. The doors are open. The question is, Are we willing to pay the price necessary to enter?

We have a threefold task: Relief, Reconstruction, and Reinforcement. Our most urgent task is that of ministering in the name of Jesus to needy millions around the world. It is estimated that half of the world, or more than a billion people, lack sufficient food. We must help feed them now.

The Southern Baptist Convention in its recent meeting at Miami launched a program for $3,500,000 for relief and reconstruction. The immediate response warrants that this will be raised. In our war stricken areas there is a tremendous job of rehabilitation, providing homes and equipment for our work. Instead of 560 missionaries we ought to have a thousand. Men and money are greatly needed for this work.

We are face to face as never before with the choice of one world or none. Life and death have been set before us. The choice is ours—between the annihilating power of the atomic bomb or the redemptive power of the cross of Christ. Which shall it be?

Respectfully submitted,
D. T. Singleton.

23. Visitors recognized at this time were Rev. and Mrs. W. J. Connell of Ansonville, L. P. Beck of Wingate, and Everette Miller of Meredith College.

24. W. J. Bradley dismissed the congregation for lunch.

AFTERNOON SESSION

25. The afternoon session opened with the hymn "Jesus Shall Reign," after which Bro. D. P. Morris led in prayer.

26. Motion was adopted to receive the Report on Christian Education, if available, as a matter of information. Everette Miller brought greetings from Meredith, and L. P. Beck spoke for Wingate. The motion was adopted.

27. L. D. Munn gave a statistical report of the church letters.

28. C. L. Morton read the Report on Relief and Annuity. The report was adopted without discussion.

RELIEF AND ANNUITY REPORT

The Relief and Annuity Board of the Southern Baptist Convention, with its headquarters in Dallas, Texas, has joined hands with many leading laymen and pastors in North Carolina to remove a blot that has long been upon both the pastors and the laymen of our churches. The blot referred to is our past lack of proper care for the aged, worthy and worn out servants of God. While the average min-

ister may be guilty of not laying up anything for a rainy day, surely we laymen have also been guilty in the past of not sponsoring any co-operative plan whereby we could help our pastors be as provident as they should.

The Relief and Annuity plan as now available for all ministers and churches is the safest, soundest and surest way to enable our ministers to avoid an old age of virtual poverty and dependence upon the charity of others. The plan is simple and practical. It is especially favorable to men whose salaries are in the lower brackets. The cooperating church pays into the Annuity Board 4% of the pastor's monthly salary. The Pastor likewise pays 4%. The State Board pays $18.00 per annum. When the minister reaches 65 years of age or over he may retire and receive monthly a large per cent of the average monthly salary he has received during the last 25 years of his pastorial work. Those retiring this year will get 32½% and the percentage of the retirement grows each year until it reaches the maximum of 50% in 1956.

A special feature of the North Carolina plan is that the widow whose husband was in this plan will receive 50% of his annuity as long as she lives, provided she has been his wife for 25 years. If for a shorter period, 4% will be deducted for each year less than 25 years. Thus we see that the relief and annuity plan assures these aged and faithful servants of the Churches an earned annuity for their declining years which will be theirs without feeling that they are objects of charity, or burdens upon their beloved Churches or children. The plan will also enable many fine churches which need and desire the service for a mature Pastor to secure such without fear that his retirement would bring upon them an added obligation for his support.

Of the 1560 active Pastors in North Carolina only 549 now hold the relief and annuity certificates, with 45 pastors on the payroll receiving checks each month since they retired and 10 widows who receive half of what their husbands were getting at the time of their death. This leaves a condition that laymen and the Churches should remedy. We urge every pastor and Church not now cooperating to join the relief annuity plan immediately; and we especially urge every layman of such Church to do his part to see that his Church takes this important step.

Respectfully submitted,
C. L. Morton.

HISTORIAN'S REPORT

The sixty-second annual session of the Stanly Baptist Association met with Grace and Norwood Baptist churches, on Thursday

and Friday after the fourth Sunday in October 1946.

Grace Baptist Church, located on Edgemont Street, Albemarle, Stanly County, was constituted in 1921, and was received into Stanly Association in 1921. The present building, constructed in 1921, is a frame structure with eighteen Sunday School rooms opening into the main auditorium. It was dedicated in 1933.

The first resident clergyman, Rev. J. S. Harris, 1921-1923, was a graduate of Big Lick Academy, (now defunct) Big Lick, N. C. The church has reported a Sunday School since the date of the constitution. The present pastor is Rev. J. A. Seymour. The progress of the church may be clearly seen by reference to the Historical Tables of the Stanly Baptist Association.

The Norwood Baptist Church was organized September 13, 1879, as an arm of Rocky River Church in Anson County. As "Center" was at that time the name of the village, the church was called "Center Baptist Church." The first building, 1879-1916, was a one-room frame structure. The present building, constructed in 1916, is a sixteen-room structure with art-glass windows in the main auditorium.

The church was dedicated by G. W. Harmon, assisted by A. E. Bennett and G. O. Wilhoit. In 1881, the church became a member of the Anson Association, and the name was changed to Norwood Baptist Church. In 1900 it became a member of the Stanly Association.

In the early history of the church, the following men served as pastors in the order named, viz: A. E. Bennett, W. G. Rollins, G. O. Wilhoit, C. H. Martin, J. P. Boyd, C. L. Ball, and B. N. Matthews.

When organized in 1879, the church had eleven charter members. The present membership is 488. The progress of the church today may be clearly seen by reference to the Historical Tables of the Stanly Baptist Association.

Respectfully submitted,

W. M. U. PROCEEDINGS

May 3, 1946

CANTON BAPTIST CHURCH

Stanly Baptist Associational W. M. U. convened on April 3, 1946 at Canton Church with the day's proceedings centering about the theme: "Christ for the World." Mrs. T. S. Crutchfield presided.

The hymn, "We've A Story to Tell To The Nations," was the opening number, followed by Isaiah 45:22, "Look unto Me and be ye saved, all ye ends of the earth, for I am God, and there is none else."

Mrs. J. M. Pickler of Kendall's Church based the devotional of the morning on the chapter Isaiah 45. Rev. L. D. Munn led in prayer.

Thirteen visitors and seven pastors were recognized. To the call of churches, 156 delegates responded, all societies but one having representatives, making a grand total present of 176.

The following committees were appointed: Time and Place; Mrs. J. M. Pickler, Mrs. Letha Morris, Mrs. Cletus Carriker; Courtesy: Mrs. C. A. Poplin, Mrs. J. A. Seymour, Mrs. Caesar Holt; Committee on Nominations for 1947 (elected); Mrs. J. Clyde Wilhelm, Mrs. John Harris, Mrs. J. C. Hough.

Presidents of local societies made brief, interesting reports of their attainments during 1945. Mrs. T. S. Crutchfield spoke to their reports as follows:

SUPERINTENDENT'S REPORT

"While we did not reach all goals in 1945, it has truly been our best year. Progress has been made in all departments of work. Our leaders have been faithful and cooperative. The leadership conference held at First Church, Albemarle, in January was well attended and most encouraging. An association-wide school of missions, while not sponsored by the W. M. U. was beneficial to our work. The number of organiaztions has been our weak point this year, and in this point only did we fail to attain to the A-1 standard as an association. The young people's work has gone forward under the splendid leadership of Mrs. L. W. Fields of Norwood. In Stanly Association there is much need for consecrated and willing leadership. Will you not pray that the Lord of the harvest will send forth his laborers unto his harvest.

Statistical report: Letters 146, cards 149, societies visited 6, meetings held 4, miles traveled 444.

Respectfully submitted,
Mrs. T. S. Crutchfield, Sup't.

"All Hail the Power of Jesus Name" was sung after which the following visitors were introduced: Mrs. Bobbitt and Mrs. Roberts of Charlotte; Dr. Gillespie, Rev. J. W. Loy, Mrs. Moore, Mr. W. A. Hough and Miss Abee.

Reports by chairmen followed:

STANLY ASSOCIATION MISSION STUDY REPORT FOR 1945

"W. M. S.: 37 classes, 499 enrolled, 42 certificates; Y. W. A.: 12 classes, 88 enrolled, 8 seals, 4 certificates; G. A.: 32 classes, 232 enrolled, 11 seals, 9 certificates; Sunbeams: 13 classes, 162 enrolled, 24 seals, 22 certificates.

In submitting this report, I feel keenly that much more should have been done. I have had the joy and privilege of helping in several mission classes throughout the association and am humbly happy over each privilege. In the new year before us, I hope we may have a real school of missions and doubling of every effort to learn more of the world's needs. Would it not be well for each church to have a real missionary to speak at least once this year?"

Respectfully submitted,
Mrs. C. R. Hinton

Mrs. Bobbitt, divisional superintendent, spoke to the above report, emphasizing mission study as the heart of all our work and urging all to know your world, read of your world, and pay your debt to the world.

Mrs. C. A. Poplin of Oakboro, literature chairman, made a splendid oral report, displaying Baptist Magazines and urging their use.

Miss Bertie Holt, Stewardship Chairman, submitted the following written report:

STEWARDSHIP REPORT

"First they gave their ownselves to the Lord. Of all that Tou Shalt give me, I will surely give the tenth unto thee. Gen. 28:22.

"Stewardship is the trust that God commits to us to use all that we are and have for the promotion of the kingdom of Heaven on Earth."

We have a stewardship entrusted to us. The tithe is a reasonable and wise expression of our stewardship, but that is only one part.

We are stewards of the gospel, too. Mission fields are ready and waiting for the Gospel. "How shall they hear without a preacher? How shall they preach, except they be sent?" Romans 10:14-15. Only as we consecrate our time, talents, personality, money and even our lives, will we be able to win a lost world to Christ.

Reports from our W.M.S.'s and Young People's organizations show that we had this past year: 375 tithers; 12 stewardship classes; 10 young peoples' organizations using stewardship education leaflets; 12 organiaztions participating in Church stewardship night programs.

Respectfully submitted,
Miss Bertie Holt

All reports were adopted.

Rev. and Mrs. J. A. Seymour, assisted by the community missions committee of Grace Church, gave a very interesting demonstration in playlet form of this particular work in a local church. Enlarged community missions was presented with much emphasis on cottage prayer meetings. One missionary was reported to have gone out from the church, Miss Ruby Cathey.

Miss Katherine Abee of Raleigh made a most appealing talk on "The Urgency of Making Him Known" and challenged parents to keep open door of the child's heart to Christian service.

A quartet from Canton Church sang a beautiful Easter Hymn.

Dr. A. S. Gillespie of China brought the climax of the morning in his stirring address, "The World for Christ," in which he said that word missions originated in the heart of God, and that the world and Jesus were made for each other. He pictured the great needs, the feeling of inscurity, and the call to workers. He closed with a prayer of dedication led at his request by Mr. W. A. Hough, followed by the hymn, "Have Thine Own Way, Lord."

A love offering of $42.25 was received at this time and was distributed as follows: $10.00 to Dr. Gillespie; $5.00 to Mrs. John Allan Moore; $25.00 to Mrs. Moore for use in Jugoslavia; and $2.25 to the W. M. U. treasury.

The morning session was concluded by prayer. A most delicious picnic dinner was served by the hostess church on the lawn.

The afternoon session was presented by the young people's organizations with Mrs. J. C. Hough of Norwood leading for Mrs. L. W. Fields.

"O Zion Haste" preceded the devotional by Mrs. J. M. Mauney of New London.

A panel discussion followed in which young people's directors gave their reports on "We Did It This Way.": "We Were A-1" —Mrs. J. A. Seymour; "Our Community Missions Count, Do Yours?"—Mrs. W. J. Bradley; "We Observed Focus Week"—Rev. L. D. Munn; "We Observed the Seasons of Prayer"—Mrs. Williams; "We Are Working on the Forward Steps"—Mrs. Biles; "Our Boys Need Leadership"—Rev. L. W. Fields. Miss Abee concluded the discussion.

The dates for young people's camps were announced.

Mrs. W. J. Bradley, Margaret Fund and Training School chairman, spoke on "World Wide Service," giving the history of the Taining School at Louisville with its small beginnings, sending out 128 women to serve in 11 foreign countries and in all the southland. She challenged the women of W. M. U. to encourage their daughters to go to the Training School. At present North Carolina has 19 students in the Training School, leading the southern states. She stated that the Margaret Fund had assisted 506 sons and daughters of Missionaries in the past 29 years at a cost of $452,000 to W. M. U.

Committees gave their reports as follows:

Time and Place committee: Place — Centerview; time of 1947 meeting to be designated by the executive committee.

Courtesy Committee's resolutions:

"We, the courtesy committee wish to express our appreciation for the wonderful addresses brought us by our speakers, and to the Canton Church we wish to express our appreciation for the hospitality shown us, for the beautiful flowers, for the sweet messages in song, and for the bountiful dinner."

Respectfully submitted,
Mrs. C. A. Poplin, Mrs. J. A. Seymour, Mrs. Caesar Holt."

The Committee on Nominations for 1946 reported as follows:

Mrs. T. S. Crutchfield	Superintendent
Mrs. J. M. Mauney	Associate Superintendent
Miss Bertie Holt	Stewardship Chairman
Mrs. J. A. Seymour	Community Missions Chairman
Mrs. R. Strider	Mission Study Chairman
Mrs. W. J. Bradley	Margaret Fund and Tr. School

Mrs. C. A. Poplin ..... Literature Chairman
Young People's Leader ..... Mrs. L. W. Fields
R. A. Leader ..... Rev. C. R. Hinton
Secretary and Treasurer ..... Mrs. A. D. McNeill

Respertfully submitted,
Mrs. A. S. Little, Mrs. J. B. Morris, Mrs. W. B. Holmes.

All reports of the chairmen and committees were adopted as submitted. A rising vote of appreciation was extended all officers of the concluding year. Mrs. Crutchfield, having served 11 years as superintendent, accepted one more year of service, her resignation to come at the end of that time.

Mrs. John Allan Moore, Missionary to Jugoslavia, brought the afternoon address, basing her talk on the Macedonian Call, Acts 16:6. She presented the four greatest needs of Jugoslavia to be physical relief to the suffering, a mission school for the five native pastors who serve the 42 churches, financial aid in rebuilding churches, and literature—only four religious books being available.

Mrs. Moore's address followed by the benediction concluded the day's proceedings.

Respectfully submitted,
Mrs. T. S. Crutchfield, superintendent
Mrs. A. D. McNeill, secretary-Treas.

CONSTITUTION

of the Stanly Baptist Association

Article 1. This body shall be known as the Stanly Baptist Association.

Article 2. It shall be composed of white messengers, elected by the churches connected with this body and ordained ministers who are members of or laboring in connection with said churches. Each church shall be allowed three messengers for the first two hundred members or fraction thereof, and one for each additional fifty members. No courtesy seat shall be extended to any person, or persons, other than such messengers as are herein provided.

Article 3. The object shall be to devise and recommend measures for increasing the harmony, the intelligence, and the spiritual power of the churches, and for developing and directing their energies, their resources and their gifts and advancing the Redeemer's Kingdom in the earth.

Article 4. The Association shall have no power to infringe upon the sovereignty or the rights of the churches. It is neither an ecclesiastical legislature nor council nor court of appeal. It may advise the churches and recommend measures of usefulness for their adoption, but cannot bind them in any way. Yet, in view of the combined wisdom, piety, and intelligence of the body, it may justly claim for itself, for its objects, and for its recommendations, the very highest consideration and regard.

Article 5. The Association may dissolve connection with any church that becomes unorthodox in doctrine or disorderly in practice, fails to represent itself, either by delegates or letter more than two successive sessions without sufficient reason; or treats with contempt its objects and requirements; or upon application of a church for its dismission.

REPORT OF THE EXECUTIVE COMMITTEE

The Executive Committee held eight meetings during the year.

On January 12, 1947 an Associational-wide Rally was held to consider the possibility of securing an Associational Worker. The Committee was empowered with the authority to secure such a worker. And after much prayer and investigation, Rev. Norwood Davis, of Mt. Olive, N. C., was secured at the salary of $3000.00 a year.

The Spring Associational Meeting was held at Anderson Grove on March 28, 1947.

On July 25, Rev. C. R. Hinton resigned as Chairman of the Committee and Rev. J. A. Seymour automatically became Chairman.

A School of Missions was held in some 15 churches in September. This school was very successful.

The Committee makes the following recommendations:

(1) That we continue our Associational Mission Program with a full-time Associational Worker.

(2) That a sketch map of the Association be included in the minutes, annually, or as seems best, and that the associational

clerk, the associational worker, and the associational treasurer work this out as to cost, etc., to see if such a map is advisable.

(3) That a Fellowship Committee of three members be appointed whose purpose shall be to build spirit and fellowship among the ministers and who shall work together with our associational worker.

(4) That an effort be made on the part of our churches, with the help of the associational worker, to get an appropriate sign on every Baptist church in the association.

(5) That the Missionary Committee be enlarged to five members to include the Moderator, the W. M. U. president, and that the Moderator be chairman of the Committee.

Respectfully yours,

J. A. SEYMOUR.

W. M. U. REPORT

Go-ye therefore and make disciples of oll nations. Matt. 28:19. There are the words of Jesus to His Disciples more than nineteen hundred years ago. These words are to you and me today, but we are so slow in carrying out His great commission. In Stanly County we have 39 churches. 21 of these churches have Woman's Missionary Society. 8 have full graded unions. Our young people are making progress under the leadership of Mrs. T. W. Fields with 63 Young People's Unions reporting. We now have Y. W. A., G. A., R. A., and Sunbeam Counselors. A number of our Young People attended the Rally held at Morrow Mountain this past summer, but let us not be satisfied until we have a full graded W. M. U. in each church.

Another interesting phase of our work was a Communioy Mission Institute held at West Albemarle Baptist Church in February. A number of our women met and studied the guide for Community Missions.

North Carolina had its first W. M. S. Camp at Fruitland this summer. A number of women from Stanly Association attended.

We are grateful to God for what He has done for us in the past, so let us try to do more for him in the future.

Respectfully submitted,
MRS. J. A. SEYMOUR.

REPORT OF WINGATE COLLEGE

Wingate is owned by and controlled through the trustees of the several associations. It is a school where students study under a Christian environment and where students are taught that, "The Heavens declare the glory of God, and the firmaments showeth His handiwork". The idea here suggested is one that combines the elements of sound scholarship and true reverence. Christian education does not neglect facts, but it teaches students to take facts and to learn to act on them from the standpoint of Christian motives.

Therefore, let every Baptist in these associations, like Aaron and Hur, who in the time of battle upheld the hands of Moses, uphold the hands of our President and faculty in the praiseworthy work they are doing for the young people that have come our way.

This year we have enrolled 346 students with 17 coming from the Stanly Association. 264 students from North Carolina, 58 from South Carolina, 3 from Virginia, 2 from Georgia, 1 each from Florida, Maryland, Tennessee, New York, and 15 from Cuba.
then faithful enough to do it according to the will of God.

Let us be big enough to see the opportunities of our day and

Respectfully submitted,
L. P. BECK.

REPORT ON STATE MISSIONS

Jesus, in His Commission to His disciples two thousand years ago, instituted what may well be called StateMissions, when He said, "And ye shall be witnesses unto me . . . in all Judea". The commission to His disciples today is the same. Time has not changed it.

Statistics show that 48% of the population of our state above 9 years of age have no church affiliation. Approximately one-half of the churches in the state are Baptist; therefore it is to be expected

that half of the responsibility of Christianizing North Carolina should be placed upon the Baptists.

We truly face a crisis in America and in our own state, and it is up to us Baptists to lead North Carolina to Christ.

If you cannot cross the ocean, and far mission lands explore,
You can find the needy nearer, you can help them at your door;
If you cannot give your thousands, you can serve with willing might:
And whatever you do for Jesus will be precious in His sight.

Respectfully submitted,
MRS. J. CLYDE WILHELM.

HOME MISSIONS

In this time of unprecented opportunities and responsibilities, our Home Mission Board is doing a great work with Dr. J. B. Lawrence, Executive Secretary and Treasurer, who has proven himself to be such a capable leader throughout the years.

Along with 702 home missionaries, missionary work is done among the following groups: foreigners, Spanish speaking people, the deaf, Indians, Cubans, Costa Ricans, people in the Panama Canal Zone,, Negroes, and in cities and rural communities.

So much more could be done if we as Christians would contribute more regularly and would give larger offerings for Home Missions. Is it not a challenge to us as Christians to see Americans giving eight times more for alcoholic drinks as for churches, three and one-half times as much for tobacco as for churches, three times as much for gambling as for churches and eighteen times as much for crime as for churches? It is shameful enough that our National Government and our State Governments give sanction to evil by giving it legal standing in many forms, but our greater shame is the moral apathy and dullness on the part of our citizenship generally. The Home Mission Board is wanting to put 300 more workers on the home field. Will we hear their plea and answer "yes" as Christians.

Respectfully submitted,
J. A. HOPKINS.

FOREIGN MISSION REPORT

This is the one-hundred-and-second year of our Foreign Mission Board. It has 624 missionaries active in 21 countries. 56 were appointed this year. There is one foreign missionary to every 10,000 Baptists.

The appropriations for the Board this year total $2,276,000, an increase of $600,000 over last year. With inflation in many areas, this is not sufficient.

Last year the Board received $3,884,991, an average of 64 cents per capita.

Last year our people gave $4,000,000 to relief, some $500,000 above our goal. This year the need is just as great. May our people give as much as they did before.

As far as we know, not one church discontinued its work during the war, although many of the buildings were destroyed.

Subscriptions to the Commission have gone over 90,000. Our goal for the year is 100,000. Every Baptist home should have the commission.

Respectfully submitted, MRS. R. STRIDER.

REPORT OF THE BAPTIST TRAINING UNION TO THE STANLY BAPTIST ASSOCIATION

At the close of another year we face new and greater opportunities to serve God through the Baptist Training Union. Responsibility rests upon its leaders to promote this vast program of training in church membership and there is no better way provided in our churches than that of the Training Union. It includes all ages and offers daily inspiration to better living and uplifted ideals. Hence, for the development of its members and the cause, every Baptist church should sponsor this organization.

Does it not seem inconsistent that even as we are promoting a strong Baptist world program, we so greatly neglect one of our most effective promoting agencies in the individual church? Our people need the training offered by its organized program of prayer, mission study, and stewardship that they may grow in Bible knowledge and have a vision of a lost world.

When Christ promised, "Yea shall know the truth, and the truth shall make you free," he presented a challenge to all Christians to spread those truths. Let us endeavor to reach, train, and enlist all of our people in a training program as we remember it in our prayers and give of our means that we may have a great year for God in our Training Unions.

A program such as this one is truly worthy of the support of the church. It is the responsibility of each of us to give of time and talent for the furtherance of the work. Let us go forward for God is with us!

Respectfully submitted,

W. E. DENNIS.

SUNDAY SCHOOL REPORT

In the beginning of this year we participated in a South-wide Simultaneous Associational Workers Meeting. Emphasis were upon Teacher-training and Enlistment. We know many of our churches held Study Courses which for some reason, or by some means were not reported to the State and Southern Sunday School Boards. We observe from the statement of the Nashville office only seven of our churches, namely, Fairview, Grace, West Albemarle, North Albemarle, Oakboro First, Kendall's and New London reported, a total of 58 having completed a course. Let us emphasize again the significance of having Teacher-Training Courses and reporting them. Throughout our Convention 839 Associations reported 220,781 requests for awards. This is a new and passing record, showing an average of more than 263 awards to each Association. In this light our 58 awards reported must challenge us and we must respond to the challenge for better Teacher-training and reporting the results. Perhaps a goal for each Sunday School will be suggested.

The Lord has blessed our Sunday School beyond measure. Though we suffered six weeks restriction on our entire Association and about ten weeks on parts of it, when our children were not permitted to attend Sunday School and were unable to carry on any program of enlisting others we have gained 368 in enrolment. And though we could not continue our Bible School project through the entire vacation season we had 13 schools and enlisted 231 pupils more than the previous year when we had our record 15 schools. With praise and thanksgiving we acknowledge the bless-

ings of God upon our limited efforts and upon our Sunday Schools in general.

As we proceed in the new year expecting great things from God and attempting great things for God we request your prayers and unlimited support as we look forward to our Associational Workers Conference in January, our team work reaching every church in February, our mass meeting in April, our Bible School Clinic, and all other Sunday School endeavors. Our Association Worker approves the Sunday School plan of reaching every church and promises cooperation in getting it done. Also, it is suggested that we further study plans to promote our entire Associational program upon the same general plan and proceedure.

Respectfully submitted,

L. W. FIELDS.

ORPHANAGE REPORT

The Baptist Orphanage has rarely ever been able to accept all the children for whom applications have been made. Consequently, we are endeavoring to reach more and more children.

In addition to service we are rendering children in the orphanage we should help preserve and improve homes that are in danger of breaking down. Last year the orphanage, through its case work helped to make adjustments for more than four hundred children where applications had been made to enter the orphanage. Perhaps this is one of the best services the orphanage rendered.

In order to care for more children during these days when it is so expensive to build, the orphanage authorities are developing a program of boarding home care. This enables them to place children in good homes under the supervision of the orphanage and thus give many children the privilege of having a good home without placing them in the institution.

Last year the orphanage cared for seven hundred children; sixty of these were cared for in boarding homes and fifty by Mothers Aid. Case work service was made available to 1107 children. This was made possible through loyalty of the Baptist denomination and other friends who month by month and at Thanksgiving time give to the support of these children in keeping with the will of the Master. Year after year we are more conscious that the method of supporting the orphanage through once a month and Thanksgiving offerings is a wise Christian policy. In addition to cash offerings, the orphanage at all times can use canned goods and other commodities needed for the daily support of a large family.

Once more we pledge our support to this institution that is dedicated to the one task of making strong, clean, Christian men and women out of boys and girls under our care.

Respectfully submitted,

H. S. HERLOCKER.

REPORT ON CHRISTIAN SCHOOLS

"Study to show thyself approved". II Tim. 2:15. The readjustment of peace times brings new problems that call for trained leadership. If we are to have this leadership, we must provide Christian schools.

Wake Forest College has an enrollment of more than 2000; Meredith 578; Mars Hill 1100, Gardner-Webb 387, Campbell over 500, and Wingate 357. Each school is filled to capacity.

Wake Forest, to meet the conditions of the Reynolds' Foundation offer, needs $1,500,000 from our churches. The campaign to raise this money is progressing well.

Gardner-Webb has, since 1941, raised $1,000,000 for an expansion program. They recently announced the letting of contracts for two new dormitories.

Wingate, which our association helps to support, is now engaged in a building program. A new dormitory is almost completed and the new library should be ready by the second semester. They still need more room and equipment. We recommend that we support Wingate with our means and to encourage our young people to go there. It is accredited; it is convenient, and it is economical.

Respectfully submitted,
CLETUS CARRIKER.

AMERICAN BIBLE SOCIETY

The American Bible Society, supported by gifts, serves the world for Christ. As a missionary organization, it aids in Bible translation, publishes the Scriptures without note or comment, and distributes them, without profit and usually below cost, for use in mission work throughout the world.

During 1946 the American Bible Society—distributed at home and abroad over 11 million volumes of Scriptures; sent to Japan more than one-third million Gospels and more than one-third million of the two and a half million New Testaments requested by Japanese Christian leaders; shipped to Germany over one million Scripture volumes and 205 tons of materials for a self-help plan by which the German people and the German Bible Societies will do the actual printing of at least one million full Bibles.

Southern Baptists can lead in providing ENOUGH Bibles for the world needs NOW!

Hungry-hearted multitudes, especially in liberated countries, Germany and Japan, are eager for the Word of God. But it is a race against time. Their eagerness may not last indefinitely and opposing forces are actively at work.

The Bible is rationed throughout the world, as it has always been rationed in mission lands, because the supply is limited by gifts available.

In 1946, Southern Baptists gave $130,550 to the American Bible Society; total church gifts were $1,119,845. Increased gifts from Southern Baptists will help to provide enough Bibles now and will multiply their value by inspiring others to give more. Please send gifts to the Baptist state headquarters office, marked "for the American Bible Society".

A worldwide missionary advance, through increased Scripture distribution, waits! . . . Waits only for needed funds!

Respectfully submitted,
NORWOOD DAVIS, Acting Clerk.

RELIEF AND ANNUITY REPORT

The Relief and Annuity Board of the Southern Baptist Convention, Dallas, Texas, is now recognized as an established and vital part of Southern Baptist work. In North Carolina the Relief and Annuity Board works through the Ministers and Church Employees Retirement Plan of the Baptist State Convention of North Carolina. This plan was completed and put into effect on January 1, 1940.

The North Carolina Ministers' and Church Employees' Retirement plan is available to all ministers and full-time church employees. It is a plan to provide pensions for aged and retired Baptist ministers and church employees on a just and sound basis.

The usual cost of the plan is 4% of the actual cash salary received. To this amount is added 4% by the local church and $18.00 per year by the State Convention. A participant may retire at the age of sixty-five. The benefits received increase in percentage each year for retirements through the year 1955. Those retiring in 1946 and thereafter will receive 50% of their average annual salary provided those persons entered the plan from its beginning or from the date of the beginning of their ministry in North Carolina. Additional benefits are provided for widows and orphans in the North Carolina plan.

As medical science increases the average age of our our population we will have more and more Baptist ministers and church employees reaching the age of retirement. Since only little more than one third of the active Baptist ministers of North Carolina are now participating, we urge that every pastor and every church enter the plan.

Respectfully submitted,

J. C. HOUGH.

HOSPITAL REPORT

The North Carolina Baptist Hospital was incorporated in 1922 and received its first patient May 28, 1923. The hospital now has a capacity of 247 beds and 55 bassinets. The primary purpose of the hospital has always been the medical care of the poor.

The hospital's opportunity for service was greatly increased when in 1941 the Wake Forest Medical School became a four-year school and was located adjacent to the hospital. The school of medicine is known as the Bowman Gray School of Medicine of Wake Forest College.

Some departments, or schools, operated by the hospital are:

1. The Out-Patient Diagnosis Clinic. The enlarged department was opened July 1, 1946 at a cost of approximately $250,000.

2. The School of Nursing. This school is fully approved and at present has an enrollment of 120 young women who are receiving professional training under Christian auspices.

3. Other Schools operated by the hospital are: School of Graduate Dietetics for the training of hospital dietitians, a School of Laboratory Technology for the training of laboratory technicians, a School of X-ray Technology, and a School of Anesthesia for training of anesthetists.

About 48,000 persons each year look to the Baptist Hospital for diagnosis and treatment. Approximately 8,000 of these being bed patients in the hospitals. The Out-Patient Clinics examine 20,000 and the Phivate Diagnostic Clinics examine another 20,000. The past year has been the business and the most crowded year that the hospital has ever known. North Carolina Baptists have voted to enlarge our hospital. Interested friends have pledged their moral and financial support. Now we are looking forward to a much larger and more modern plant on the beautiful hundred-acre Gray estate in Winston-Salem where this ministry of healing in the name of Christ can be multiplied.

Respectfully submitted,

W. J. BRADLEY.

CHRISTIAN LITERATURE

The Baptist State Convention organized in 1833 had as its purpose, according to its Constitution, the promotion of, "Missions, Education, Social Service, and the distribution of the Bible and sound Religious Literature."

The founding fathers realized that the people did not and coula not advance beyond the information which they had. That was true then and is equally true today.

Many of our people have not formed the habit of reading Christian Literature and therefore do not realize what a great blessing they are missing. It is the testimony of those who know that the reading of Christian Literature affords the reader pleasure, contributes to his intelligence, and adds much to the development of Christian Character.

The books and periodicals most likely to magnify Christ are:

1. The Bible, which is the greatest Agency for the promotion of our Denominational life in all of its departments. It is now easily available and should be in every Baptist home.

3. Charity and Children published in the interest of our adopted children, should be read regularly by every Baptist in North Carolina.

4. Home and Foreign Fields which gives inspiring information of the work done on our Mission Fields and should be an inspiration, and I am sure is an inspiration to all who read it.

5. Many other books and periodicals published by our Denomination and made available through various agencies.

We recommend that each Church have an efficient representative of Christian Literature whose purpose it is to promote as far as possible the reading of wholesome literature by our people, said person to work with the Associational Missionary or some other person appointed by the Association in order that the greatest good might be accomplished.

Respectfully submitted,

T. B. MAUNEY.

HISTORIAN'S REPORT

The sixty-third annual session of the Stanly Baptist Association met with New London and Aquadale Baptist Churches on Thursday and Friday after the fourth Sunday in October 1947.

New London Baptist Church was constituted about 1891, probably as a mission of Kendall's Baptist Church. The church had no building, but held services in a community house used by all denominations. The first resident clergyman was Rev. J. C. Denny, 1891-1892. The church became inactive around 1898.

On Tuesday, September 12th, 1905 at 10:00 o'clock A. M., the following visiting deacons, viz: S. L. Morton, John W. Morgan, William Johnson, and James A. Miller, with sixteen charter members re-organized the church. The pastors present were. Rev. C. J. Black, W. E. Watkins, and John F. Hodge.

Immediately after the organization the following deacons were appointed, viz: John L. Palmer, C. H. Brooks, N. A. Biles and Z. T. Russell. Rev. C. J. Black was called as pastor.

The first building, a wooden structure, was purchased from the New London Methodist Protestant Church, for the sum of four hundred and fifty dollars, and was worship in for nineteen years. The present building, constructed in 1924, is a brick structure of Georgian architecture, and is so arranged that the Sunday School rooms may be opened by folding doors into the main auditorium. The church was dedicated in 1931.

When organized the church had sixteen charter members. The present membership is 167. The progress of the church may be seen by reference to the Historical Tables of the Stanly Baptist Association.

Aquadale Baptist Church, located in the village of Aquadale, was constituted in the year 1919, by thirteen members from Silver Springs and Cottonville Baptist Churches. The present building, a large frame structure with seven Sunday School rooms, was dedicated in 1921. The first resident pastor was Rev. G. M. Smith from 1919-1923. The church has reported a Sunday School since the date of constitution. The membership in 1919 was 72. The present membership is 198. Rev. C. C. Huneycutt is the pastor.

Respectfully submitted,

MISS NORA EDDINS.

SUPERINTENDENT'S REPORT 1946

The past year in many respects has been our best. We started the year with a Leadership Conference attended by a large group from the majority of societies in the association. An enthusiastic spirit was manifested as the work was discussed and goals set. From all reports, faithful efforts have been made to carry out plans made there. While all goals have not been attained, there has been progress in all departments of the work. Especially has there been an increased interest in Mission Study. A Mission Study Institute was held at First Church Albemarle in October with Mrs. Gordon Maddrey, State Mission Study Chairman, leading. An Associational-wide study of "The Guide for Community Missions" was held at West Albemarle Church with large attendance. Gifts to all objects have exceeded all previous years.

Because of circumstances your superintendent has not been able to visit as heretofore; but by telephone, correspondence, and through local and Associational chairmen, the work has gone on, and the situation is encouraging as we look forward to greater things for Stanly W. M. U.

Statistical Report: Letters written, 139; Cards written, 278; Meetings held, 4; Miles traveled, 397; Societies organized 2, (W.M.S.).

Respectfully submitted,
MRS. T. S. CRUTCHFIELD.

Following Mrs. Crutchfield's report, a rising vote of appreciation was accorded her and a shoulder corsage presented upon this, her termination of office as superintendent of Stanly W. M. U. over a period of many years. The Association regretfully accepted her resignation.

Following the singing of the hymn, "Ready", Mrs. John Wacaster of Cherryville brought a very timely message on the topic, "Take the Task He Gives You Gladly", listing the tasks of W. M. U. women to be: to live, to serve, to give, to go, to pray, and to love.

"The Holy City" was beautifully sung by Mrs. B. L. Baker of North Albemarle.

Miss Florence Lide, 30 years a missionary to China, brought the inspirational message of the morning, stressing the missionary aim was a light in every heart in China, and vividly picturing conditions there today.

A love offering of $62.54 was received, $50.00 of which was sent to the Foreign Mission Board for World Relief.

Rev. E. J. Huneycutt, pastor, extended an invitation to lunch and then pronounced the benediction, bringing to a close the morning session.

A bountiful lunch was served picnic style by the hostess church.

The afternoon session convened and continued the theme for the day, "Jesus Calls Us" and was devoted to the young people with Mrs. L. W. Fields presiding.

The hymn, "Lead On, O King Eternal", was followed by the devotion led by Miss Brythe Brattain from Bethel. The songs of the Y. P.'s organizations were used as special features. Mrs. Crutchfield led the prayer.

Mrs. Fields as Young People's Leader, gave her report in an interesting manner, using young people and leaders for the following special features:

Testimonies by Rev. C. R. Hinton, "The Boy and Missions"; Miss Edith Mauldin, "I Like Two Meetings a Month"; and Mrs. N. A. Hayes, "Fostering Our Opportunity".

Miss Harvertrude Snuggs of North Albemarle presented the "Forty Years of Following" by the Y. W. A., the Ruby Anniversary of that organization, tracing the growth of the 5,000 Y. W. A.'s of the South of which 547 are in North Carolina.

Mrs. W. J. Bradley presented the W. M. U. Training School in a very impressive playlet, showing its growth from 1907-1947. The request was made that the societies remembered N. C. Training School girls at commencement time, and the motion was made and carried that the churches adopt these students. Special music, "God's Tomorrow", closed the report.

Reports of committees were given.

Time-and-Place Committee stated that the 1948 Associational Meeting would be at Oak Grove at the time designated by headquarters.

Nominations Committee reported that the superintendent's place was left unfilled. The executive council, Mrs. Bradley, chairman, was requested to fill this vacancy. The following officers were elected:

CONSTITUTION

Of The Stanly Baptist Association

Article 1. This body shall be known as the Stanly Baptist Association.

Article 2. It shall be composed of white messengers, elected by the churches connected with this body and ordained ministers who are members of or laboring in connection with said churches. Each church shall be allowed three messengers for the first two hundred members or fraction thereof, and one for each additional fifty members. No courtesy seat shall be extended to any person, or persons, other than such messengers as are herein provided.

Article 3. The object shall be to devise and recommend measures for increasing the harmony, the intelligence, and the spiritual power of the churches, and for developing and directing their energies, their resources and their gifts and advancing the Redeemer's Kingdom in the earth.

Article 4. The Association shall have no power to infringe upon the sovereignty or the rights of the churches. It is neither an ecclesiastical legislature nor council nor court of appeal. It may advise the churches and recommend measures for usefulness for their adoption, but cannot bind them in any way. Yet, in view of the combined wisdom, piety, and intelligence of the body, it may justly claim for itself, for its objects, and for its recommendations, the very highest consideration and regard.

Article 5. The Association may dissolve connection with any church that becomes unorthodox in doctrine or disorderly in practice, fails to represent itself, either by delegates or letter more than two successive sessions without sufficient reason; or treats with contempt its objects and requirements; or upon application of a church for its dismission.

Article 6. Each individual church shall hold and exercise all the right to advise, when desired, in case of difficulty, and to suggest plans of usefulness to be adopted. If at any time, the Association shall assume an unwarranted power over the churches, they shall have the right to dissolve their connection with this body.

Article 7. It shall be the duty of the churches to appoint as messengers as far as practicable, their most capable members, to require their attendance, and to send with them a contribution to the Association fund, to pay for the printing of the Minutes and other necessary expenses.

Article 8. It shall be the duty of each church to send an annual letter to the Association, giving: 1. Locality; 2. The names of its pastor and clerk, and their respective post offices; 3. The Sabbaths of regular service! 4. The church statistics, including the number baptized, received by letter, restored, dismissed, deceased, expelled, and aggregate membership, male and fmale; 5. Sabbath school statistics;

6. Amount contributed to the benevolent objects, and the Association fund; 7. Names of the messengers and alternates; 8. Any other information deemed of special importance.

Article 9. The officers of the Association shall be a Moderator, a vice-Moderator, Historian, Clerk and Treasurer, who shall be elected at each annual session, after the names of the messengers have been enrolled; and shall take their office at the close of the persent annual session, and continue until the close of the next Annual Associational Session.

Article 10. It shall be the duty of the Moderator to open the meeting punctually at the time appointed; to enforce rules; to preserve order, and to exercise all the prerogatives of a presiding officer, according to the principles established by parliamentary usage.

Article 11. It shall be the duty of the Vice-Moderator to discharge the duty of the Moderator in his absence.

Article 12. It shall be the duty of the Clerk to keep a faithful record of the proceedings of the body, and superintend the printing and distribution of the same, and to keep on file the printed Minutes and other important documents belonging to the body. He may appoint an assistant when necessary.

Article 13. It shall be the duty of the Treasurer to receive and disburse the money contributed to the Association fund, as directed by the body, and to make an annual report of the same.

Article 14. The Constitution may be altered at any annual session of the body by the votes of two-thirds of the members present.

Standing Resolutions

RESOLVED:

1. That this Association will not have fellowship with any church that knowingly retains a member that drinks intoxicating liquors as a beverage.

2. That any group of Baptists in the bounds of our Association desiring to be organized into a Missionary Baptist Church seek the advice and help of the Executive Committee in their organization and in the location of their building.

3. That we have two sessions of our Association yearly:

(1) The first session of the Association on Thursday and Friday after the fourth Sunday in October for reports, discussions, and for business matters.

(2) The second session early in the spring, the Executive Committee setting the date each year and getting up the programs for information, inspiration and fellowship. This is a one-day session.

4. ThTat the treasurers of our churches be requested to send all moneys for:

(1) Co-Operative Program, State Missions, Home Missions, Foreign Missions, and our Baptist Hospital to Mr. M. A. Huggins, Recording Building, Raleigh, N. C.

(2) That all money for our Baptist Orphanage be sent to Mr. J. D. Fraley, Thomasville, N. C.

(3) But all minute funds to Mr. U. S. Burleyson, Albemarle, North Carolina.

5. That all the clerks of our various churches be urgently requested to fill our every blank of their church letter to the Association, and mail it to the clerk of the Association, Rev. Leo Hawkins, Norwood, N. C.; three weeks before our Association meets.

6. That each writer of a report for the Association be requested to limit his report to 500 words, and, if possible, type the report, double spacing it.

REPORT OF WINGATE JUNIOR COLLEGE

Wingate Jr. College has enrolled 328 students this year. Sixteen of this number comes from the Stanly Association. There are 35 ministerial students and 15 volunteers for full time Christian Service enrolled this year.

We have seen what happened to Germany, Japan, France, Russia, and many other nations of the world when Christian Education had been abolished. We must either prepare to train our boys and girls in our Baptist schools or suffer them to be trained in state institutions or receive no training at all.

Last year only 10 churches from our Association contributed to the building program of Wingate, and these 10 only contributed $448.92. Surely if we believe in Christian Education our Association should do better during the coming year.

Respectfully submitted,

ALFRED E. STALEY.

RELIEF AND ANNUITY REPORT

The Relief and Annuity Board of the Southern Baptist Convention is in its thirty-first year, having secured its charter July 31, 1918. A study of the Board's report causes us to marvel at the accomplishments of these three decades, and say most reverently, "The Lord hath done great things for us, whereof we are glad."

The work of the Board is two-fold—Relief and Annuity.

1. The Annuity or Retirement Department.

The Board has issued a grand total of 21,824 certificates. Over 13,000 churches, together with boards, institutions, and agencies are participating in this task of building a strong denominational House of Security, offering in this task of building a strong denomi-

national House of Security, offering shelter to all denominational servants. During 1947 the total paid out to the 1,951 beneficiaries of the various retirement plans went beyond $962,000. The Board has numerous plans, designed to meet the needs of every individual in the Convention who holds a salaried relationship to the denomination. No longer is it necessary for us to look elsewhere for some such social security protection as the federal government is offering. This Board is offering more protection for our denominational employees than can be found elsewhere for the same investment.

2. The Relief Department.

The demands upon the relief department for the year of 1947 were heavier than in any past year. Scores of requests for increases were received. Old preachers and widows who had never asked for assistance, and who had thought that they would never need it, have found their meager incomes insufficient to provide the necessities of life and have sought help from this department. During 1947 the 1,336 beneficiaries of this department received $220,956.87. Each beneficiary received approximately $165.

These founders of our denomination would be helped in a material way, and our churches would be blessed spiritually, if annually we would take a fellowship offering for the relief department of our Board.

Respectfully submitted,

W. J. BRADLEY.

REPORT ON CHRISTIAN LITERATURE

Article Three of the Constitution of the Stanly Baptist Association, "The object shall be to devise and recommend measures for increasing the harmony, the intelligence, and the spiritual power of the churches, and for developing and directing their energies, their resources and their gifts and advancing the Redeemer's Kingdom in the earth" seem to furnish ample basis within our own rights for Christian Literature as an aid in developing Christian character.

Item 45 in the minutes of the 63rd Annual Session of the Stanly Baptist Association provides for the selection by each church of a Christian Literature Committee to work with the Associational Worker.

In God's own inspired word we find these passages: II Tim. 2:15, "Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth." And I Thes. 4:11-12, "And that ye study to be quiet, and to do your own business, and to work with your own hands, as we have commanded you; that ye may walk honestly towards them that are without, and that ye may have lack of nothing", which seem to command our attitudes and actions with reference to Christian Literature.

Some agencies responsible for providing ample Christian Literature are:

1. Baptist Sunday School Board of the Southern Baptist Convention, Nashville, Tennessee.

a. BIBLE—The Book of all nations.

b. Sunday School Literature—Graded and International.

c. Training Union Literature.

d. Illustrated weekly story papers.

e. A quarterly devotional magazine.

f. Religious books.
g. Study courses.
h. Tracts.

2. Baptist State Convention of North Carolina, Raleigh.
a. The Biblical Recorder.

3. Mills Home—Thomasville, N. C.
a. Charity and Children.

Some mediums through which Christian Literature is channelled to churches and individuals, are:

1. State Baptist Book Store, Raleigh.

2. Associational Baptist Book Store, Charlotte.

3. Ridgecrest Baptist Book Store—Ridgecrest.

4. Church Libraries—which we endorse and recommend for every church irrespective of size or location.

High on the list of potentialities of human nature must be placed the capacity for abstract thought. From the earliest times man has demanded explanations. An unsatiable hunger for knowledge has driven him to keener and keener refinements of truth. He cannot be satisfied merely with th enjoyment of the beauties of nature, nor with the startling glories of art, nor yet with the stirring uplift of music. He craves understanding and gives voice to interpretations.

Admittedly the source and foundation of Christianity is not found in a book, however true and sacred, but in a living person, therefore one of the basic aims of Christian Literature is to give whatever help possible to the individual Christians and to groups in their quest for more abundant living in Christ Jesus.

Respectfully submitted,

EDWARD D. HOLBERT.

REPORT ON STATE MISSIONS

When our Lord had finished his earthly work he said to his Disciples, "Ye shall be witnesses unto me both in Jerusalem and in all Judea".

Baptists constitute one-half of all the church membership in North Carolina, but the fact remains that in a State often called Christian, there are more people who do not belong to any church than are now members. This is a great challenge for the Baptists of North Carolina. It is therefore, a great opportunity to train and develop the members we now have to win the lost to Christ. State Missions is merely the agency of the churches to win the lost people of North Carolina to Christ and to his program.

Our State Mission Board set the goal for State Missions this year at $200,000.00. This is a great increase over last year. Why this big increase? There is but one answer. We are expanding. We are growing. When we break this amount down to 2,800 Baptist Churches and 600,000 members, it looks small to the writer of this report.

I wish to plead with the Baptists of Stanly County, North Carolina not only to reach the goal but to go beyond it.

Respectfully submitted,

W. B. HOLMES.

REPORT ON HOME MISSIONS

The ever increasing opportunities for mission service in our homeland present a challenge to every Baptist.

Let us take a look at some of the fields that are already white unto harvest. In the Southern Appalachian Mountains, embracing 178 counties, there is a population of about 5,700,000. The Ozarks have a population of 2,000,000. Only a small percent of these people are Christians because they do not have an opportunity to hear the Gospel. A few years ago a census was taken in the state of California and it was found that only 28 percent of the population were members of a church. In Arizona and New Mexico only a great need but a great opportunity to work in God's vineyard.

In the field of migrants farmers it is estimated that five million people are continually on the move from one job to another. Most of these people never line up with any church because they don't stay long enough in one place. Only about 5 per cent of these people are Christians. Our Home Mission Board is trying to reach these people and must have our cooperation and help. Let us stand behind it not only with our means, but also with our prayers.

Respectfully submitted,

F. H. HOPKINS.

REPORT ON FOREIGN MISSIONS

Our Foreign Mission Board has 119 mission centers in 25 of the 63 nations of the world. There are 669 missionaries at work in these stations in Latin America, West Africa, the Near East, China, Japan, and the Hawaiian Islands. Last year the income of the board for the support of mission work was $2,277,000 from the Co-operative Program, $1,064,104 from designated funds, and $1,393,183 from the Lottie Moon Offering, making a total of $4,734,288.

This is the most Southern Baptists have ever done in their foreign mission program. Yet, for every Christian in the world there are three pagans. To 450 million people in China we have only twenty-eight mission centers; to seventy million Japanese we have only six centers; in Brazil, which is larger than the United States, we have only twenty-seven centers; only five in Europe; eighteen in Africa; five in the Near East; five in the Hawaiian Islands; and twenty-five others in all South and Central America except Brazil. We have only one foreign missionary for approximately every 10,000 church members, while the Presbyterians send one for approximately every 1,600 members. Our average contribution per church member each year to foreign mission is $.60. Such a program is not adequate for the needs of the world, is not worthy of the name "Missionary", and does not honor our Lord. The Foreign Mission Board is calling for 1,071 more missionaries, to bring the total to 1,740, and a budget of $10,000,000 a year.

How can these needs be met? First, from the negative point of view, the answer is not to be found in any plan which takes money from some other agency, such as the Home Mission Board. This is like robbing Peter to pay Paul. Neither will the solution be in spending less in the churches at home. Most churches need what they spend at home, and more. The only answer lies in increased stewardship on the part of our people. When we become true stewards according to God's plan, there will be enough for all. From the positive point of view, therefore, every Baptist should be at least a tither. Our average gifts for all religious causes is now only about one-third of a tithe of our income. If we would develop

our stewardship our churches would have enough income to care for local expenses and have as much left for the Co-operative Program of the State Convention. The State Convention would then be able to divide its receipts 50-50 with the Southwide objects. The Southern Convention could then spend as much for foreign missions as for all objects in the home-land. Therefore, we have the two slogans, "Every Baptist A Tither", and "Fifty-Fifty by 1950. The two go together. If Southern Baptists had tithed in 1947, and the money had been divided according to the above plan, the Foreign Mission Board would have received 76 million dollars for missions. According to God's plan, this would be a minimum. How far short we as Southern Baptists are falling! Let us quit playing at the job of being missionary. Let us quit tipping God instead of tithing. Let us "go into all the world ind preach the gospel to every creature".

Respectfully submitted,

W. J. RUSSELL.

WOMAN'S MISSIONARY SOCIETY REPORT

"Laborers together with God!" I Cor. 3:9. These are the first words in the Permanent Watchword of W. M. U. These two words tell in a large measure the story of 60 years of W. M. U. history. In 1888 the women of the southland organized that they might work together in the futherance of the Gospel and together they labored for 60 years. From the beginning of its history, W. M. U. has been together with the Denomination, not something separate but a part of the Southern Baptist Convention, participating in all its work.

The work in Stanly Association is encouraging. We now have 24 W. M. S.; 15 Y. W. A.'s; 23 G. A.'s; 14 R. A.'s; 14 Sunbeam Bands. Eight churches have full graded unions. The following Missionary societies were A-I: Grace, Norwood, Oakboro, and West. So far this year we have two new W. M. S.'s, two G. A.'s and one Y. W A. There are sixteen churches that do not have Missionary Societies. It is hoped that during the next year a missionary society and the Junior organizations may be in every church in the Association.

Respectfully submitted,

MRS. J. A. SEYMOUR.

BAPTIST TRAINING UNION REPORT

"And He said to them all, If any man will come after me, let him deny himself, and take up his cross daily, and follow me." (Luke 9-23). Here he presented a challenge to all Christians today. A challenge that will help us to follow Him daily in all the ways of life, and if we are to follow: we must teach and train in order to have leadership. So once again we ask the support of all Christians in this great organization; the Baptist Training Union that we may add much to the development of Christian leaders.

We are thankful to God for what He has done for us in the past. so let us try to do more for Him in the future; by this organized program of prayer, mission study, and stewardship.

Our Training Union in the Association, suffered several weeks of restriction when our young people were not permitted to attend church, and attend the Baptist Training Union; and so were unable to carry on any program of enlisting others.

Our present church membership is 8,549 and the total enrollment in the Training Union is 497. Will we hear the plea as Christians in this great Training Organization.

As we enter this new year (1949) we face open doors and many opportunities. The question is: "Are we willing to pay the price necessary to enter"? We are grateful for past achievements, but we'll never be satisfied until every church has a well-rounded Training Union. Surely we shall go forth in the invitation of Jesus to "Follow Me", and yield ourselves to His will.

Respectfully submitted,

W. E. DENNIS.

SUNDAY SCHOOL REPORT

In the beginning of this year we launched a great program for Stanly Baptist Sunday Schools. Our Association was well represented at the Association Worker's Conference in January. With the cooperation of our Association worker we succeeded in enlisting eight teams of workers to present the Sunday School program to

every church. Our efforts were limited only by bad weather and impassable roads. Nevertheless we reached a considerable number of churches.

The Lord has blessed our interest and our efforts in Sunday School work. While we have no report from each Sunday School there is definite evidence that substantial increase has been gained. Once again we suffered restrictions due to Poliomelytis over which we had no immediate control. Yet our average attendance save for July, August, and part of September is better. For this the Lord be praised.

In May we had a good Vacation Bible School Clinic at Canton Baptist Church. This was indeed a progressive work in which 30 churches were scheduled to have Bible Schools. Workers were provided, plans were completed and all seemed safe for 30 schools. Only the above mentioned Polio restriction hindered this greatest program Stanly Baptists have ever undertaken for our children. May the Lor dspare our children of Stanly County and of North Carolina from disease and may we aults give of our best personally and cooperatively to win them to Christ!

"Spare not, lengthen thy cords; and strengthen thy stakes", Isa. 54:2, is the theme for our 1949 program. Present plans call for going into each church Nov. 29 to Dec. 10 endeavoring to plan the greatest Sunday School program we have ever undertaken for Stanly Baptist in Jesus' name. Will you not be praying for us and for each person enlisted to help in this cause for Christ?

Respectfully submitted,

L. W. FIELDS.

REPORT OF STANLY BAPTIST MISSION FUND NOVEMBER 1947 - OCTOBER, 1948

Total Receipts (Including Supplement from State Mission Fund)	$3,243.20
Total Expenditures	$2,467.64

REPORT OF THE HISTORIAN

The sixty-fourth annual session of the Stanly Baptist Association met with Prospect and Fairview Baptist churches on Thursday and Friday after the fourth Sunday in October 1948.

Prospect Baptist Church, located about three miles from Albemarle, a short distance off the Salisbury highway, was constituted in 1866, following services held by Rev. B. H. Carter in a log schoolhouse near the sight of the present church.

The first building, 1886-1900, was a one-room frame structure forty by seventy-five feet. A large frame structure with a front and a side entrance, and with four Sunday School rooms was dedicated in 1910. This building was remodeled and Sunday School rooms were added in 1937. The present building was constructed in 1947, at the approximate cost of $45,000, following the burning of the old frame building.

The church was a member of the Rocky River Association as early as 1872; of Pee Dee Association from 1881-1886; of the Mecklenburg-Cabarrus Association 1886-1894; was received into the Stanly Association in 1894.

According to the early records Rev. B. H. Carter was the first

pastor, and he served from 1866-1895. Other pastors were J. F. Hodge, Haywood Morris, John R. Miller, W. E. Watkins, J. E. M. Davenport, and C. J. Black.

The church has reported a Sunday School since 1895. Church membership in 1871 was 64; the present membership is 189. The church today has a well organized Sunday School with an enrollment of 193 members, three W. M. U. organizations, mid-week prayer meetings, and preaching services every Sunday.

This church has a great work to do in holding up the doctrines of the New Testament and in carrying out the great commandments of Christ.

Respectfully submitted,

MISS NORA EDDINS.

Fairview Baptist Church, located in East Albemarle, was constituted on the fourth Sunday in June 1937. The Church is an outgrowth of a Sunday School organized on October 20, 1935 in Bell' sGarage, as an East Albemarle mission by the First Church in Albemarle. The church was received into the Stanly Association in 1937. Services were held in Bell's Garage until the present building was nearly completed.

The growth of this church is shown by the following statistics: Church membership in 1937 was 15; in 1938, 71; in 1947, 158. The church has preaching services every Sunday, mid-week prayer meetings, and six other organizations with an enrollment of 112 members. The first resident pastor was Rev. T. S. Crutchfield; the present pastor is Alfred E. Staley.

This church has a great mission in this community, and with the present conditions of society it has a great work to do.

Respectfully submitted,

MISS NORA EDDINS.

CONSTITUTION

Of The Stanly Baptist Association

Article 1. This body shall be known as the Stanly Baptist Association.

Article 2. It shall be composed of white messengers, elected by the churches connected with this body and ordained ministers who are members of or laboring in connection with said churches. Each church shall be allowed three messengers for the first two hundred members or fraction thereof, and one for each additional fifty members. No courtesy seat shall be extended to any person, or persons, other than such messengers as are herein provided.

Article 3. The object shall be to devise and recommend measures for increasing the harmony, the intelligence, and the spiritual power of the churches, and for developing and directing their energies, their resources and their gifts and advancing the Redeemer's Kingdom in the earth.

Article 4. The Association shall have no power to infringe upon the sovereignty or the rights of the churches. It is neither an ecclesiastical legislature nor council nor court of appeal. It may advise the churches and recommend measures for usefulness for their adoption, but cannot bind them in any way. Yet, in view of the combined wisdom, piety, and intelligence of the body, it may justly claim for itself, for its objects, and for its recommendations, the very highest consideration and regard.

Article 5. The Association may dissolve connection with any church that becomes unorthodox in doctrine or disorderly in practice, fails to represent itself, either by delegates or letter more than two successive sessions without sufficient reason; or treats with contempt its objects and requirements; or upon application of a church for its dismission.

Article 6. Each individual church shall hold and exercise all the right to advise, when desired, in case of difficulty, and to suggest plans of usefulness to be adopted. If at any time, the Association shall assume an unwarranted power over the churches, they shall have the right to dissolve their connection with this body.

Article 7. It shall be the duty of the churches to appoint as messengers as far as practicable, their most capable members, to require their attendance, and to send with them a contribution to the Association fund, to pay for the printing of the Minutes and other necessary expenses.

Article 8. It shall be the duty of each church to send an annual letter to the Association, giving: 1. Locality; 2. The names of its pastor and clerk, and their respective post offices; 3. The Sabbaths of regular service! 4. The church statistics, including the number baptized, received by letter, restored, dismissed, deceased, expelled, and aggregate membership, male and female; 5. Sabbath school statis-

tics; 6. Amount contributed to the benevolent objects, and the Association fund; 7. Names of the messengers and alternates; 8. Any other information deemed of special importance.

Article 9. The officers of the Association shall be a Moderator, a vice-Moderator, Historian, Clerk and Treasurer, who shall be elected at each annual session, after the names of the messengers have been enrolled; and shall take their office at the close of the present annual session, and continue until the close of the next Annual Associational Session.

Article 10. It shall be the duty of the Moderator to open the meeting punctually at the time appointed; to enforce rules; to preserve order, and to exercise all the prerogatives of a presiding officer, according to the principles established by parliamentary usage.

Article 11. It shall be the duty of the Vice-Moderator to discharge the duty of the Moderator in his absence.

Article 12. It shall be the duty of the Clerk to keep a faithful record of the proceedings of the body, and superintend the printing and distribution of the same, and to keep on file the printed Minutes and other important documents belonging to the body. He may appoint an assistant when necessary.

Article 13. It shall be the duty of the Treasurer to receive and disburse the money contributed to the Association fund, as directed by the body, and to make an annual report of the same.

Article 14. The Constitution may be altered at any annual session of the body by the votes of two-thirds of the members present.

REPORT OF NORTH CAROLINA BAPTIST HOSPITAL 1949

Teaching and healing, two of the principal precepts of Christ's ministry, are the main objectives of your Baptist Hospital, which, together with the Bowman Gray School of Medicine of Wake Forest College, forms the only Baptist-owned hospital and medical school combined in the world today.

Underlying these objectives is the Christian responsibility of caring for the poor by giving them the medical service they require and by ministering to the sick throughout the State.

Funds received each year in our Mother's Day offerings are used to pay the hospital expenses of those patients who can pay only a part of the cost of their hospitalization or nothing at all. Receipts from the churches in Mother's Day offerings in 1948 totaled $141,150.51. This included the value of linens contributed through Woman's Missionary Union and estimated at $2,115.09 last year. Approximately half of the 8,800 bed patients admitted to the hospital in 1948 and all those seen in the 36,000 visits made to the outpatient clinics paid no doctor's fee and were assisted by the Mother's Day offering.

Your hospital provided more free service in 1948 than any other denominationally controlled hospital in the South. Free service amounting to $314,777.17 which was dispensed to patients in the hospital and the out-patient clinics, was made possible by individual contributions, welfare agencies, the Duke Endowment, but mainly through the Mother's Day offering.

The Hospital is the property of North Carolina Baptists and is the concrete expression of their desire to minister to the whole person. A patient's need for pastoral care is increased, rather than lessened, by his physical sickness. To meet this need, the hospital has established a full Department of Religion with a director, a chaplain and a student secretary. Their duties consist of pastoral care of patients, the promotion of a religious program for nurses and medical students, including the teaching of Bible in the School of Nursing, the conducting of a program of Clinical Pastoral Training for pastors and theological students, and ministering to the patients and their families.

The chaplain is on call 24 hours a day at the hospital.

The Department of Religion is a bridge between the hospital and the parent denomination and as such it helps to keep the hospital close to the motives of Christian service on which it was founded.

We earnestly commend the work of our Baptist Hospital to the loyal support of the churches of our Associations. If any of the churches have not yet made a special offering to help the hospital care for sick persons who cannot bear the cost themselves, we urge them to set a day and take such an offering at an early date. Any church can at any time add to the offering it has already made. Every dollar we send is used to help care for the sick who are not able to pay their own way.

Respectfully submitted,

J. A. SEYMOUR.

REPORT ON WINGATE COLLEGE

When the North Carolina Baptist Convention was organized in 1830, it had a two-fold purpose, CHRISTIAN EDUCATION and MISSIONARY ENDEAVOUR. In accord with this purpose Wake Forest Institute, now Wake Forest College, was founded in 1834. For 115 years this institution has trained young men for Christian citizenship and Kingdom work. In the course of the years other institutions have risen to join hands with Wake Forest. In 1846 Chowan College for the girls was chartered, opened, served stopped, and re-opened again this year. In 1856 Mars Hill opened its doors to boys and girls. Buies Creek, now Campbell College started in 1887. In 1896 Wingate was organized and later became a junior college. Meredith in 1899 opened for the education of young men and women. Boiling Springs, now Gardner Webb, joined the group as a part of the North Carolina system and during these years all these institutions have rendered a real service to Christian Education.

The Baptist State Convention is giving financial aid to all these now except Chowan which may show its right to participate in the Baptist funds. Never has there been a greater need than now for Christian Education. The work of the Kingdom demands

trained men and women as never before. The problems that confront our country call for Christian leadership. Our Christian schools must furnish the greater part of these leaders and workers.

There are two things we must do concerning our Christian schools. First, we must insist that they be CHRISTIAN, creating a Christian atmosphere, holding up Christian ideals, and doing definite Christian service. There is no place for schools that are only nominally Christian. Second, we must give them better financial support. They cannot continue to exist and to serve under present conditions. Wingate College belongs to you in a peculiar sense. Each church in this association should put the College in its budget and make regular contributions to its support. If your church is not doing this now, start at once and keep it up. Help Wingate train leaders for our churches. Of course you will contribute to the co-operative program. From this fund we receive aid in our current expenses on a percentage basis. But your contributions directly to the college will be used in its entirety for permanent improvements. Send your gifts directly to Wingate.

A. C. LOVELACE, for the Committee.

REPORT OF W. M. S.

"To make known to the sons of men his mighty acts and the glory of the majesty of his kingdom." Psalm 145:12. In a day like this and in a world like our world, we need to remind ourselves and others of the mighty works of the God we serve, we must make known his mighty acts in creation. Every Baptist will become a tither as every Baptist remembers that in the beginning God created the heaven and the earth. If we are to make him known in Stanly Association we must preach and teach missions.

Stanly was one of the three associations in North Carolina reaching all the points on the standard in 1948. We look back on the past with profound gratitude in our hearts for the many evidences of the leadership of our Heavenly Father. Let us not be satisfied until every Baptist Church in the Association has a full graded W. M. U.

At present we have 28 W. M. S.'s; 17 Y. W. A.'s; 27 G. A.'s; 15 R. A.'s; 18 Sunbeams, with 832 W. M. S. members and 827 young people. Last year we gave through the Co-operative Program, $8,821.63. There are still twelve churches without any W. M. U. organizations.

Respectfully submitted,

MRS. J. A. SEYMOUR.

REPORT ON EVANGELISM

"No church, however perfected its ceremonies and sacraments, ever enabled a guilty sinner to escape the judgment. We are human instruments which we need, but the first and last word in the experience of salvation must be spoken by the Holy Spirit." Thus writes Dr. Gaines S. Dobbins in his new book, "Evangelism According to Christ". Dr. Dobbins lays particular stress upon the Gospel of John as the most effective guide to disciple winning ever written. Says he, "Any minister who has preached through the Gospel of John in a revival knows how admirably it is suited to evangelistic purposes."

In April, 1950, two and one-half million Baptists will be engaged in one of the most gigantic evangelistic efforts ever attempted. Led by Dr. C. E. Matthews, superintendent of evangelism for the S.

B. C. Home Mission Board, eleven states west of the Mississippi and Alaska, composed of 380 associations and 8554 churches, will go all out in a simultaneous crusade to win the lost to Christ. Dr. Matthews says, "I have victory in my heart and have had from the very beginning". It will be a great hour for Baptists and for God.

In 1951 Dr. Matthews will lead all the states east of the Mississippi in another all-out crusade for Christ. We can hardly wait for that glorious hour. In the meantime, let us respond to the energetic leadership of our own state superintendent of evangelism, Dr. J. C. Canipe, and keep the home fires burning in preparation for that hour. Let every church in Stanly Association in 1950 have at least one well-planned, Spirit-stirring evangelistic meeting in which God is glorified and souls are saved. Let us take Stanly County for Christ!

REPORT OUR MINISTERS RETIREMENT PLAN

Our Ministers Retirement Plan began in 1940. We now have about 580 members, but there ought to be 1500. Since that time the ministers who are members, the churches they have served, and the Convention have laid aside for future use more than $800,000. That money is drawing interest and will be used for paying annuities to ministers who retire ten to twenty years from now.

Already we have 58 ministers who have retired and are receiving annuities ranging from a small amount each month to the maximum of $90.00. There are also 11 widows receiving annuities.

Then there is the Widow's Supplemental Annuity Plan, which provides protection for the wives in the event the member should die before reaching retirement age. There has been placed in this fund by the members and the Convention more than $50,000, and already some widows are benefitting.

Remember we have about 580 members, but there ought to be 1500.

Pastors pay 4% of their salaries; churches pay 4%, and then the Convention adds to this. For the widow's Supplement the member pays 1½% and the Convention matches it; the church does not have any part in this because it is **protection** during the period before retirement age is reached. Pastors should make every effort to join the Retirement Plan. There is nothing else that can compare with it in the way of providing some income for old age.

Let it be understood that the relief fund of the Relief and Annuity Board simply provides a small amount—I believe never more than $12 a month—for those who need it, provided the Board has it. This relief fund should be used solely for ministers who were well advanced in age when the Retirement Plan was inaugurated, and who could not enter the Retirement Plan.

Any minister who would like to have an assured income out younder in the future would do well to become a member of this plan.

O. H. BOLCH.

REPORT OF THE SUNDAY SCHOOL

During this year our Associational Sunday School Superintendent, L. W. Fields, moved to another Association, leaving us without definite assistance for this phase of our work. In August your executive committee asked me to take on this responsibility, which I agreed to do, for the balance of the year.

All efforts to get a statement from Brother Fields, regarding happenings before he left have proven futile, hence I can only report to you that we had our 1950 Planning Meeting at First Baptist Church, Albemarle, on Tuesday evening, October 4th at 7:30 P. M. Rev. J. Roy Clifford of the First Church, Lexington, N. C., represented the Sunday School Division of the N. C. State Baptist Convention and using the theme, "Take Your Family to Sunday School", presented a forceful challenge to the thirty-seven delegates from the fourteen churches represented. You of course realize that this represents only about a third of the churches in our Association.

There is definitely a need for enlistment, training and supervising Sunday School and Vacation Bible School workers throughout our Association, in order that we may create the spirit, display optimism, fight indifference, overcome obstacles and inspire our associates to aggressive leadership in raising standards, setting goals and winning souls for Christ.

The goal for 1950 in the Southern Baptist Convention is to get 500,000 more individuals into Baptist Sunday Schools. North Carolina Baptists have never been able to boast of many more than number in Sunday School. What is the challenge for Stanly Association? What is the challenge for your church?

Enlargement comes before Bible teaching and we know that reaching people for Bible study is practical, legitimate and desirable.

Respectfully submitted,

EDWARD D. HOLBERT.

THE REPORT ON BAPTIST LITERATURE

"My people perish for the lack of knowledge." Hosea 4:6.

These words from God to his prophet Hosea should if read, answer the pressing question and present problem in all our Baptist churches. God's people in that day could have been forgiven because information was not available as it is today, but Baptist people are without excuse. In that day it was a matter of self preservation while with us it is a matter of universal preservation according to Jesus. It is now acknowledged and we have been informed by world's leading minds that God's people hold within the power of their spiritual influence the destiny of humanity and civilization as we know it. Seeing that any attempt now to save ourselves means the salvation of the whole world shall we perish with the world for the lack of knowledge? If we deliberately refuse to be informed or willfully withhold or refuse to pass on to others both at home and abroad the knowledge we have of salvation as we know it in Christ then we bring down judgment upon our own heads. If we as Baptists perish, then we perish, but not for the lack of available knowledge. Never before has any Christian body had placed at its finger tips and at the lowest possible cost a greater selection of publications on every phase of Christian service from the cradle to the ends of the earth than have our Baptist people.

The Southern Baptist Convention offers through its Foreign Mission Board the COMMISSION. Through its Home Mission Board the HOME MISSION. And as a coverage of Conventional events THE QUARTERLY REVIEW. The Woman's Missionary Union offers every publication needed in that work from the Sunbeams to the ROYAL SERVICE for its women. These publications touch every missionary and every Baptist Mission outpost in the world. Every Baptist Institution has its publication which keeps its people informed about current events. Every State Convention has its Convention publication and magazines. The Southern Baptist Convention through its Sunday School Board publishes and offers to nearly thirty thousand Baptist Sunday Schools the best teaching literature on earth today. In North Carolina our State Convention offers the finest publication of its kind in the whole Southern Baptist Convention, none surpass it. THE BIBLICAL RECORDER is so urgently offered with information so badly needed in our churches until special rates to clubs and churches have been arranged to make it possible. Then we could not conclude this parade of splendid Baptist publications without setting forth the heart throb of North Carolina Baptist, THE CHARITY AND CHILDREN as published by the boys and girls of our Orphanages.

With all this available information there is only one answer to the lack of knowledge among Baptists and Jesus gives the answer: "Men loved darkness rather than light because their deeds were evil."

Respectfully submitted,

J. TILLMAN LAKE.

BAPTIST TRAINING UNION REPORT

Have we measured up to Christ's requirements of faithfulness to teach? "Moreover it is required in stewards, that a man be found faithful." (1 Cor. 4:2) The reward is for the good and faithful servant, and this reward each one of us can claim as we make use of every opportunity to go forth for our Baptist Training Union.

The Baptist Training Union is interested in carrying out the teaching of our Lord, and by that many of our churches have been strengthened in Christian Knowledge.

We are face to face as never before with the choice of making this a better world to live in, so let us go forward, for God is with us. As we proceed in this new year, may we give unlimited support to our Baptist Training Union and the associational workers.

We urge every pastor and church to enter this great plan of training for God.

Will you pray with us, and for each person enlisted to help in this cause for Christ?

Respectfully submitted,

W. E. DENNIS.

REPORT ON MISSIONS AT HOME AND ABROAD

The primary purpose of Home Missions is to make Christian disciples. Out of an estimated population of 138,100,874 in the United States in 1945, there were 72,492,669 who were members of some religious group, Catholic, Protestant, or Jewish. This left over 65,000,000 who claim no religious affiliation whatever. These 65,000,000 persons represent the unfinished task of evangelism in America. The task of evangelizing the unchurched millions is

therefore primarily an evangelistic task for the churches. America must be Christian if she is to play her part worthily in a world in crisis. Home Missions must cross Geographical barriers and Racial barriers, and in crossing, begin to break them down in order that all of God's people in this fair land of ours may have a part in keeping their date with destiny!

We are told that one person out of two in the United States is a Christian, in India the ratio is one to 324, in Japan it is one to 331, and in China, one to 789. The general average in all foreign mission fields is one Christian out of 228 persons. These Christians of these lands are conscious of their weakness as small minorities in great non-Christian lands. They beg us to send men to help them give a pure gospel to the people of their land.

In a sense at least Foreign Missions wait on Home Missions, and the two must proceed together. We must save the world to save America, because only the regenerating power of the Christian gospel can change hate to love, greed to goodness, and make all men brothers. Home missions and foreign missions merge into one great task. "The field is the world." "The seed is the Word." "Ye shall be witnesses unto me both in Jerusalem, and in all Judea, and in Samaria, and unto the uttermost part of the earth."

Christ died for us! Christ died for all men. And as long as there are men and women, boys and girls, who are strangers to the Gospel, our task is unfinished.

We are living in portentous days. Never were the words of Romans 13 more appropriate. It is high time for all Christians to awake out of sleep, for now the decisive day of our civilization is nearer than ever before! The night of conflict and war is over for the time being; the day of opportunity is at hand. Let us therefore cast off the works of darkness and, putting on the armour of light, advance in militant conquest for our Christ!

EDITH MAULDIN.

REPORT OF COMMITTEE ON NEW CHURCHES

Whereas a group of people under the leadership of Rev. C. V. Comer have duly requested that the Association organize them into a Missionary Baptist Church, the Committee on New Churches recommends that the Association organize the Bethlehem Baptist Church at a time to be arranged by the Moderator.

The Committee further recommends that the newly organized church be placed under the watchcare of the Executive Committee for one year, during which time it will make monthly reports of progress and gifts to the Executive Committee.

(A second part of the report concerning Dunn's Grove Baptist Church was replaced by a substitute motion. See No. 34, b of the Proceedings of Stanly Baptist Association).

THE REPORT OF THE COMMITTEE ON RESOLUTIONS

We, the Committee on Resolutions, offer the following report:

First, we want to express our appreciation to Williams Street and Barbee's Grove for hospitality and kindness, also for the lovely flowers that made the churches more attractive. We want to thank all those who cooperated to make our luncheons and fellowship possible.

Second, we want to thank the program committee for the well planned program. For the work of those who made the reports

possible and the inspiring messages, we are grateful. Also, we are grateful for those who came representing the different phases of our work.

Third, we want to express our prayerful thanks to God for his mercy and kindness to our Moderator, J. W. Whitley during his severe illness. Also, we want to thank our Vice-Moderator W. W. Hill for timely and efficient services as acting Moderator during the past months.

Fourth, we want to thank each Associational officer for their untiring efforts during the past Associational year, especially to those who assumed double and urgent responsibilities caused by the loss of other officers.

Fifth, we want to recommend the adoption of the resolution of the Stanly Association to the State Baptist Convention in regards to the change in the charter of Wingate Junior College as presented by brother L. D. Munn during the first day morning session of the Association meeting with Williams Street Baptist church.

Sixth, we most heartily desire to thank L. D. Munn and O. J. Sikes, Sr., for their services rendered as representatives of this Association as Trustees of Wingate Junior College.

Seventh, that we may return from this our sixty-fifth annual session, with a determination to be greater "witnesses for Christ, in making known to the world that CHRIST IS THE ANSWER".

Respectfully submitted,
MRS. LAVERNE PITTS
MRS. ROBERT KENDALL
MRS. J. TILLMAN LAKE, Chairman.

REPORT ON CHRISTIAN SCHOOLS

In North Carolina there are thirty-two junior and senior Christian colleges for white, of which the Baptists support seven. For Negroes, there are eight junior and senior colleges of which the Baptists support one. Thus we see North Carolina Baptists account for 20% or one-fifth of our Christian schools.

Without doubt North Carolina people are being educated. To what end and for what purpose are the all important questions. Toward the supreme task of winning people to Christ, we Baptists have come to believe in and support Christian education. We Baptists know that there are two things we must do concerning our Christian schools. First, we must insist that they be CHRISTIAN, creating a Christian atmosphere, holding up Christian ideals, and doing definite Christian service. There is no place for schools that are only nominally Christian. Today's problems can be overcome only by Christian leadership, and such leadership is trained only in or under the influence of Christian schools. Second, we must give them better financial support. They cannot continue to exist and to serve under present conditions. In general all schools have three main sources of financial support; from the students, from endowment income and government support or church support. Our Baptist schools have small endowment income with a per student appropriation from the churches through the Convention of approximately $60.00 per year.

On a per student basis, the income from foundations, federal subsidies, and endowment is about the same, whether church or state school. The amounts are about the same from the students,

but when it comes to church as against state support, look at this: as figured on a per student per year basis of support.

Baptist Schools	$ 60.00
State Negro	258.00
State White	323.00
State Indian	639.00
State Deaf	1,013.00
State Blind	1,040.00

The following practical suggestions are given to Baptist people who may be interested in helping to further the educational program in our Christian schools.

1. Find and direct to our Christian schools the outstanding and most capable young men and young women in our community.

2. See that our Christian schools and the work that they are doing are kept before the young people who are thinking of going to college. An occasional emphasis by the pastor and other church leaders, together with special programs on Christian education are fine helps in this respect.

3. If we try to find the most worthy students and convince them of the importance of going to a Christian school, we must help them to understand the necessity for Baptist people supporting these schools financially. One of the finest services any church can render, is to send some worthy boy or girl through school.

4. As we strive to find the students and the needed financial support, let us not overlook the fact that we usually help those institutions and people whom we love sufficiently to make them the objects of our daily prayers.

We challenge you to put your money, your service and your prayers beside your recorded vote of approval for these training centers of God. We further challenge you to maximize your efforts in the name of youth and for the cause of Christ.

Respectfully submitted,
EDWARD D. HOLBERT.

The first building, constructed in 1881, was a one-room frame structure. The church has reported a Sunday School since 1866. The growth of the church is shown by the following statistics: Church membership in 1882, 27; in 1900, 87; in 1910, 67; in 1921, 73; in 1931, 74; in 1938, 95. The present membership is 100.

The 1950 Minutes of Stanly Baptist Association are dedicated to Dr. Julius Wesley Whitley, Pastor, and Native of Stanly County, who for thirty-four years gave himself without reserve to the service of God through Baptist Churches of North Carolina.

DR. JULIUS WESLEY WHITLEY

During the years of his ministry, Dr. Whitley served Baptist Churches at Matthews, Concord, Murfreesboro, and Gastonia. At Murfreesboro he was Dean of Chowan College and Pastor of the local Baptist Church. His longest pastorage was at Loray Baptist Church, Gastonia, where he served for sixteen years and developed a great church in an industrial community.

CONSTITUTION

Of The Stanly Baptist Association

Article 1. This body shall be known as the Stanly Baptist Association.

Article 2. It shall be composed of white messengers, elected by the churches connected with this body and ordained ministers who are members of or laboring in connection with said churches. Each church shall be allowed three messengers for the first two hundred members or fraction thereof, and one for each additional fifty members. No courtesy seat shall be extended to any person, or persons, other than such messengers as are herein provided.

Article 3. The object shall be to devise and recommmend measures for increasing the harmony, the intelligence, and the spiritual power of the churches, and for developing and directing their energies, their resources and their gifts and advancing the Redeemer's Kingdom in the earth.

Article 4. The Association shall have no power to infringe upon the sovereignty or the rights of the churches. It is neither an ecclesiastical legislature nor council nor court of appeal. It may advise the churches and recommend measures for usefulness for their adoption, but cannot bind them in any way. Yet, in view of the combined wisdom, piety, and intelligence of the body, it may justly claim for itself, for its objects, and its recommendations, the very highest consideration and regard.

Article 5. The Association may dissolve connection with any church that becomes unorthodox in doctrine or disorderly in practice, fails to represent itself, either by delegates or letter more than two successive sessions without sufficient reason; or treats with contempt its objects and requirements; or upon application of a church for its dismission.

Article 6. Each individual church shall hold and exercise all the right to advise, when desired, in case of difficulty, and to suggest plans of usefulness to be adopted. If at any time, the Association shall assume an unwarranted power over the churches, they shall have the right to dissolve their connection with this body.

Article 7. It shall be the duty of the churches to appoint as messengers as far as practicable, their most capable members, to require their attendance, and to send with them a contribution to the Association fund, to pay for the printing of the Minutes and other necessary expenses.

Article 8. It shall be the duty of each church to send an annual letter to the Association, giving: 1. Locality; 2. The names of its pastor and clerk, and their respective post offices; 3. The Sabbaths of regular service; 4. The church statistics, including the number baptized, received by letter, restored, dismissed, deceased, expelled, and aggregate membership, male and female; 5. Sabbath school statistics; 6. Amount contributed to the benevolent objects, and the Association fund; 7. Names of the messengers and alternates; 8. Any other information deemed of special importance.

Article 9. The officers of the Association shall be a Moderator, a vice-Moderator, Historial, Clerk and Treasurer, who shall be elected at each annual session, after the names of the messengers have been enrolled; and shall take their office at the close of the present annual session, and continue until the close of the next Annual Associational Session.

Article 10. It shall be the duty of the Moderator to open the meeting punctually at the time appointed; to enforce rules; to preserve order, and to exercise all the prerogatives of a presiding officer, according to the principles established by parliamentary usage.

Article 11. It shall be the duty of the Vice-Moderator to discharge the duty of the Moderator in his absence.

Article 12. It shall be the duty of the Clerk to keep a faithful record of the proceedings of the body, and superintend the printing and distribution of the same, and to keep on file the printed Minutes and other important documents belonging to the body. He may appoint an assistant when necessary.

The resignation of our beloved Associational Missionary, Miss Ella Sue Gravette, has brought sincere regret not only to the Executive Committee, but to Pastors and members in each of the thirty-three churches in the Beulah Baptist Association.

Miss Gravette was our first Associational Missionary, coming to us in 1947, working untiringly to promote every phase of our great Baptist program in Beulah.

Her heart's desire is the salvation of those lost in sin and the advancement of Chirst's kingdom in every church in the Association.

We wish to express to her our grateful appreciation for faithful service and work well done and assure her of our prayers and best wishes as she leaves us to accept similar work in the Stanly Association.

We recommend her wholeheartedly to them and commend them in their wise choice.

REPORT ON WINGATE JUNIOR COLLEGE

Wingate Junior College has served North Carolina and surrounding states for more than fifty years, first as Wingate School and later as a college. Thousands of men and women have gone out from her class rooms to bless the world in the various vocations of life. Through the years, the faculty members have given unstintingly of their best efforts and time, with very little remuneration, to the training of young people and the promotion of the kingdom of Christ. Good friends have also contributed time and means to the support of Wingate. There have been many times when it appeared that the school would have to close its doors from lack of support. In 1917, when the county built a local high school and withdrew support, many were in despair; but God led on. Then when county and state high schools multiplied in number, it looked as if the mission of Wingate was over, but again God led on. This time into the Junior College field, and the enrollment reached a high level.

In 1923, the ownership and control of Wingate was turned over to the Baptist State Convention, and $5,000 per year was promised; but due to the financial strain on the Convention, none could be paid and by 1930, Wingate was overwhelmed by debt. The State Convention was glad to get rid of its sick child and the Associations again took control, but gave little support for there was none to give during those depression days. But God led on, and a new building replaced the old one destroyed by fire in 1932. Also the debt was reduced 50% from 1929 to 1936, despite the depression. The enrollment was doubled. The debt was gradually decreased until the early forties, and was paid in the entirety. A new day had dawned.

The Convention resumed support in the early forties, and this enabled the administration to put on an enlarged program. Last year the Convention appointed the trustees, and now Wingate is a full-fledged member of the Convention's system of schools, and participates in fund allocation on the same basis. The inaugura-

tion of the alumni campaign made the new men's dormitory possible, and the Efird Memorial Library has added to the academic efficiency of the college. By special arrangements with the Convention, the churches of the cooperating Associations are permitted to give funds to the building program, but current expense allocation must come through the Cooperative Program.

There is now good prospect that Wingate will become a member of the Southern Association within the next two years, and with continued support from the churches for building purposes, and from the Cooperative Program for current support there is a bright future for Wingate Junior College. We ask for your support, prayers, and cooperation.

As the years go by the Spirit of Wingate Junior College grows stronger and stronger in the lives of those who have been so richly blessed by her fine Christian influence and teachings; and have taken their places in the world to serve God through serving mankind.

Respectfully submitted,
ARCH G. CREE.

REPORT OF BAPTIST ORPHANAGE OF NORTH CAROLINA

Our 1950 Orphanage Report:

In 1949 it was reported that we spent $103,000 more than we had received. It was used to repair old buildings and to erect new ones. Part of the fund went to pay for new machinery. Therefore, we appealed to you to give more liberally. The donation was the most we have received so far to carry on our work. We are very thankful.

New Buildings Planned:

The Robert M. Idol estate of $586,000.00 was turned over to the orphanage on March 21, 1950. It will be used to build a new church at Mills Home in memory of his mother; an infirmary in memory of his sister, and a vocational building which the trustees feel should be in memory of Mr. Idol. We plan to start the new buildings this fall.

Children Cared For: (Health and Education):

In 1949 we cared for 781 children. The health of our children was excellent. They did well in school, fourteen graduating from Mills Home, and five from the Kennedy Home. Our pastor, Rev. John Walton, baptized 70 converts. Good work and spiritual instructions was given to the children at the Kennedy Home.

Changes in Personnel:

Our General Superintendent, Dr. Zeno Wall, reached the retirement age of 68 on August 20, 1950. Our trustees selected Superintendent W. C. Reed, of the Kennedy Home to fill this vacancy. Mr. and Mrs. W. A. Smith, of Boone, will take over the work at the Kennedy Home. Mr. Reed will be the superintendent and his wife will assist him. They are loyal Baptists. Mr. J. D. Fraley, who resigned some weeks ago, will be succeeded by Mr. Riman Muth. Mrs. Muth, the former Frances Bandy, is one of our former case workers; both Baptist and faithful workers. Mr. J. Marse Grant was again elected editor of Charity and Children and has set the goal for this weekly paper at 50,000 copies for 1950-1951.

Brighter Days Ahead:

With unfaltering faith in God, we face the future unafraid. Unless war comes, our brightest days are ahead. We have a background of 65 glorious years. We have a new general superintendent, aided by faithful workers. Together, we watch our greatest building program for 1950-51.

REV. PAUL A. GALES.

WOMAN'S MISSIONARY UNION REPORT

And He said unto them, Go ye into all the world and preach the Gospel to every creature. Mark 16:15.

May we not forget that we have been saved to serve. No Christian has a right to remain wholly unqualified for the service of Jesus Christ. We are commanded to teach and preach missions, and to make Christ known to all people.

I am pleased and grateful to report that we have 31 churches engaged in definite mission work, with 31 Woman's Missionary Societies, and 78 Young People's organizations. The amount of $9,450.71 was contributed through the Co-operative program, with special offerings totaling $9,562.19. In these organizations there are 519 tithers.

May we give of our best to the Master, and keep our Association growing, by striving for a Missionary program in every church. For the task of making America christian requires of every one a full commitment to Jesus, and subsequent obedience to Him in action.

—MRS. J. B. MORRIS.

REPORT ON EVANGELISM

"And Jesus came and spake unto them, saying, All authority hath been given unto me in Heaven and on earth. Go ye therefore, and make disciples of all nations." Matt. 28:18.

When Jesus established his church, he established it for a purpose. He had finished his work on earth in the giving of himself on the cross. He had died for the sins of the world. Somebody must be trusted to tell the story to the world. It was to His church that He assigned this glorious task. He says to each one who knows him, "Go and tell. He that is wise winneth souls." Prov. 11:30.

We believe that the Spirit of God has given us the answer to today's need in the simultaneous revival as promoted by the Southern Baptist Convention. That method of evangelism is rooted in the local churches and yet is big enough to dint the American consciousness in any locality.

Where one church alone cannot stir a great City, all Baptist churches praying, preaching, visiting, and advertising simultaneously can create a spiritual earthquake, with the energizing power of the Holy Spirit.

The Simultaneous Revival method has abundantly proven its value in the swiftly ascending totals baptized among Southern Baptist in the last few years: 1947, 285,152; 1948, 312,246; 1949, 334,863, a record. This outstanding growth began with the simultaneous revival emphasis and has grown, year by year, with the growing emphasis upon this method, promoted through state and local evangelistic conference, through Dr. Matthews' book, The Southern Baptist Program of Evangelism, through our periodicals, and by the state secretaries of evangelism.

Recommendations.

1. That all Christians begin now to pray for a great outpouring of God's Spirit upon our simultaneous effort to reach the indifferent and the lost.
2. That every church and pastor cooperate to the fullest in this tremendous undertaking.

3. That every church plan to have a revival effort at that time.
4. That every organization of each church make this its major emphasis from this time to March 25, 1951.

Respectfully submitted,
J. A. SEYMOUR.

REPORT OF THE RELIEF AND ANNUITY BOARD AND the BAPTIST STATE CONVENTION OF N. C. ON THE MINISTERS RETIREMENT PLAN

The reports reviewing the work of the Relief and Annuity Board, presented at the annual meeting of the Board in Dallas, on March 8th, showed 1949 to be a year of continued progress and enlarged service to Southern Baptists.

The Relief Department again spent more than it received in 1949 for the aged ministers and widows of ministers in an effort to prevent suffering and want among our old preachers. We urge the churches in each association to follow the calendar of activities of the S. B. Convention and take a fellowship offering for ministerial relief. We also urge the pastors in their respective states to join their Ministers Retirement Plan.

Reviewing the work in North Carolina we note that there are too many pastors who do not have the protection offered by the Ministers Retirement Plan and the Widows Supplement to the Plan. Many of our pastors are retiring without any retirement benefits and are throwing a burden upon the relief department beyond its resources. Your State office desires the assistance of pastors, and others who have this protection, to assist in the work of enlisting others in the plan provided for them.

The broadened Social Security Bill, passed by the U. S. Senate on June 20, 1950, EXCLUDED ALL EMPLOYEES OF CHURCHES AND CHURCH RELATED GROUPS, from the Social Security program. The bill, as first drawn by the committee, included such employees, but at the insistance of Southern Baptist leaders, the committee changed the bill to EXCLUDE them. The Southern Baptist Convention, meeting in Chicago, passed a strong resolution requesting that religious groups be excluded. Now that the Senate has granted the request of Southern Baptists, it becomes IMPERATIVE that all employees, such as Educational Directors, Church Secretaries, janitors, etc. be enrolled in one of the plans of the Board, that they may not be made to suffer because of the position of Baptists on complete separation of church and state.

There are 1800 pastors in North Carolina and many lay workers. Since 1940 we have issued 9443 certificates of membership in the Ministers Retirement Plan. Many of these have left the State, retired or died. We have now just 581 active members. We have 71 retired and 19 widows who draw a check each month.

We would like to say that the majority of the members we have in the Plan pay on the maximum salary and perhaps would be in position to accumulate something for their old age. The ones on smaller salaries, for some reason, have not joined and they are the ones that will need help at the time of retirement. Some say the church will not join with them. It takes the attitude that it is paying their pastor's insurance. We would like to make it clear that the church does not pay into this fund for just one pastor, but to help all pastors and church employees. It is so designed that each church a pastor serves during his participation in the Plan has a share in providing something for his old age. It would seem good for all churches he serves during his min-

istry, whether they are five or twenty-five, to have some share in providing an annunity for him.

A minister who enters the Plan cannot lose. If at any time he wishes to withdraw his membership he can surrender his certificate and receive every cent he himself has put into the Plan, plus interest.

As to benefits from the Plan. We would say that if a man has been paying on an average salary of $3000 for twenty-five years and becomes sixty-five years old, he would receive $1500 per year the rest of his life and if he died after he was old enough to retire his widow would receive $750.00 per year the rest of her life. If he is a member of the Widows Supplement to the Plan then his wife would be protected if he should die before the age of sixty-five. The Raleigh office is ready and anxious to furnish full information to pastors, deacons, members of finance committee and others. Please write the office for more detailed information.

J. BOYCE BROOKS.

REPORT OF THE SUNDAY SCHOOL — 1950

During the past associational year there have been four training courses in four different churches. There were 31 training awards made in these four schools. As we all know this is far too few courses and too few awards. If our schools are to reach the suggested goals as set by the workers of the state, we must train our teachers and leaders in the Sunday Schools.

Also there were thirteen Daily Vacation Bible schools held in the same number of churches. This means that only one-fourth of the boys and girls are having a chance to get the training that our denomination has to offer. We have one of the finest courses of study that is to be had, and I hope that during the next year that each church will have a D. V. B. S.

The Report from the Sunday Schools shows that there was a gain of 1,080 over 1948. This is encouraging; however there are eleven churches that showed a loss in membership of the Sunday Schools. Our suggested goal for next year, 1951, is an increase for the association of 2,208. This may seem to be rather large, but the possibilities are even greater. If our church schools would set up a "Sunday School Visitation Program for 1951", we would get results beyond the imagination. People are hard to reach. For the person who has never been to a Sunday School much more courage is needed to make the first step than any of us think. We can talk about the ones that should be in Sunday School, but they will never be unless we unite in personal visitation to enlist them. Oakboro First Church demonstrated this fact very forcefully this summer. A special week of visitation was made with a careful check of the possibilities. A goal of 238 was set for the challenging day. The people worked hard and every person was visited once or more. To our great surprise we had 277 people present; something that had never happened in Oakboro Church.

When we help the fellow who has never been to Sunday School to have the courage to get started, we shall have pupils to fill all our classes. May we realize that we help only those who are present, and institute an active visitation for 1951 in order to reach our goal of 2,208 new pupils.

Respectfully submitted,

R. C. HATLEY.

REPORT OF HISTORIAN

The sixty-sixth annual session of the Stanly Association met with Canton and Poplin's Grove Churches on Thursday and Friday, October 26 and 27, 1950.

Canton Baptist Church constituted in 1870, was a member of Rocky River Association as early as 1872, and was received into the Stanly Association in 1885.

The first building, 1870-1887, was a one-room frame structure. The second building, 1887-1927, was a frame structure. The present brick building, constructed in 1927, consists of sixteen Sunday School rooms, and has a seating capacity of four hundred.

Early records seem to show that fifteen members constituted the first membership. The first resident clergyman was Rev. B. H. Carter, who served from 1870-1875. (Other pastors in a record book in custody of Mr. U. S. Burleyson).

The church has reported a Sunday School since 1892. The present well organized Sunday School enrollment is 334 with an average attendance of 200 members. Other organizations of this church are: W.M.S.; Y.W.A.; R.A.; G.A., and Sunbeams. These organized groups are of inestimable value in the training of young people and adults in the study of missions.

Poplin's Grove Church, located near Albemarle on the Charlotte highway, was organized May 28, 1938 by Rev. W. J. Russell and others and was received into the Stanly Association in 1939. The first deacons were H. H. Morton and Ellis Burris.

The present brick building consists of nine Sunday School rooms and an auditorium with a seating capacity of three hundred. The church reports a well organized Sunday School with an enrollment of 165 members, a Woman's Missionary Society with an enrollment of 19 members, and Sunbeams with an enrollment of 38.

When organized in 1938, there were sixteen charter members. The present membership is 145. The pastor conducts worship services every Sunday.

An earlier church of the same name existed near the present site, but lapsed in 1904. The present Poplin's Grove is not a continuation of that church but an entirely new church.

MISS NORA EDDINS.

CHRISTIAN LITERATURE

"Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.—II Timothy 2:15.

What are we studying? This question may well be asked of each Baptist in the South, and as we begin to find the answer we see all kinds of adventure, romance, western, and comic books along with local newspapers devouring all the time we have for study. Cheap literature is one of the most common evils found in our homes today. We are stewards of our time and it is too precious to waste on this type of study or reading.

One's thinking and talking is governed largely by what is read: Therefore if we are to think right we must read right and if we are to speak right we must read the highest type of books and literature. In so many homes the Masterpiece of literature, "The Bible", is left on the shelf until covered with dust so the name may be written on the cover while the minds of our children and adults are being filled with worldly adventure, greed, and lust.

Certainly the Bible should have first place in our reading material. To this we should supplement our reading material with our own Baptist publications such as **Biblical Recorder, Charity and Children, Royal Service, World Comrades, Open Window, Commission** and a number of others made available through our Mission Boards. We should also use our Baptist Book Store to secure good wholesome books as a part of our reading material.

E. J. HONEYCUTT.

BAPTIST TRAINING UNION REPORT

Another year has passed and still there is plenty to be done for the Master in the enlisting and training of our people in Training Union work. Surely the plan of the Baptist Training Union was given to our Southern Baptist Leaders by God. We all agree that there is nothing better than winning a lost soul to Christ as Savior. How can that saved soul best serve his Saviour? Certainly through some expression from that saved soul and in our opinion, there is no better way provided in our churches than through the Training Union. It provides for all ages and covers all phases of our Baptist work. It is a daily guide to better living and better serving.

When every member of every one of our churches comes to realize that the Training Union is our task and obligation, it will no longer be an organization, but an organism. May that day soon come! Remember this challenge: "Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth." II Timothy 2:15.

In our Association the following churches have a Training Union: Centerview, Fairview, First Baptist, Grace, North Albemarle, West Albemarle, Anderson Grove, Badin, Locust, New London, Norwood, Prospect, and Paul's Crossing. Many of our pastors and other church leaders of our association really awaken to the truth that we are "Saved to Serve" and with all their might sponsor a Training Union in each one of their churches for the growth and development of all their members.

Undoubtedly the greatest need of our day is for all Christians everywhere to discover that Christ is the answer to all of life's most perplexing questions.

Respectfully submitted,
RUBY CATHEY.

MISSIONS AT HOME AND ABROAD

Christ gave to the church the great commission in Matt. 28:19-20 to go into all the world and make disciples of all nations. God still waits for us to obey this command and a lost word still awaits the glad tidings of salvation. We now have the machinery set up for this great task in our State, Home, and Foreign Mission Boards. We have people who have dedicated their lives for full time service in the kingdom and many of these are turned away from these boards each year. We still have millions of people that are lost at home and abroad. In Acts 1:8 God promised us the power when He said, "And ye shall receive power from on high." What like we yet? Do we not like a realization of this command of God and the tragedy of a soul being lost that will constrain us to give the best of our time, talents and money to accomplish this great task? We must give of our time and talents

to win those to Christ about us and of our money to carry this message to those beyond our personal witness.

We have all seen the danger to our freedom, homes, nation and the world of a Christless generation. This makes our task of making disciples of all nations an imperative one. We must save our nation to save the world and again we must save the world to save our nation.

Respectfully submitted,
ALFRED E. STALEY.

THE BAPTIST HOSPITAL

In 1944-1945 the Trustees of the North Carolina Baptist Hospital urged upon the Convention the necessity of building a new wing. At that time the Convention could do nothing.

In 1946, however, the Convention voted to complete the payment for the out-patient department. And what a marvelous service that department is rendering. 46,000 people had the benefit of the out-patient department last year.

In 1946 also, the Convention authorized the borrowing, when the Hospital needed it, an amount not to exceed $400,000 to help build the new wing. Incidentally it is believed now that by the time the money is needed it will not be necessary to borrow more than half the amount authorized in 1946.

The $400,000 was promised with the understanding that the Hospital obtain the balance from friends. It was thought that a million dollars would do the job, however by late 1949 it became apparent that perhaps $1,700,000 would be needed.

You are familiar with what Medical Care Commission agreed to make available; you are also familiar with the action of the General Board, and later the action of the Convention in Charlotte on April 27, 1950. We as North Carolina Baptists resolved to undertake to raise the money ourselves, the last Sunday in June and the last Sunday in September being set apart as the days to undertake the raising of $700,000.

The need is still urgent, the wing is still not built. Someone has jokingly said that we as North Carolina Baptists have made our beds, now let us lie in them, the sad part is that we have not made our beds.

Some facts about our Hospital and Medical School which should be called to our attention are:

1. About 500 sick persons in need of hospitalization, including many emergency patients, are constantly on the waiting list for beds.
2. The staff of doctors, among the best in their fields, give about half of their time in caring for service patients.
3. Nearly 100,000 visits were made to the service and private clinics by sick persons for examination and treatment in 1949.
4. 9,702 sick people were cared for as bed patients in the Hospital in 1949. 1,163 babies were born in the Hospital in 1949.
5. The average hospital bill of most sick persons today is less than it was 25 years ago because of improved medical methods.
6. The Hospital provides more free service to the patients than any other Baptist Hospital in the South. ($312,000 worth in 1949).
7. There are 147 students now in training in the Hospital School of Nursing.

8. 324 doctors have graduated from the Medical School since it became a full four-year school.
9. The Hospital and Medical School have a Department of Religion, thus providing a spiritual ministry to the patients and students.

Friends of Christ and of suffering humanity, I repeat, the need is still urgent.

Respectfully submitted,
R. L. HOLBROOK.

CHRISTIAN SCHOOLS

A total of 4574 students in our North Carolina Baptist colleges are distributed as follows: Campbell 419, Chowan 150, Gardner-Webb 374, Mars Hill 819, Meredith 618, Wake Forest 1900, and Wingate 294. These colleges have supplied us with the following current information: (quoting)

"The last meeting of the Board of Trustees of Campbell College authorized the reactivation of our campaign of expansion. We are now in the initial stages of the new effort. We are making steady progress, having added about $200,000 to our plant within the last three or four years."

"The future of Chowan College looks better than ever. We have a staff of sixteen workers, all of whom believe there is a place for the Christian college. Our slogan is 'A Christian citizenship our greatest responsibility and asset'."

"Gardner-Webb is accredited by the Southern Association of Colleges. We have a well trained Christian faculty and 25% of the student body preparing for full time Christian service."

"Mars Hill College has made application for membership in the National Association of Schools of Music. I am glad to tell you that the application is being favorably considered. We hope to have a representative in your meeting."

"Meredith College celebrated her Fiftieth Anniversary with the dedication of a new auditorium on September 27, 1949. 14.1% of the operating income for 1949-50 was contributed by the Baptist Convention. There are 12 denominations represented in the 1950-1951 student body to date with 68% being Baptist."

"You are especially interested in the progress that we are making to build Wake Forest College in Winston-Salem. In this we are greatly encouraged. The Baptist churches have subscribed nearly $1,700,000 and have paid to date more than $600,000. In addition to this total we have assurance that some friends are going to contribute the cost of two of the new buildings. We are still seeking to raise about two million dollars in additional gifts in order that we may have for building purposes eleven or twelve million dollars."

"Wingate's faculty is well prepared academically, trained through experience, seasoned through difficulties, and is rendering a great service to young people, though the financial remuneration be small. They serve willingly, instruct diligently, and cooperate gladly. Led by God we move on through hard work, loving guidance, and an undaunted purpose toward the goal."

NELSON A. HAYES.

REPORT ON TITHING

In I Corinthians 16:2 we find these words, "Upon the first day of the week let every one of you lay by him in store as God hath prospered him," and in Genesis 28:22b: "of all thou shalt give

me, I will surely give the tenth unto Thee." These are significant passages of Scripture that every Baptist in Stanly County should memorize and live by when it comes to knowing God's plan for giving of material wealth in order that His Kingdom might advance as to His plan.

According to our 1949 minutes there were 9,314 Baptist Church members in Stanly County. Out of this number only 985 were listed as tithers, which means that about one out of every hundred Baptists in Stanly are giving according to Bible teachings.

West Albemarle Baptist Church had the largest number of tithers with 293. Antioch, Badin, Barbee's Grove, Bethel, Cottonville, Kinza, Mineral Springs, Palmerville, Pleasant Grove, Plyler, Poplin's Grove, Prospect, Red Cross, and Richfield did not report a single tither. However, this does not mean that there is not a tither in these churches, but it does mean that none were reported.

Since tithing is a fixed proportion by which God requires man to make a real acknowledgement of his ownership of all things, could we afford to give Him less than the tithe?

The government fixes the percentage of the citizen's income which he must pay as income tax, and the citizen acknowledges the requirement of the government by paying the tax. We as Christians should acknowledge the requirements of God and His absolute ownership of all things by paying the tithe which God claims.

God made tithing so easy for us when he gave us the rule which says: "Every man shall give as he is able, according to the blessing of Jehovah thy God which he hath given thee." That makes the small gift just as large in the sight of God as the very largest.

"Will a man rob God? Yet ye have robbed me. But ye say, Wherein have we robbed thee? In tithes and offerings. Ye are cursed with a curse: for ye have robbed me, even this whole nation. Bring ye all the tithes into the storehouse, that there may be meat in mine house, and prove me now herewith, saith the Lord of hosts, if I will not open you the windows of Heaven, and pour you out a blessing, that there shall not be room enough to receive it." Malachi 3:8-10.

After this passage of Scripture how could a sincere Christian keep from tithing?

If the approximately 10,000 or more Baptists in Stanly County would tithe there would be no burdensome church debts and deficits anywhere, and would anything be able to hinder the onward march of Jesus Christ in the world? "No," is the answer to that question.

Do the Baptists of Stanly County believe in tithing or robbing God? Let's advance in the number of tithers during the coming year'

MRS. WADE TUCKER.

CONSTITUTION

Of The Stanly Baptist Association

Article 1. This body shall be known as the Stanly Baptist Association.

Article 2. It shall be composed of white messengers, elected by the churches connected with this body and ordained ministers who are members of or laboring in connection with said churches. Each church shall be allowed three messengers for the first two hundred members or fraction thereof, and one for each additional fifty members. No courtesy seat shall be extended to any person, or persons, other than such messengers as are herein provided.

Article 3. The object shall be to devise and recommend measures for increasing the harmony, the intelligence, and the spiritual power of the churches, and for developing and directing their energies, their resources and their gifts and advancing the Redeemer's Kingdom in the earth.

Article 4. The Association shall have no power to infringe upon the sovereignty or the rights of the churches. It is neither an ecclesiastical legislature nor council measures for usefulness for their adoption, but cannot bind them in any way. Yet, in view of the combined wisdom, piety, and intelligence of the body, it may justly claim for itself, for its objects, and its recommendations, the very highest consideration and regard.

Article 5. The Association may dissolve connection with any church that becomes unorthodox in doctrine or disorderly in practice, fails to represent itself, either by delegates or letter more than two successive sessions without sufficient reason; or treats with contempt its objects and requirements; or upon application of a church for its dismission.

Article 6. Each individual church shall hold and exercise all the right to advise, when desired, in case of difficulty, and to suggest plans of usefulness to be adopted. If at any time, the Association shall assume an unwarranted power over the churches, they shall have the right to dissolve their connection with this body.

Article 7. It shall be the duty of the churches to appoint as messengers as far as practicable, their most capable members, to require their attendance, and to send with them a contribution to the Association fund, to pay for the printing of the Minutes and other necessary expenses.

Article 8. It shall be the duty of each church to send an annual letter to the Association, giving: 1. Locality; 2. The names of its pastor and clerk, and their respective post offices; 3. The Sabbaths of regular service; 4. The church statistics, including the number baptized, received by letter, restored, dismissed, deceased, expelled, and aggregate membership, male and female; 5. Sabbath school statistics; 6. Amount contributed to the benevolent objects, and the Association fund; 7. Names of the messengers and alternates; 8. Any other information deemed of special importance.

Article 9. The officers of the Association shall be a Moderator, a vice-Moderator, Historical Clerk and Treasurer, who shall be elected at each annual session, after the names of the messengers have been enrolled; and shall take their office at the close of the present annual session, and continue until the close of the next Annual Associational Session.

Article 10. It shall be the duty of the Moderator to open the meeting punctually at the time appointed; to enforce rules; to preserve order, and to exercise all the prerogatives of a presiding officer, according to the principles established by parliamentary usage.

Article 11. It shall be the duty of the Vice-Moderator to discharge the duty of the Moderator in his absence.

Article 12. It shall be the duty of the Clerk to keep a faithful record of the proceedings of the body, and superintend the printing and distribution of the same, and to keep on file the printed Minutes and other important documents belonging to the body. He may appoint an assistant when necessary.

Article 13. It shall be the duty of the Treasurer to receive and disburse the money contributed to the Association fund, as directed by the body, and to make an annual report of the same.

Article 14. The Constitution may be altered at any annual session of the body by the votes of two-thirds of the members present.

REPORTS

1951 REPORT OF BAPTIST ORPHANAGES OF NORTH CAROLINA

The Mills Home and the Kennedy Home together cared for 606 children last year. In addition to these, through the Mothers' Aid, they were able to support 100 more. Fifty-eight children were supported in Boarding Homes. This makes a grand total of 764 children cared for by the Orphanage Homes.

There are two major sources of support in our program of child care. The Once a Month offering by the Sunday Schools and Churches, and the annual Thanksgiving offering. All this offering is used exclusively for the support of the children. By strict economy it has always been sufficient amount to supply their needs. The total offerings from all the Churches of the Stanly Association last year were $8,723.81.

Mr. Reed, General Superintendent of the Mills Home, reported that the financial condition of the Orphanage is good. However it does not, he says, have a large surplus fund as some have thought.

Through the bequest of the late Mr. Robert M. Idol of Winston-Salem, the Orphanage received last year its greatest single gift. This, along with a similar one from his sister, the late Miss Lalie M. Idol, totaled a little more than seven hundred thousand dollars. None of this money can be used for current expenses as the donors designated in their will that it should be used for building a Church, Infirmary, and a Print Shop. These buildings are now under contract. After they are finished there will be less than thirty thousand dollars left. This can be used for erecting another building.

Our Orphanage Homes are doing a great work in caring for children who do not have any other means of support. Let us continue to support them with our prayers and offerings.

Respectfully submitted,

FRED H. HOPKINS.

REPORT OF NORTH CAROLINA BAPTIST HOSPITAL — 1951

For twenty-eight years our Baptist Hospital has sought to provide a Christian ministry of healing. The highest good of the individual who is sick has been at the heart of the motive and effort of this work. Thousands of sick persons have been blessed by it. Without it, many of these could not have received the care they needed.

Last year 9,700 patients were cared for in the Hospital and 95,000 visits were made to the clinics for examinations and treatments. About half of these were persons with little or no money. They were provided free professional care by our doctors, and were given additional financial assistance with the cost of the service they received.

This free service was made possible by our Mother's Day offerings which amounted to $140,000.00. Other assistance came from various health and welfare agencies, the Duke Endowment, and individual gifts. All this added together enabled the Hospital to spend $337,000.00 in free service. When the free services of the doctors are added to this, it means that our hospital provided three-fourths of a million dollars in free services to these sick per-

sons who have little money. In other words, every time we gave one dollar in our Mother's Day offerings, it enabled our hospital to give five dollars in free service to sick persons who are poor in this world's goods.

We are happy to report that the Mother's Day offerings this year are running ahead of those last year. The reports from the special offerings to raise $700,000.00 toward the building of the new South Wing to the Hospital are encouraging. Most of our churches in the state have been making these offerings and many have gone well beyond their suggested goals. Contracts have been let for this addition to the Hospital and work is beginning on the construction, which will require about 18 months. We urge all our churches which have not made their offerings, or reached their goals, to do this without delay. We, as North Carolina Baptists, will do what we have said we would do in providing the money to enlarge our Hospital and open the door to those who are having to wait for lack of room.

Our Hospital seeks to meet the full needs of those who go there for treatment. It seeks to provide the best in medical service. For those who are poor it provides financial assistance, in so far as its resources permit. But beyond these, it provides a spiritual ministry for those who are spiritually sick. Under this ministry many unsaved persons accept Christ, many weak and neglected Christian lives are renewed, and many physical illnesses are hastened toward recovery. The purpose of our Hospital is to provide a complete Christian Ministry for those who are sick.

Hospital representative,
ARCH CREE.

REPORT OF NORTH CAROLINA BAPTIST HOME FOR AGING

On January 9, the Committee on the Home elected Rev. James M. Hayes, pastor of North Winston Baptist Church, Winston-Salem, Superintendent of the Home, and Miss Edna Heinzerling, director of Nurses of the Baptist Hospital, to serve as supervisor of our Home. The committee decided to open the Home for residents when sufficient funds became available to begin.

There are many evidences of the Lord's favor upon the Home thus far. In the first place, He led in making a home immediately available. Ten years ago the trustees of the Bowman Gray School of Medicine of Wake Forest College leased a three-story, brick constructed fire-proof building, with an elevator, for a period of 25 years for $1.00 a year. The Committee on the Home was able to secure this building for 15 years at the same rental price. The building accommodates 20 residents at present. The top floor, if completed, would give space for 16 additional residents. The completion of this floor would cost approximately $25,000. With more than 100 applications for admission already received, and inquiries coming in almost daily, one can easily see the pressing need of more space.

The Committee on the Home has challenged North Carolina Baptists to build a home adequate to meet the need of the increasing number of old people from 65 years up. Their program calls for a million dollar plant, which would accommodate 270 residents. With the Lord leading and North Carolina Baptists cooperating, such a plant should be built and in operation within a few years.

"Now also when I am old and grayheaded, O God, forsake me not." (Psalm 71:18).

MUSIC REPORT FOR STANLY ASSOCIATION — 1951

Out of the 43 churches in the Association, 17 replied to the questionnaire sent out. From these 17 churches we will find out what our churches are doing in the line of music:

1. There are two churches with a combination worker—Music Director and some other work. There are 13 Choir Directors in these 17 churches.

2. Only one person is being paid for his work in music and the other 14 are volunteers.

3. There are seven organs being used in the church services.

4. In the 17 churches there are 53 pianos—the largest number possessed by a church is eight and the smallest one. And, six of the churches have a piano for each Sunday School Department.

5. Seven churches have a regular organist and 15 have a regular pianist.

6. Sixteen out of the 17 churches have adult choirs and eight of these choirs sing for the morning worship hour each Sunday . . . while six choirs sing at the morning worship hour most of the time. This leaves two choirs that do not sing a special musical number in the services. Twelve choirs sing for the evening worship hour but do not have a special hymn or anthem every Sunday, but eight of the choirs sing one most of the time.

7. There are 15 children's choirs in 10 of the church. One Beginner; four Primary; seven Junior; three Young People. One church is in the process of organizing youth choirs and one church has had a Junior choir. Three churches have Men's Quartet to give them special music.

8. There are 228 children in these 17 churches who take music —either piano, band, etc., and 13 out of 15 churches report that these children take an active part in helping in their Sunday School or Training Union Departments.

9. The majority of our churches know only one-half the hymns in their hymnals. One church reported that the people knew all the hymns but did not report which hymnal he used. The hymnals used are: Modern Baptist, Broadman, Voice of Praise and Coleman.

10. Only 13 of the 17 churches have a church bulletin. Perhaps next year we can have a report from every church and get a better view of what we are doing in music. From this small report we can get an idea of what needs to be done.

REPORT ON TEMPERANCE AND PUBLIC MORALS

Here are some of the symptoms of the disease of sin, present in the age in which we live.

One of these is the present crime wave that has grown into a monstrosity that is baffling many of the law enforcement agencies of our land. The widespread of crime over our nation was revealed this year, as millions viewed (by television.) the Senate Crimes Investigation Committee questioning some of the "racketeers" of our large cities. These investigations revealed that an ever increasing lawless mob is roaming our land ready to undermind our society.

J. Edgar Hoover is quoted as saying that the nation "is facing an army of 6,000,000 criminals "and" an ever increasing wave of

lawlessness which is feeding the criminal ranks with a never ending supply of recruits."

This vast army of criminals is ten times greater in number than the number of students in our colleges and universities. And for every school teacher in America, there are more than seven criminals.

Another symptom of the evil condition that confronts us is the widespread sale of, and use of alcoholic beverages, the use of which serves to impoverish many homes and to bring shame and ruin to our citizenry.

More alcoholics are now committed to state, county, city and private hospitals for mental disease and to the psychiatric wards of general hospitals than any other single diagnosis. Annual arrest for drunkenness average 2,645 per 100,000 population; drink is a factor in one-third of all crime.

But greater than the danger done to the bodies of men is the hurt to their souls. The living wrecks, the lowered morale, the broken homes, the blighted hopes, the perverted minds, and the sordid destiny of aimless men are penalties against civilized society worse than physical death. In every city where alcohol is allowed to do its dirty work, the Skid Rows will cry out against depravity and debauchery created by this pernicious traffic. The declaration of the wise man is still true today when he says, "Wine is a mocker, strong drink is raging: and whosoever is deceived thereby is not wise." —Proverbs 20:1.

Another of these symptoms is the failure of so many parents to set forth in the home the New Testament standard of Christian living, and their failure to exemplify Jesus Christ in their daily conduct. The problem with reference to juvenile delinquency that is facing this nation is a staggering one. But is not the root cause of this problem found in the homes where Christ is ignored and where pagan standards and percepts govern the conduct and relationships of those who abide there?

In the words of J. Edgar Hoover, "Rather than indulge in criticism of our youth today, our first job should be to set for them an example to follow in model homes where the tenets of good citizenship, the percepts of right and the fundamentals of democracy are not only taught but daily practiced." The home is the most important factor in the prevention of juvenile delinquency.

Another of these symptoms is the flagrant desecration of the Lord's Day by adults and young people in many walks of life. When this day is used for manual labor, when such is not absolutely essential to the general welfare or when it is used for worldly pleasure, the day is misused and God's Holy Law is violated. Let us be reminded that God's face is against those who thus disregard His Law and the sacredness of this divine institution. The operation of movies on Sunday, engaging in Sunday athletics, the holding of rallies by secular organizations on this day, Sunday collection of waste paper, the using of the day for purely material gain and many other unholy pursuits that men are following today are all done in open violation of God's Law. Let us never forget that the nation that abuses is God-given privileges, afforded on the Lord's Day, for spiritual growth and development must suffer the consequences. The Lord promises glorious rewards to the people who honor Him by keeping this day unto Him. —Isaiah 58:13-14.

Now, what must we do about this situation? We as individuals must give Jesus Christ His rightful place in our hearts, for He is

the goal toward which our spirit moves. He will satisfy the inner longing of soul. We must give Him the rightful place in our homes, in our schools and in our churches. We must not stop by merely saying that the Word of God is our rule of faith and practice, but we must actually make it our rule of faith and practice.

We must get down to business about this matter of witnessing in a personal way for the Lord. When the Lord says, "Ye shall be witnesses to me," He is talking to us who have been redeemed by His precious blood. But too many of us have not been serious enough to realize that our Saviour in this Scripture is talking to us as individuals. The man of God has a testimony and a message, which if proclaimed in the spirit of Christ, will change this world. Can we not, in this day, hear the pleading voice of the Lord of life as he asks, "Whom shall I send and whom will go for us?" Do we not feel constrained to respond in the spirit of Isaiah when he answered, "Here am I, send me!"

Respectfully submitted,

PAUL J. HOPKINS.

REPORT OF THE MINISTERS' RETIREMENT PLAN FOR MINISTER AND CHURCH EMPLOYEES AND THE WIDOWS' SUPPLEMENTAL ANNUITY PLAN

The purpose of these plans, promoted by the Relief and Annuity Board of the Southern Baptist Convention and the State Convention, is:

1. To provide annuities for ministers and church employees who participated in the plans when they reach retirement age, sixty-five, or at any period they may retire after reaching that age, and an annuity to the widow;

2. To provide a disability annuity if such disability occurs at any time prior to age sixty-five;

3. To provide an annuity for the widow in the event of the death of the member before reaching age sixty-five.

Surely it would be right for all churches a minister serves to have a part in providing an annuity for him, and not have that burden fall on the last church he serves.

The cost of the plan is reasonable and dues are payable monthly or quarterly whichever is most convenient for the participating minister and church. The pastor pays four percent of his salary and the church pays a like amount to which is added something by the Convention, and all these combined amounts draw interest. No one makes a cent of profit out of handling these funds.

The benefits to be derived from participation in these plans are:

1. If before reaching the age of sixty-five a pastor becomes disabled, an annuity is paid in proportion to the salary upon which he has paid while participating in the plan, not to exceed more than $500.00 a year. If after becoming disabled one should recover his health, he may re-enter the plan without surrendering his age retirement benefits.

2. When a minister, or full time church employee, reaches the age of sixty-five he may retire or he may continue to work. If he does not retire, he continues to pay into the plan. In any event he will be entitled to age benefits upon retirement; in direct proportion, not to the salary received, but to the salary

upon which he has paid 4 per cent and his church 4 per cent during his participation.

3. As a part of the regular Retirement Plan a widow is provided an annuity if her husband dies after he reaches the age of sixty-five. The amount of such annuity will be one-half the amount he was entitled to receive.

It is well known that many ministers or full time church employees would be in difficult circumstances right now were it not for the annuity being received monthly because of their participation in the Ministers' Retirement Plan.

These two plans, Ministers' Retirement Plan and Widow's Supplemental Plan, taken together, cost only about 12 per cent of the salary, 5½ per cent paid by the minister, 4 per cent paid by the church and 2 ½ per cent paid by the Convention; and provide a very fine coverage for a man in case of disability before reaching retirement age, for his widow in case of death before age sixty-five, and for himself and his widow after age sixty-five. Ministers, therefore, should make every sacrifice necessary to get into both of these plans.

The Raleigh office of the State Convention is ready and anxious to furnish any information to pastors, deacons, members of finance committees, and to wives of ministers, and in so far as possible, members of the Convention staff will come and discuss these plans with you.

Respectfully submitted,
EDWARD D. HOLBERT.

REPORT OF WINGATE JUNIOR COLLEGE

For more than half a century, Wingate, first as a High School and since 1924 as a Junior College, has been rendering valuable service to the cause of Christ. Her graduates are serving in all walks of life as loyal Christian men and women. Many of her students each year are being trained for full time work in some phase of Baptist life. Some to be missionaries, preachers, church secretaries, educational and music directors, and other like positions of trust and leadership will claim their talents and training in the rapidly growing Baptist life in this and other states.

The college year 1950-51, in face of financial difficulties has seen in many ways one of the best in the history of Wingate Junior College. The religious organizations have done a remarkable piece of work in pastoral work, supply, study courses, services at county homes and elsewhere. The College paper, "The Triangle", has gained national recognition. The athletic teams have won state and national ratings. The College is well on the way toward recognition by the Southern Association.

The Trustees have launched the second phase of the Building Program which was begun a few years ago. The Efird Memorial Library and the Alumni Building for housing men students have been completed meeting some of the needs of the College. The urgent need now is to erect a new dormitory to house young women and to renovate and repair the present buildings.

The cost of the program is estimated at $300,000. The Trustees are asking the 305 churches in the Eight associations, with a total membership of more than 75,000 to accept a quota of $150,000.00; the other $150,000.00 to be raised through Alumni, friends, business houses and corporations.

May each of our 43 churches in Stanly association do our best

for Wingate, that she may do her best for our young people in training them for Christian service.

Respectfully submitted,
M. S. McLAIN.

OUR DENOMINATIONAL SCHOOLS

The Christian Schools of North Carolina are of major importance in the development of a high standard of spiritual leadership and intellectual ability of our people to develop into well rounded ministers, teachers, and laymen, who are carrying on, and must continue to carry, the great load of responsibilities compatible to the spiritual growth of the masses of the people of our much loved state.

The Baptists of North Carolina are fortunate indeed, and should be justly proud of the educational facilities they are blessed with, and which are operating in so many advantageous points within the state.

Wake Forest College, for many years acknowledged to be one of the leading Christian schools of our state, has experienced a miraculous growth, and is now in the midst of the greatest era of expansion programs ever undertaken by any denominational school in North Carolina. It is destined to become one of the greatest colleges in the Southern Baptist Convention.

Other secondary colleges and schools include Wingate, Mars Hill, Meredith, Gardner-Webb, Campbell, and Chowan. All have enlarged facilities or are in the midst of reactivated programs. All of them are doing a great work in the field of Christian education, and their influence for good is being felt over the entire state and even beyond its borders.

Christian education, as taught in our Baptist schools and colleges, using an expression by Dr. C. E. Bryant in the Southern Baptist Brotherhood Journal, is "Education Plus". No truer description could be found. Education in our schools and colleges consists of the same factual data as taught in other colleges and schools, plus the Biblical interpretation which fits into God's plan or pattern for His people. A Christian education is a complete education, capable of giving purpose and direction to the study of history, literature, and science in our Christian schools. Students learn that science and Christianity can be combined effectively, and that they are closely related. Also, that one is incomplete without the other.

Jesus testified in John 8:32, "Ye shall know the truth, and the truth shall make you free". Realizing the important need for education based on truth, as contained in the Word of God and taught in our Baptist schools, it behooves all of us as members of this great body constituting the Baptist denomination in our state, to give generously our moral and financial support toward the enlargement and successful operation of both our secondary schools and colleges, which are faced with the gigantic task of educating our young men and women, and preparing them for lives of usefulness in the turbulent times of the present, and for generations yet to come.

Respectfully submitted,
WILL A. GREENE.

CHRISTIAN LITERATURE

It is an established fact that people are greatly influenced by what they read. In fact our conduct and our morals are much more effected by our reading than most of us realize. Since this is true, it is imperative that we as Christian leaders have the very best literature in our homes. We must do our utmost to place the very best in the homes represented in our churches and community.

The most effective way for us to overcome the cheap filth which is to be found at many news stands is to give the people something better. The only way to overcome evil is to crowd in the good. Our people will read something and the church is responsible to God for the opportunity of providing the best.

The Bible should be given first place in consideration of Christian literature. It is the source Book for all Christian literature. It can be a lamp unto our feet and a light unto our pathway. If we will hide its words in our hearts it will keep us in the right path when temptations come. It is not enough just to have Bibles on the table in our homes and churches. We must feed our minds and hearts the Bread of Life if we would grow strong as Christians.

There is no reason for our being ignorant of the affairs of the world as they touch us and our fellow Baptist around the world. We have our Baptist papers and periodicals of which we are very proud. We can truthfully say that they are the product of the Christian mind and heart. They present to us facts which we need to feed our minds upon.

Space would not permit my naming all the Christian literature made available to us by our denominational boards and agencies. I will mention only a few: Charity and Children, Biblical Recorder, The Commission, The Home Missions, Royal Service, Training Union Magazine, Sunday School Builder, and the Home Life.

Dr. M. E. Dodd said:

"A non-reading Baptist is a non-informed Baptist;
A non-informed Baptist is a non-interested Baptist;
A non-iterested Baptist is a non-cooperating Baptist;
A non-cooperating Baptist is just not much of a Baptist."

WADE H. JAMES.

MISSIONS AT HOME AND ABROAD

In Luke 24-46-47-48, Jesus said unto His disciples that it behoved Christ to suffer, and to rise from the dead the third day: and that repentance and remission of sins should be preached in His name among all nations, beginning at Jerusalem. And ye are witnesses of these things. Jesus' concern for people was real. He never saw need without wanting to help. When He saw the multitudes he was moved with compassion. He did not stop with merely being sympathetic: He did something about it. Our hearts condemn us as we realize our lack of comparison. We have said we care, but do our lives prove it? Jesus said, "This people honoureth me with their lips but their hearts are far from me" (Mark 7:6). He knows how much we really love Him and His lost world. In Matt. 28.10 Christ said go ye therefore and teach all nations. The co-operative program is a channel through which we send our dimes and dollars unto every great Southern Baptist

enterprise. We must give of our time, talent, and money to win a lost world to Christ.

Respectfully submitted,
W. B. HOLMES.

REPORT ON TITHING

Since "Southern Baptists are diverting to other purposes three-quarters of every dollar which God has declared holy"; North Carolina Baptists are giving just 3% of their earnings for all Christian endeavor; and Stanly County Baptists report only one tither out of every ten church members; it is time for us to adopt God's plan of financing His earthly kingdom.

Can you imagine an all-wise, loving Heavenly Father, who gave instructions in minutest detail to Moses in erecting the tabernacle and Solomon in building the temple, providing no specific plan for financing His kingdom on earth? No, God's Plan of Finance is just as clearly presented in His Word as is the Plan of Salvation.

Leviticus 27:30—"All the tithe is the Lord's; . . . it is holy unto the Lord". God is not poor. "The earth is the Lord's and the fullness thereof; the world, and they that dwell therein". Tithing is not man's way of raising money, but God's way of raising men! In tithing we put God first and show our love for Him, recognizing Him as owner of all. Tithing brings spiritual growth and stimulation, and is one of the answers to a crying need of a greater missionary program. Tithing is the solution to the financial problem of the church.

Matthew 5:17—"Think not that I am come to destroy the law, or the prophets; I am not come to destroy, but to fulfill". "Giving" in the New Testament takes the place of "tithing" in the Old; but in no way reduces the percentage to be given nor changes God's plan of finance. The tithe is but the beginning of giving. Surely the Christian, in love and gratitude to God for the gift of His Son, Jesus Christ, owes far more to Him under GRACE than the Jew ever did nuder LAW.

I Cor. 16:2—"Upon the first day of the week, let everyone of you lay by him in store as the Lord hath prospered him." The beauty of God's plan of giving is that everyone of us can share alike. "God loveth a cheerful giver", and you can't be a cheerful giver if you pay Him less than the tithe. We are not in position to receive God's blessings until we are financially right with Him. We may be Christian without tithing, but we can never be radiant, soul-winning Christians until we bring God our tithes and offerings and honor Him with the remainder of our substance. "Unpaid tithes are clogging the streams of salvation".

I am thoroughly convinced that tithers are the happiest, healthiest, most progressive and dependable promoters of God's kingdom and citizens of the world. Just try it and see, and I'm sure you'll agree.

MRS. M. A. SMALL.

REPORT OF THE HISTORIAN

North Albemarle Baptist Church

The Sixty-seventh Annual meeting of Stanly Baptist Association met with the North Albemarle Baptist Church and First Baptist Church of Oakboro on Thursday and Friday, November 1, 2, 1951.

North Albemarle Baptist Church was organized June 8, 1919, with 24 charter members, 11 of whom are still living, viz: Thomas Austin, Beadie Hatley, Rellie Bost, Ada Austin, Sara Fesperman, Kate Fesperman, T. F. Rogers, J. L. Thomas, Lillie Thomas, George Clayton and Sallie Clayton.

The following ordained ministers were present: Q. C. Davis, T. M. Sasser, J. Marvin Smith, W. J. Russell, W. B. Holmes and T. J. Rogers. Rev. Q. C. Davis was elected moderator, and T. M. Sasser was clerk. The first pastors were Rev. T. F. Rodgers, C. B. Reid, D. E. Deaton and J. S. Tyson.

The Church was received into the Stanly Association in 1919, and the first services were conducted in a small store building in Happy Hollow, 20 yards from the present site. By 1921 the small store building proved to be inadequate for the program of the church. A frame building, with basement and six Sunday School rooms was constructed and dedicated in 1921. As the years passed, the buildings again proved too small for the growth of the Church. In 1946, through the generosity of Wiscassett Mills Company, a tract of land was donated on which the present Educational building stands. This building constructed of brick in 1949 at an approximate cost of $50,000 has an auditorium with a seating capacity of 500, and 26 rooms. The new Church auditorium, the Educational building and the Parsonage have been completed within the past two years.

The following ministers have been sent out from this Church: Leland Mabry, Tom Hearn, H. W. Stallings, Henry Biles, Reid Harris, Everett Smith and A. B. Cranford. All were ordained to the full work of the ministry.

The Church has reported a Sunday School since 1919. The weekly prayer meetings, the Woman's Missionary Society, and the Young Peoples' organizations have been of inestimable value for their training and Christian influences.

Rev. W. B. Holmes has been pastor for the past fifteen years. Through his efforts, and those of the members of the congregation, he had made a very fine contribution to the progress and up-building of the Church.

Respectfully submitted,
MISS NORA EDDINS.

Oakboro, First Baptist Church

The First Baptist Church of Oakboro, located on Main Street, was constituted in 1916, following meetings held by the Rev. J. S. Harris, Rev. A. C. Davis, and Rev. C. C. Byrd. The organization was made in a small store building under the direction of J. S. Harris, D. P. Morris, and Rev. R. P. Walker, Pastor of Albemarle, First Baptist Church. Worship services were held in the Methodist church for several months.

The church was received into the Stanly Association in 1916. In November of 1917 work was begun on the new building, a large two-story frame structure with an auditorium and thirteen Sunday School rooms. In 1935 more Sunday School rooms were added.

The first resident clergyman, Rev. J. Adam Grubb, a graduate of Wake Forest College, served from 1916-1918. The following in succession have served as Pastors: J. C. Gillespie, C. J. Black, J. N. Black, Frank Gaddy, L. D. Munn, Ray Smith, Eugene Byrd, Sam Long, Ronny Pierce, and M. S. McLain.

By 1941 the building proved too small for the program of the church, so another building program was begun under the leadership of the Pastor. A Building Committee consisted of B. M. Rogers, Chairman, R. E. Drye, R. C. Hatley, Silas Curlee, Eugene Arrowood, Seymour Whitley, M. S. McLain, and M. L. James. This committee drew up plans for a building that would serve the town for many years. A lot on Main Street was purchased for the building. Ground breaking services were held on January 9, 1950. The first service was conducted in the new church on Easter Sunday, 1950.

The new edifice, erected at a cost of approximately $65,000, is modern in every detail. The church and Sunday School have both shown a decided growth. There are 221 members of the church, and the Sunday School enrollment is 246.

REPORT OF SUNDAY SCHOOL — 1951

During this associational year, we have endeavored to enlist Sunday School officers enough to have someone responsible for every department of the Sunday School. However, this goal has not yet been realized, but we will continue working toward this goal in the new year.

The associational Sunday School organization has promoted three meetings this year. The first of these meetings was held at the First Baptist Church to promote the simultaneous revival through a religious census. The second of these meetings was a Vacation Bible School Clinic held at the Anderson Grove Baptist Church in May. At this meeting we had Mr. Sibley Burnette from Nashville and state leaders to help us prepare for better Bible Schools in the Churches. Thirty-one Churches had schools; 24 sent in reports that listed 2,586 enrolled, 2,234 average attendance and $270.37 offering given to the co-operative program. Thirty-two professions of faith with 13 joining the Church were reported from these schools. The last of these meetings was the planning meeting held at Fairview Baptist Church September 18. At this meeting the theme, "Planning Preceeds Progress" was used in cooperation with the plans of the Southern Baptist and State conventions. Nineteen

Churches were represented with 10 pastors present and 12 Sunday School Superintendents present. Goals for the association were set as follows: 1. Cradle Roll Dept. in every church; 2. An associational Central Training School with teachers and officers from every Church attending; 3. 43 churches with teacher training; 4. 400 training awards; 5. A Vacation Bible School for every boy and girl in our association; 6. Five standard Sunday Schools.

For the past two years the Southern Baptists have been following a program centered in the theme, "Take Your Family to Sunday School". This is the closing year of a very successful program as indicated by the following statement that appeared in the September issue of the Christian Herald: "In 1950 Southern Baptist Sunday Schools showed the greatest growth in their history. The total now over five million." What happens in 1952 will depend not on your neighbor, but on you.

Jesus spent much of his time in his earthly ministry in teaching. When his mission was completed on earth He left this commandment for the Church, "Teaching Them to Observe". In the face of this challenge can we afford to give our people less than our best in Bible teaching? This can only be done when hearts beat together. Let us then unite in our prayers and efforts as we seek to "rightly divide the word of truth".

Respectfully submitted,

ALFRED E. STALEY.

REPORT ON THE TRAINING UNION

The 1951 theme for Training Union work is "Choose You This Day". The purpose of this theme, as it has unfolded throughout the year, has been to help us make all of life's choices in the light of God's will. Christ is counting on us to make right choices. I should like to mention a few:

1. Christian Friends or Worldly Companions.

Our deepest desires guide us in selecting the objects for our friendship. Allowing oneself to become closely attached to an evil person results in a dangerous friendship. Association with good people results in the formation of benevolent friendships. A Training Union leader who is a real Christian may make a great contribution in their influence. Friendships which build the soul and enrich it for eternity may be formed by every Christian.

2. Knowledge or Ignorance.

"Study to show thyself approved unto God . . . " The way of knowledge beckons to each one, but it must be chosen. A church member does not drift into the knowledge that is essential for his Christian life. Knowledge comes only through study. Failure to choose knowledge means the acceptance of ignorance. The Bible is an open Book for all who will open it and allow the Holy Spirit to illumine their minds to understand its precious truths. Our Training Union gives its members opportunity and challenges them to do real study.

3. Creative Living or Aimless Drifting.

God has made it possible for each life to be a creative experience from beginning to end. But there is also the danger that each life may be an aimless voyage over the sea of time. God's purpose for each one of us is good. The daily Bible reading and daily prayer period in each life is a good time to start creative living for the day. Our Training Union should educate people in creative living; teach them eternal truth, develop them in spiritual skills,

and create in them a joy which passes understanding. Creative living is living with a purpose. God wants each one of us to live that way.

4. Christian Democracy or Human Slavery.

A true church of Jesus Christ is a spiritual democracy. It is a place where all members are on an equal plane at the foot of the cross. It is a place where all recognize that God is no respector of persons. The Training Union is a place where everybody is somebody, where all have equal rights and privileges, and where all should and do participate in all of its programs and affairs.

5. Uprightness or Wickedness.

In the field of decision the Christian must choose every day between uprightness and wickedness. The power of God is available to help him to walk in the ways of uprightness, but he must choose to receive that power and to walk uprightly. One of the aims of Training Union is to help us live uprightly, develop soundness of character, purity of life, and strict honesty in dealing with others. If great goals are to be reached great effort must be put forth. In a Training Union every member should have a job. Participation in the total task is an individual responsibility and a glorious privilege.

6. God or Mammon.

"No man can serve two masters: for either he will hate the one and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon". These words are both a challenge and a warning. Serving mammon will make a soul so small that he will always be critical of his church, disloyal to its program, and a reproach to its Lord. When God is served, what happens? The Christian steward who keeps God in first place grows a stalwart Christian character. Happiness comes to him. When God is served in spirit and truth love dominates his life. He can pray even for his enemies. He has a sense of security. Young people, as well as old, today need to feel, perhaps more than ever before, a genuine sense of security, such as can be felt only when they choose to put God first in their lives.

7. Conviction or Compromise.

We must choose every day whether we shall be true to our convictions or compromise those convictions. In the field of human behavior the word "compromise" implies that there might be a watering down of what we consider to be right and of what we believe. The programs of our Training Union help teach:

The worship of God is right and idolatry is wrong.
Humility is right and pride is wrong.
Consecration is right and worldliness is wrong.
Reverence is right and sacrilege is wrong.
Love is right and hate is wrong.
Justice is right and injustice is wrong.
Forgiveness is right and unforgiveness is wrong.
Christ is right and Satan is wrong.

We now have 14 Training Unions in the Association, 3 of which were organized this year. We had 3 meetings during the year with an average attendance of about 275. Our next Mass meeting will be held December 10, at West Albemarle Church. Won't you plan to come, if you have or do not have a Training Union in your church? Will you choose to organize one this next year?

To every man there openeth
A Way, and Ways, and a Way.

And the High Soul climbs the High Way,
And the Low Soul gropes the Low,
And in between, on the misty flats,
The rest drift to and fro.
But to every man there openeth
A High Way and a Low.
And every man decideth
The Way his soul shall go.

—John Oxenham.

REPORT OF THE WOMAN'S MISSIONARY UNION, STANLY ASSOCIATION

"For ye serve the Lord Christ", Colossians 3:24b, has been the North Carolina Watchword for W. M. U. Through its program of missionary work as well as the example given us by Jesus in their synagogues, and preaching the gospel of the kingdom, and healing all manner of sickness and all manner of diseases among the people."

Ours is a program of study, prayer, stewardship, community missions and missionary education of our young people. We are Missionary Baptist and as we learn more of the ideals as set forth in our W. M. U. plan of work, we become more deeply convinced that we serve God and our fellowman through our missionary endeavors.

Local churches are becoming more interested in having W. M. U. work on their calendar of events. We have W. M. S. in 30 of our churches and young peoples' organizations in 23. There are 16 Y. W. A., 28 G. A., 16 R. A. and 20 Sunbeam, making a total of 110 organizations. These represent a membership of 941 W. M. S. and 1,051 young people, making a total of 1,992.

Through their monthly programs, their mission study classes, their seasons of prayer and attendance at state conferences, our organizations have learned of the missionary challenge and of the work being carried on. Through the stewardship plan, they have learned the overall picture of stewardship, that of giving themselves, their time, talents, opportunities as well as their gifts. Community Mission gives them an opportunity to serve their fellowman and make definite efforts toward winning souls.

Our reports are most encouraging; but when we view our work in Stanly County and compare it with what we should be doing, we are inclined to say that the fields of Stanly County are white unto harvest. There is the opportunity and there is the challenge for us as we make plans for our new year's work.

Respectfully submitted,
MRS. ED HOLBERT.

REPORT OF RESOLUTIONS COMMITTEE

I. RESOLUTION of the Stanly Baptist Association requesting the President of the United States to withdraw the appointment of General Mark Clark as Ambassador Extraordinary and Plenipotentiary to the Vatican.

WHEREAS, the President of the United States has announced

the appointment of General Mark Clark as Ambassador Extraordinary and Plenipotentiary to the Vatican; and

WHEREAS, the Vatican consists of a territory of less than one-quarter of a square mile and has a population of only a few hundred; and

WHEREAS, a cardinal principle in the founding of the government of the United States of America was separation of Church and State; and

WHEREAS, the undue recognition of a small plot of ground and a small handful of people by the appointment of a representative with the highest diplomatic rank accorded to the great nations of the world constitutes a violation of the cardinal principle of separation of Church and State; and

WHEREAS, the recognition of sovereign government by a Church is both inconsistent with and contrary to the American conception of separation of Church and State.

NOW, THEREFORE, be it resolved by Stanly Baptist Association in regular annual session assembled:

1. That the President of the United States be and is hereby requested to withdraw the nomination of General Mark Clark or any other person as Ambassador Extraordinary and Plenipotentiary to the Vatican.

2. That the United States Senate is hereby petitioned to refuse to confirm said nomination of General Clark.

3. That a copy of these resolutions be forwarded to the President of the United States.

4. That copies of these resolutions be transmitted to United States Senators Clyde R. Hoey and Willis Smith with the personal request that each of them vote against the confirmation of the appointment of General Clark.

Duly adopted by unanimous vote November 1, 1951.

II. Be it resolved that we express our deep appreciation to North Albemarle and Oakboro Baptist Churches for their generous hospitality evident through a bountiful meal, lovely flowers for the occasion, and kind assistance in every way of members of the host churches. We are grateful to the program committee for a splendid program made inspiring and challenging by messages of the various speakers. We want to express deep appreciation to Rev. Leo Hawkins for the moving sermon entitled, "The Famine of Love" and to Rev. W. W. Hill, Moderator who presided so efficiently and faithfully over the meetings.

III. Be it resolved that we send from this association words of appreciation and love to Rev. Hoyle Love, who is a patient in Presbyterian Hospital, Charlotte; to Rev. W. B. Almond, retired minister; and to Rev. D. P. Morris, another retired minister who are absent from this meeting because of illness.

Respectfully submitted,

FLOYD HELMS.
O. H. BOLCH.

Miss Ella Sue Gravitte possessed a limited amount of physical strength and was called to her Heavenly Reward on May 8, 1952. In spite of her poor health, though, she served our Association faithfully as Secretary until that time. Therefore, we dedicate the 1952 Minutes of the Stanly Baptist Association to her memory.

Preamble of the Constitution of The Stanly Baptist Association

We, the people of the Stanly Baptist Association of Stanly County, North Carolina, hereby declare that the Association shall have no power to infringe upon the sovereignty or the rights of the member churches. It is neither an ecclesiastical legislature nor council nor court of appeal. It may advise the churches and recommend measures for usefulness for their adoption, but cannot bind them in any way. Yet, in view of the combined wisdom, piety and intelligence of the body, it may justly claim for itself, for its objects, and its recommendations, the very highest consideration, regard, and cooperation. For these reasons we do hereby ordain and establish this Constitution.

Constitution of The Stanly Baptist Association

Article I. This body shall be known as the Stanly Baptist Association.

Article II. It shall be composed of messengers, elected by the churches connected with this body and ordained ministers who are members of or laboring in connection with said churches. Each church shall be allowed three messengers for the first two hundred members or fraction thereof, and one for each additional fifty members. No courtesy seat shall be extended to any person, or persons, other than such messengers as are herein provided.

Article III. The object shall be to devise and recommend measures for increasing the harmony, the intelligence, and the spiritual power of the churches, and for developing and directing their energies, their resources and their gifts and advancing the Redeemer's Kingdom through cooperation with the North Carolina Baptist Convention and the Southern Baptist Convention.

Article IV. The association shall hold two sessions annually. The first session shall be held on Thursday and Friday after the fourth Sunday in October and shall be for reports, discussions and business matters. The second session shall be held in the spring at the discretion of the executive committee. Its purpose shall be for information, inspiration, and fellowship. Hours of meeting for all sessions shall be set by the executive committee.

Article V. Any church that fails in the support of the denominational program or through pastor or membership acts contrary to the policies and practices of the association, will have at the close of two years automatically withdrawn itself from the association, subject to the notification and action of the executive

committee. The actions and notifications of the executive committee shall preceed the final date of withdrawal by at least one calendar year.

Article VI. It shall be the duty of the churches to appoint as messengers as far as practicable, their most capable members, to require their attendance, and to send with them a contribution or mail with the church letter to the clerk to pay for the printing of the minutes and other necessary expense.

Article VII. It shall be the duty of each church to send an annual letter to the association giving all information requested in the form mailed to the clerk of the church by the clerk of the association.

Supt., BTU Director, Pres. of the Brotherhood, Chorister, Pianist, Historian, Clerk and Treasurer, who shall be elected at each annual session, after the names of the messengers have been enrolled; and shall take their office at the close of the present annual session, and continue until the close of the next Annual Associational Session. No moderator shall serve for more than two consecutive sessions.

Section 1. It shall be the duty of the moderator to open the meeting punctually at the time appointed; to enforce rules; to preserve order; and to exercise all the prerogatives of a presiding officer according to the principles established by parliamentary usuage. It shall be his duty to appoint a committee on committees at the meeting of the association and to preside over the executive committee.

Section 2. It shall be the duty of the vice-moderator to discharge the duties of the moderator in his absence.

Section 3. It shall be the duty of the clerk to keep a faithful record of the proceedings of the body, and to superintend the printing and distribution of the same, and to keep on file the printed minutes and other important documents belonging to the body. He may appoint an assistant when necessary. He shall be paid a nominal sum for his services at the discretion of the executive committee.

Section 4. It shall be the duty of the Treasurer to receive and disburse the money contributed to the associational fund, as directed by the body and to make an annual report of the same. He shall be a member of the executive committee.

Section 5. The Associational S. S. Superintendent, T. U. Director, and Brotherhood President shall fulfill their office as directed by their denominational agencies.

Article IX. Committees and Duties: The committees of the association shall be as follows: Committee on committees, Executive Committee, Nominating Committee, Resolutions Committee, Ordination Committee, Committee on Enrollment, Committee on New Churches, and Program Committee.

Section 1. It shall be the duty of the Committee on committees to nominate all of the committees of the association that are elected at the annual meeting, except those provided for in Section 3. All persons placed on committees shall be notified prior to their appointment.

Section 2. The Executive Committee shall be composed of the Moderator, Vice-Moderator, Clerk, Treasurer, S. S. Supt., BTU Direc-

tor, Brotherhood President, WMU President, all Pastors and one representative from each church, and shall serve for the association at interim. The representative from each church shall be elected by the church to which the member belongs.

Section 4. The Resolutions Committee shall consider all and report all resolutions presented to the association.

Section 5. The Committee on Time, Place, and Preacher shall make recommendations at the annual meeting for the next annual meeting of the association. No minister with less than a year's associational service is to be selected to preach the annual sermon. The committee shall also appoint the preacher for the doctrinal sermon on the second day.

Section 6. The Ordination Committee shall serve in an advisory capacity to all churches considering ordaining a candidate for the ministry. This committee shall be made up of five ordained ministers, and all churches are asked to consult with this committee before forming a Presbytery.

Section 7. The Enrollment Committee shall enroll all messengers elected by the churches and reported in the church letters.

Section 8. The Committee on New Churches shall make recommendation to the association on churches petitioning for membership. Any group of Baptists in the bounds of the association desiring to be organized into a Missionary Baptist Church shall seek the advice and help of the executive committee in the organization and in the location of their building. Any group deliberately ignoring this request shall not be officially recognized.

Section 9. The Program Committee shall plan the program and order of business for both the spring and fall associational meetings.

Article X. The Stanly WMU shall be recognized as an affiliate of this body and shall be granted no more than two (2) pages in the associational minutes for reports.

Article XI. All written reports given to the Association in session shall not exceed one hundred and fifty (150) words each.

Article XII. The Executive Committee of the association shall transact business for the association at interim. It shall have the authority to define and supervise the duties of associational workers and to carry on all necessary and incidental business of the association.

REPORT ON CHRISTIAN EDUCATION

It is not difficult to give evidence of the tremendous contributions of the institutions to the life of our denomination. Of 827 missionaries under appointment on January 23, 1952, by our Foreign Mission Board, 806 (97.5%) attended a Southern Baptist College. Five in six of our pastors with college training came from our own colleges.

In Stanly County this year 207 finished high school and perhaps about 12 of these went to a Baptist College.

The State of North Carolina appropriates $500 per student each year. Baptists appropriate $100 per student. Therefore the churches of this Association, and every church in our state and every state in the Southern Baptist Convention should give more money to Christian Education.

Pastors and Laymen should publicize our 7 colleges and direct those seeking training to them. "Our colleges have weaknesses—these can be corrected. They have needs—these can be met. They have nothing though, until we give them our own to minister unto."

Respectfully submitted,
FLOYD HELMS

REPORT OF OUR ORPHANAGE

At the Baptist Orphanage in Thomasville, the new Print Shop has been in use about 5 months. Mr. Beck, manager of the shop, showed us around and told about the publicizing end of the Orphanage, on our recent visit there. We were particularly interested in the big modern printing machine that is hardly excelled anywhere.

The Infirmary is already in use but some parts of it are not completed. This is an important part of the Orphanage because it takes care of those who are sick and those who are accidentally hurt.

A new Recreational Building is about half completed, which will give the children a place for fellowship and play even in the roughest of weather.

A new Cottage has been built and several of the old ones have been repaired.

The old church building is being torn down and a larger building is to be built. The children will then have ample room for Sunday School and Worship.

REPORT OF NORTH CAROLINA BAPTIST HOME FOR THE AGING

Resthaven opened on March 16, 1951. Soon afterwards it was filled to capacity, twenty residents. Had rooms been available, our Home probably would have 200 residents now.

Last year Resthaven was operated clear of a deficit. Of course, the Home was compelled to charge the cost of keep from the residents who came on the monthly-pay plan. The income from this source, together with that coming from residents giving property or cash for their maintenance, plus donations by churches and auxiliary organizations and friends, enabled the Home to pay its way and to accumulate assets in excess of $100,000.

Beginning the year 1952, with the new Nine Year Program, our Home receives three-fourths of 1% of the funds to be divided. From this source has come less than $500 per month since January.

Suggested plan for supporting the Home are: 1. Fifth Sunday offerings through the Sunday School; 2. A special day offering; 3. Putting the Home in the local church budget.

LEO F. HAWKINS

REPORT OF NORTH CAROLINA BAPTIST HOSPITAL — 1952

It is the business of our Hospital to do all in its power to say "Yes", to pleas which come out of sickness and poverty. It is our opportunity through our Mother's Day Offering to make it possible for our Hospital to answer these calls for help from those who have little or no money. Last year, more than 10,000 people were cared for as bed patients in our Hospital. There were 95,000 visits made to the clinics for examinations and treatments. A large number of these were people who could not pay for the care they received.

The construction of the new wing to the Hospital is now well advanced. This will greatly enlarge our ministry to the sick, adding 150 new beds and many other badly needed facilities. It is hoped that before this year closes every one of our churches will have done its part in helping with the cost of this building.

REPORT ON MINISTERIAL RELIEF AND ANNUITY

The Baptist State Convention of North Carolina cooperates with the Relief and Annuity Board of the Southern Baptist Convention to provide:

1. Annuities for ministers and full time church employees of Baptist Churches, who participate in the plan. These participants may retire when they reach sixty-five years of age or if disability occurs before the participant reaches the age of sixty-five.

2. Annuities for widows in the event of the death of the member before reaching sixty-five.

The minister pay 4% of his salary and his church matches this amount. The Convention provides the remainder.

For the Widow's Supplemental Annuity Plan the pastor pays 1½% and the Convention pay 1½%. The church does not contribute toward this Fund.

All churches should see to it that their pastor has the opportunity to participate in the Retirement Plan. THE CHURCH SHOULD MAKE THE FIRST MOVE IN PROVIDING THIS SERVICE TO THEIR PASTOR.

REPORT OF COMMITTEE ON RESOLUTIONS

I. Be it resolved that we the pastors and messengers, of the Sixty-Eighth Annual Session of the Stanly Baptist Association, express our thanks to God for all the blessings received by our churches during the past year, to Anderson Grove and Locust Baptist Churches for their gracious hospitality shown to us through a bountiful meal and lovely flowers for the occasion, and for the kind assistance of all members of these churches which was shown in so many ways. We note with gratitude that every phase of our work except the Baptist Hospital registered an increase according to the digest of church letters. To our moderator, Rev. O. H. Bolch; clerk, Warren L. Coble; and treasurer, Miss Ruby Cathey, we express our gratitude for their faithful service and leadership.

To the program committee and to those who brought reports and addresses we express our grateful thanks for a splendid program which has brought inspiration and enlightment for our task ahead.

II. WHEREAS, Miss Ella Sue Gravitte served our Association so faithfully in spite of her limited physical strength; and

WHEREAS, because of poor health she had to give up her position as Secretary for the Stanly Baptist Association; and

WHEREAS, our Heavenly Father saw fit to call her to her Heavenly reward on May 8, 1952.

NOW, THEREFORE, be it resolved that we dedicate this year's Associational Minutes to her memory and send a copy of said minutes to her family.

REPORT OF THE HISTORIAN

Anderson Grove Baptist Church

The Sixty-Eighth Annual Session of the Stanly Association met with Anderson Grove Church on Thursday, October 30, 1952.

Anderson Grove Church, constituted in 1854, was a member of Pee Dee Association from 1856-1868; a member of Rocky River Association as early as 1872, and was received into the Stanly Association in 1888.

The early records of the church show that several members of Kendall's Church petitioned to be organized into an independent church. The request was granted, and a new church was organized under the name of Liberty Hill Baptist Church. Rev. B. H. Carter was elected as moderator of the Presbytery and Samuel Morton was elected as clerk.

On the same day, October 25, 1854, the church held her first conference. Elisha Layton was appointed church clerk; Alexander Biles and Franklin Layton were elected as deacons. Reverend B. H. Carter was the first pastor. Others who have served since are Revs. Stokes, Samuel Morton, J. W. Littleton, E. M. Brooks, Oscar Haywood, J. W. Suttle, B. G. Whitley, J. A. McKaughan, J. L. Kirk, N. C. Coggin, John Kimrey, Ralph Harris, and the present pastor, W. J. Russell, who has served faithfully for fifteen years.

The old records show that the original church was a log building located a few feet from where the present church stands. A few years later, 1886, the name of the church was changed to Anderson Grove in honor of Dr. Dick Anderson who donated the land and lumber for a frame building. This building was repaired in 1904, and again in 1936.

A new brick building has recently been completed and furnished at the approximate cost of $87,500. The building has twenty Sunday School rooms, pastor's study, a full basement with an adequately equipped kitchen. The auditorium with a seating capacity for several hundred people on the main floor also

has a large balcony. Lewis Asbury of Charlotte was the architect for the new building. Rev. W. J. Russell and the Building Committee have succeeded in building one of the most attractive houses of worship in the country.

Space does not permit giving further details of the continuing growth and development of the church which now has a membership of 378; a Sunday School enrollment of 361; W.M.U. organizations with enrollment of 69, and Training Unions with a total enrollment of 131 members.

The power of the church for good is beyond human estimation. The older members have done a great work in organizing and training the young people in efficiency that shall give them power, with God's help, to accomplish still greater things for the Master.

Respectfully submitted,
NORA EDDINS

SUNDAY SCHOOL REPORT STANLY ASSOCIATION

A comparison table of the Sunday School enrollment of 1951 and 1952 will give an idea as to what constitutes our enrollment and what gains have been made this year.

Thirty-three churches reported Vacation Bible Schools in 1952 while only 28 were reported in 1951. The 1952 enrollment reached 3,655 while in 1951, only 2,993 were enrolled. We had a net gain of 662 in Vacation Bible Schools in 1952.

The past is behind us, the future is ever before us.

REPORT ON THE TRAINING UNION

Another year has passed and still there is plenty of work to be done for Jesus Christ, our Saviour, in the enlisting and training of our people in Training Union.

We have 84 unions in 16 churches, with a total enrollment of approximately 1400.

This year we have had more churches conducting Study Course Weeks; as well as observing Youth Week in the various churches.

However, there is much to be done yet! Every church needs a Training Union. Only through the efforts and prayers of the individual members of each church, along with its pastor, can such an accomplishment be made, thereby greatly improving the spiritual development of its people.

The challenge that come to our hearts today is—Let us be constantly at work in the greatest business of all times, that of winning the lost to Christ, and then properly training them in His work.

Respectfully submitted,
MRS. C. T. REDWINE, JR.

W.M.U. REPORT TO THE STANLY ASSOCIATION

Through the ages women felt that they should heed Jesus' command to "Go Ye" and as a result we women have Woman's Missionary Union.

Last year 2 missionary societies and 13 young people's organizations were added, giving us 32 missionary societies and 83 young people's organizations with a membership of 1983. Fourteen churches have full graded unions.

Last year our members gave $4,450.23 to our mission program through special offerings.

Through prayer, study and mission study classes our eyes are opened to the needs of the world.

Our members have reported the following: 371 subscriptions to the Biblical Recorder; 1076 subscriptions to W.M.U. periodicals; 181 mission study classes; 1330 members reading books; 1289 members engaged in directed community missions.

Our goals for this year are to strengthen all phases of our work with fully graded unions in all our churches.

MRS. ED. HOLBERT

REPORT OF BROTHERHOOD

A total of eleven Brotherhoods are reported in our Association. Other churches in Stanly will organize Brotherhoods in the near future.

The Baptist Brotherhood operates in two areas:

1. Promotion of the New Birth.

2. Spiritual projects.

A Brotherhood must do 5 things in order to be healthful, effective and successful:

1. The Brotherhood must be organized.
2. The Executive Committee must meet once each month.
3. The Brotherhood must have a definite time for meetings.
4. The Brotherhood must have good programs.
5. The Brotherhood must carry on purposeful activities.

With the above report and in the line of these suggestions I recommend that we set up a Stanly Associational Brotherhood organization in keeping with the plan of the Baptist Brotherhood of the South which is as follows: An Associational President, an Advisory Council composed of three laymen and three pastors, an Executive Committee composed of a Program Vice-President, Activities Vice-President and Promotion Vice-President, a Chorister, and Secretary-Treasurer.

CHRISTIAN LITERATURE

From the dawn of Creation until now, people have cried for light and more light. The state or the nation cannot get along without it, and the denomination cannot make real headway without it.

We should encourage the reading of good literature, and do all within our power to see that our homes are well supplied.

The Bible says, "Study to shew thyself approved unto God" and are we being approved by God if we read trashy literature?

We would recommend that our pastors and leaders do all possible to discourage the reading of degrading literature, and encourage the reading of the Bible, the greatest piece of literature ever written. Also in the class of good literature come our denominational magazines such as "Biblical Recorder"; "Charity and Children"; "Commission"; "Home Missions"; "Home Life"; "Royal Service"; "The Window"; "World Comrades" and others.

REPORT ON TITHING

Have you ever stopped, just to think how much of every dollar we as Southern Baptists are devoting to the purpose of God? We are using ¾ of every dollar which God has declared holy, for other purposes.

When we as Stanly County Baptists can only report one tither out of every 10 church members, don't you think it is time to adopt God's plan of Giving? What is God's plan? Giving to God the tenth of what we possess in our lives!

When Southern Baptists (Stanly County included) become as interested in tithing as they are in various clubs, we will be able to promote Christian Education; administer to the sick through the Baptist hospitals, and put more Missionaries on the Home and Foreign fields, as well as carrying on the other causes of the Southern Baptist Convention.

Tithing is an individual matter. So, don't rob God.

Respectfully submitted,
J. G. ALDRIDGE

REPORT OF THE HISTORIAN

Locust Baptist Church

Locust Baptist Church was constituted in 1884. For some time before the church was constituted, probably as early as 1870, Bro. Henderson Carter and others conducted services under a brush arbor near where J. M. Hatley's house stands. When the public school house was built, about 1883, services were held in it, and in May of 1884, an organization was perfected by Rev. G. A. Honey-

cutt, W. G. Morton, Washington Russell, with Rev. W. G. Morton as pastor. Ensley D. Teeter united with the church on the same day and was elected as clerk, secretary and treasurer.

The new church was duly constituted with twelve charter members but their names were not recorded. Only one deacon was mentioned — that of Jas. A. Furr. A one-room structure was erected and preaching services were held once each month — with preaching, and conferences on Saturdays preceding the Sunday morning service. The church was a charter member of the newly organized Stanly Association in 1885.

During the 68 years of the church's existence, 31 ministers have served as pastors — several served a number of years. The following ministers have been ordained and sent out from the church: Ensley D. Teeter, Columbus Huneycutt, Dr. C. C. Burris, and Spurgeon Dorton.

No Sunday School is mentioned in the minutes until 1891, when J. D. Teeter was appointed Superintendent. Many of the older members showed little interest, but the young people of the church and community carried on. In 1894, a Woman's Missionary Society was organized and Mrs. R. W. Simpson became its first president.

As the years passed the church outgrew the building and a larger frame building was erected. A few years later four Sunday School rooms were added. By 1947 the old building became inadequate so it was deemed necessary to build another more modern house of worship. A building committee was appointed. Land adjoining the cemetery lot was purchased, and the new church was built on the present site. This handsome new brick building, valued at $75,000, is modern in every detail.

It would be impossible to give too much credit to the membership of the church for their loyal support of this building program, and of the large expenditures necessary to complete the work.

As to the organization of the church, it has 157 members, a Sunday School enrollment of 159 with an average attendance of 106. The Woman's Missionary Society is under the direction of Mrs. Marcus Carriker, and is very active in all phases of W.M.U. work. It has a membership of 46.

Resolution

WHEREAS, Rev. W. B. Almond, who was so affectionately known as "Uncle Billy Almond", served so faithfully as a minister of the gospel in the Stanly Association, and

WHEREAS, because of poor health during the last years of his life was not an active Minister but still manifested a keen interest in the work of the Baptist in Stanly County; and

WHEREAS, our Heavenly Father deemed it wise to call this faithful Servant to His heavenly reward on January 26, 1953.

NOW THEREFORE, be it resolved that the 1953 Associational Minutes be dedicated to the memory of "Uncle Billy Almond" and that copies of said minutes be sent to members of his family.

The Preamble of the Constitution the Stanly Baptist Association

We, the people of the Stanly Baptist Association of Stanly County, North Carolina, hereby declare that the Association shall have no power to infringe upon the sovereignty of the rights of the member churches. It is neither an ecclesiastical legislature nor council nor court of appeal. It may advise the churches and recommend measures for usefulness for their adoption, but cannot bind, them to any way. Yet, in view of the combined wisdom, piety and intelligence of the body, it may justly claim for itself, for its objects, and its recommendations, the very highest consideration, regard, and cooperation. For these reasons we do hereby ordain and establish the Constitution.

Reports

The Mountain View Baptist Church constituted of 55 members, was accepted under "watchcare" of the Stanly Baptist Association last year, at the first session of the annual meeting, held with the Anderson Grove Baptist Church, October 30th, 1952.

This Church has expressed its desire to enter our fellowship in that, it asked for admission into our Association, on the above date.

Your Committee, can only examine reports and try prayerfully, to do what is best for the Church and our Association.

Upon examining reports and a church letter that was sent to our moderator, giving a complete digest of this year's work; and after checking our state Baptist Annual, we found that they have for a pastor Rev. George Honeycutt, who is listed as an ordained Baptist Minister.

We therefore, recommend that Mountain View Baptist Church be accepted on the basis, that they cooperate fully in the Association's objects, and its recommendations, and give highest consideration, regard and cooperation to its constitution.

Respectfully submitted,

J. BOYCE BROOKS,

Christian Literature

Someone has already said, "you are a part of all that you have read". Yet it still remains a truism beyond dispute, that as our people read, so are they. A well-informed Baptist must be a well-read Baptist. Christian literature purchased and unread is not only a waste of the substance God has endowed us with, but it is also a misuse of our time and talents to neglect to keep ourselves informed about our Christian responsibilities and opportu-

nities. Only as we are accurately informed about our local, state and world-wide Baptist affairs can we intelligently participate in the carrying out of the great commission. We shall only be interested to the degree that we are informed and we shall only be informed to the extent that we are willing to invest our time and money in our Christian literature.

We should receive, read, and meditate upon our own Baptist papers, journals, and magazines. When we have finished our own personal use of them we should pass them along to someone else who may be able to use them wisely. Many such people can be found if we will only look around us and seek for them diligently.

Respectfully, submitted,

NELSON A. HAYES

History of First Baptist Church of Albemarle

Prior to the first time the congregation held services in the first Baptist Church building in Albemarle in 1892, all services were held in the framed Court House and school house in Albemarle.

In 1887 the Stanly Association "discussed the destitute Baptists at Albemarle". Today the First Baptist Church of Albemarle claims the distinction of being the first church to receive aid from the State Board, the pledges of the Stanly Association and individual collections on the field for the purpose of organizing and admitting it to the Association, at Palmerville, 1889. "Under directions of the State Board and Executive Committee, receiving aid from both, Bro. J. M. Bennett has been employed one-fourth of his time during the year 1889 at Albemarle as a Missionary, where he has organized a Church which now has a membership of seven: Bro. J. M. Bennett, Pastor; J. R. Burris, Clerk; Elizabeth Austin, Noah Pennington, Josephine Pennington, David R. Seago and wife, Hannah. Contributions, $2.50."

1891-2 Elder J. C. Denny, Pastor, same aid, purchased lot 1891; 1892 nearly completed house of worship. Debt $200. Members 23.

Part 1892-3 Rev. G. O. Wilhoit, Pastor, completed church; for first time congregation met in a church house to worship; entertained Association 1893.

1894-7 Rev. J. W. Suttle first residental Pastor; parsonages erected 1895, 1901, 1920.

1919 Brick church completed; 1952 Brick Educational Building added to this Church, at cost of $229,000.00—Total valuations approximately $500,000.00.

1953 Present S. S. enrollment 705; membership church 811.

Respectfully, submitted,

MRS. LULA SHAVER, Church Historian.

Missions at Home and Abroad

Home Missions

Dr. J. B. Lawrence, the retiring secretary of the Home Mission Board, reported 1274 Home Missionaries which is a gain of 104 over last year. The field covers 22 states, the outposts of Alaska, Cuba, Panama and Canal Zone, the work is with Jews, Negroes, and Foreign speaking groups. For the first time on the west coast the Home Mission Board has opened mission work with the Russians who are in our southland. During the last year one Russian church has been established in Hollywood, California. Other Russian colonies are calling for our help. Shall we deny them when there are 200,000 Russians in the Southern Baptist Convention territory?

Foreign Missions.

The primary task of the missionaries is not to evangelize the countries to which they are assigned but to establish churches and to train native workers to carry on the work—just as our Saviour spent the major part of three years of His earthly ministry with the twelve disciples teaching and training them to carry forward the work of the kingdom after His ascension.

The Foreign Mission Board has 879 missionaries in 32 countries. In 15 of these countries the work is less than 10 years old and some less than 5 years old.

Under the Board there are 1942 churches with membership of 195,067—2,919 Sunday Schools with an enrollment of 205,901. There were 18,154 baptisms. There are 17 seminaries. 84 missionaries were appointed last year. The total income for Foreign missions through the Cooperative Program, Lottie Moon Offering, and designated gifts amounted to $7,785,699.64. Approximately 94% of the total was used for the support of missionaries and the work abroad. We feel that we have suffered a great loss in the home-going of Dr. M. T. Rankin who served so ably as the Secretary for the Foreign Board.

Respectfully submitted,
D. W. LAMBERT.

Report on State Missions to Stanly Association

The Great Commission in Matthew 28:19-20 includes ALL nations and peoples. The Ascension Commission Acts 1:8 challenges us to begin at home. Jesus wants us to promote a program of evangelism and missions that is well balanced between home and foreign areas. We have such a program divided into State, Home, and Foreign Missions.

Through State Missions we endeavor to reach those closest to us. Our program of State Missions embraces 18 different activities. It ministers to the physically handicapped, to people of other races, and to those out of reach of present Baptist churches. It promotes a program of teaching and training essential to the spiritual growth and development of individual and denomination. Lots are purchased for mission stations on which to build churches. Pastors' salaries are supplemented for weak churches wishing to move up from part to full time.

Give liberally to State Missions! It is Christ's program.

Respectfully submitted,
REV. L. M. TENERY.

Report on Christian Education

Southern Baptists now have six seminaries, fifty-two Junior and Senior colleges, and ten academies and Bible schools. During the past years these schools ministered to more than 50,000 students. Of the 41,308 regular students enrolled in these schools almost one-fourth (8,993) were ministerial students while another 2,844 were volunteers for Christian service.

It is noteworthy that the enrolment in our seven colleges in North Carolina are doing a marvelous job in helping to educate the young people who will be our leaders in the years ahead. The student enrolment in our colleges this year is well ahead of last year's figures.

We would remind you that these institutions and the funds for their support are but the means to the end that we may train young men and young women to be able to take their places in our world not only as pastors and leaders in all departments of the work of our churches, but as Christian citizens in a society that is sorely lacking in spiritual qualities or tendencies.

Respectfully submitted,

MARSHALL E. HARGRAVE

Sunday School Report Stanly Association

The Sunday school is being recognized more this year than ever before as the chief agency of the churches in evangelism, teaching and enlistment. The major emphasis for Baptist churches for 1953-54 is the effort to enroll a million more people in Sunday school in one year. Right of way has been granted for this, the greatest Sunday school enlargement program in the history of the world. As a result of this program, it is confidently expected that there will be substantial increase in baptisms, offerings and Christian homes.

We are reporting in our association this year 43 Sunday schools with an enrollment of 9837. This represents a gain of 149 in membership. Forty church VBS, and one Mission Bible school.

Your committee makes the following recommendations: That the association approve the effort of Baptists to enroll "A Million More In '54". That regular Sunday school meetings be held this year for the purpose of helping and inspiring the churches to greater zeal in reaching the multitudes for Bible study. That the association seek to enroll at least **twenty per cent** more people in '54.

Respectfully submitted,

C. FLOYD HELMS, Associational
Sunday School Supt.

Report of Training Union

Greetings from the Training Union of Stanly Association!

As we have attempted to promote our theme for the year, "Learn From Me", in the various phases, an outstanding verse of Scripture fills our mind, where Christ is speaking, "I am the way, the truth,

and the life: no man cometh unto the Father, but by me". Many people in our land have not yet learned that great truth.

We now have 17 training unions in the association, with a total enrollment of 1500 members. Several of our unions have organized new units, which in itself is indicative of growth. This year there were 459 who requested study course awards, a small increase over last. As we stop and think of the many blessings of the past year, we are indeed grateful for the untiring efforts of our leaders, pastors, and individual members of each church.

One new feature of this year was the Central Training School, held for the primary purpose of teaching leaders, as well as every training union member, the best way of doing Christ's work through a well-organized training program. 20 churches were represented that week; with a total enrollment of 176.

One distressing fact is that so many of our churches do not yet have a training union. We know some who are interested, but have not yet ventured so far as to organize. To these I should like to present this challenge—Surely the early Christians must have doubted and had their fears, but their prayers were answered and their efforts blessed. This, too, will be our experience if we sincerely believe and accept Jesus' promise, "Lo, I am with you alway, even unto the end of the world".

Respectfully submitted,

MRS. C. T. REDWINE, JR.

Brotherhood Report

Most Baptists have a misconception of the Brotherhood. A Brotherhood in a Baptist church is a group of men, preferably all the men in a Baptist church, seventeen years old and above, banded together for the purpose of promoting the Kingdom of Christ through the Church and denomination. In other words, it seeks to utilize and conserve the man-power of the Church for Christ.

The following report shows gains by the Brotherhood of the Stanly Association during 1953:

1. Three new Brotherhoods were organized. They were New London, Silver Springs, and North Albemarle. Prospect helped organize New London and Silver Springs. Associational Brotherhood President and Fairview helped organize North.

2. There were eight active Brotherhoods in 1952. 1953 finds Stanly Association with eleven active Brotherhoods. The enrollment at the end of 1952 was 297. The close of 1953 finds Stanly with an enrollment of 449, an increase of 152 in membership.

3. One county-wide meeting was held in 1953. Badin Brotherhood invited all Pastors and Brotherhood Presidents to hear State Brotherhood Secretary, Horace Easom, speak at Badin in January.

Great progress should be made in the Brotherhood work during the coming year. A budget has been set to assist in the work. The Brotherhoods of Stanly association are urged to operate in two important areas: that of Promotion of Evangelism and Spiritual Projects; also, every Brotherhood is urged to assist and cooperate closely and follow the suggestions of the Pastor in strengthening the church program and denominational causes.

Report of the Woman's Missionary Union Stanly Association

October 30, 1953

Today I would bring to you not a report but a challenge from our Woman's Missionary Union. Women love Christ and through their W. M. U. work they have found opportunity to serve God, their church and their fellowman. We call ourselves Missionary Baptist and yet we have W. M. U. work in only 32 of our churches. We need our women and young people at work in all our churches.

We all know the story of Paul and the man from Macedonia when the man said, "Come over—and help us". Today millions are still crying, "Come over and help us". They are in our homes, our communities, our nation and throughout the world. For all who are ignorant of the gospel need help. It is necessary that the Christian people give help to them.

Through our W. M. U. work we strive to practice those methods that would enable us to answer those calls for help. We study together in order that we might learn of the needs of the people and of the opportunities we have to help them. We pray together that we and God's helpers might receive power to meet those needs. We learn to give our time, our talents, our money that His work might go forward. We learn to serve in our communities in hopes of bringing light to those who sit in darkness. We strive to train our young people that they too might grow in the missionary zeal. The motives for our work are most powerful. Christ commanded it when he said, "Go ye". Millions are crying, "Come—help us", and we have the promise of Divine Presence and aid for Christ said, "Lo, I am with you always". Why then, aren't we answering those calls for help? Why then, don't we have Missionary Union in all our churches?

The restless millions wait
The light whose dawning
Maketh all things new.
Christ also waits;
But men are slow and late.
Have we done what we could?
Have I? Have you?

Report on Minister's Relief and Annuity

Among the basic and inherent instincts of man, there is none, perhaps, stronger than the desire for security. Men seek, save and sacrifice for it. This truth has been more and more recognized with the passing of time. A number of years ago one of our denominational leaders, Dr. William Lunsford, recognized this desire for security to the extent that he and others set themselves to do something about it. Thus the Relief and Annuity of the Southern Baptist Convention came into existence. From 1845 to 1918, the plan was to pledge to this cause, and very little was given, consequently the aged preacher, no longer active in the ministry,

faced insecurity, fear, humiliation, worry and want. But under today's set-up, the Minister's Retirement Plan relieves the retired minister of the fear of want and suffering, which was the constant dread in the early days of our Southern Baptist Convention. I as a pastor, feel sure that the laymen of our churches want to see their ministers, when their years of usefullness is fulfilled, look to the future confident of security. With the co-operation of both church and pastor this can be achieved.

Very briefly our plan is this: the pastor puts in 4% of his salary (or less if he chooses) each month, quarter or year. The church or churches he serves contribute a like amount, and the State Convention then adds to that amount. The maximum amount of salary on which payment can be made is $4,000. In other words, the pastor can only pay $160.00 a year, even though his salary may exceed $4,000.

Thus we have the Minister's Retirement Plan which is provided for all ministers who desire to avail themselves of such protection and security. I would urge every pastor and every church in our association to enter into this plan immediately. Write Dr. M. A. Huggins, for particulars.

There is a Christian responsibility of providing medical service for the poor as well as ministering to the sick throughout the state.

Respectfully submitted,

PAUL J. HOPKINS

Report of North Carolina Baptist Hospitals — 1953

Our Baptist Hospital is carrying out this responsibility. The Hospital provided free service in the amount of $340,387.95 in addition to free doctor's care to needy persons in 1952. This ministry was made possible mainly through the Mother's Day Offering. To meet the spiritual needs of the patients, their families, nurses, doctors, and employees of the Hospital; a full department of Religion is provided. Sunday School is conducted each Sunday and Vespers are conducted on Mondays and Thursdays.

In 1952 there were 10,873 bed patients admitted. With the completion of the New South Wing the capacity of the Hospital will increase to 450 beds.

Our Baptist Hospital is making a large contribution toward the saving of life, the relieving of suffering, and the bringing of good health for those who need it most.

The 1953 Report of the North Carolina Baptist Homes for Aged

The youngest member of our Baptist Family of Institutions, the North Carolina Baptist Homes, Inc., has had the best year since it began operating March 16, 1951. Resthaven, with space for twenty residents, has been filled to capacity. The number of inquiries for

rooms has increased into the hundreds. The Home received its best financial support—the share received from the nine-year program in 1952 was $1462.80. Our first special day offering February 15th, exceeded $52,000.00, and from individuals, churches and auxiliary organizations we have received $12,380.33, as of August 1st. The response to the first special day offering for the Home was most encouraging. More than half of our 3,055 Baptist Churches responded. About seventy-five percent of the amount came from the smaller churches. Considering the short time our Home has been operating and the fact that this was the first opportunity to appeal to our churches for a special offering, all of us should be encouraged by the response. Our next special day offering, February 21st, 1954, should amount to $100,000.00.

On June 18th this year property was purchased for a branch home at Albemarle. This property, consisting of a vacated hospital building and a nurse's home building and nearly three acres of land, was purchased for $25,000.00. It will cost an equal amount to renovate the property. Even so, it is well worth the amount invested. Thus, we can care for sixty residents—twenty at Rest-haven, Winston-Salem, and forty at the Albemarle Home. At the time of purchase, it was hoped that the branch home would be ready for operation by October 1st this year.

The general health of the residents has been exceptionally good, considering the range of their ages—66 to 93. There has been only one death this year and the spirit and the general attitude of the residents have been most satisfactory. There are many evidences of increasing interest in our Homes. Pastors, conducting worship services, have brought delegations from their churches to share the inspiration of worship with our residents. Auxiliary and Sunday School groups have frequently visited us to conduct devotional services. Gifts of supplies and cash are often received from these various organizations. Plans for the future enlargement are encouraging—with a generous special day offering in February 1954 and other special gifts from individuals and corporations, we should be ready to begin construction of our Administration Building, which would give us room for fifty additional residents, making our total capacity 110 residents.

Since North Carolina Baptist now number more than 700,000 members, and with the thousands of our constituents in there over 65 years of age, we should keep in mind the great number of our elderly brethren, who need a home to provide security, comfort, congeniality and a Christian ministry. Our North Carolina Baptist are able to meet the challenge to make adequate provision for the aging, and as laborers together with God, we can meet it. "Cast me not off in the time of old age, forsake me not when my strength faileth", says the Psalmist in Psalm 71:9.

Superintendent Hayes requests that representatives from the Baptist Home be elected at each of our associations.

Respectfully submitted,

J. BOYCE BROOKS

Report of the Historian Philadelphia Baptist Church

The Philadelphia Baptist Church was constituted in 1891. Services were first held by Rev. E. D. Teeter and Rev. P. G. Hartsell in the Brooks School House, near the present site. A revival was held in August of that year, with four conversions at the close of the meeting. So much interest was manifested in the meeting that nine presented letters from other churches.

On October 4, 1891 Rev. E. D. Teeter, Rev. P. G. Hartsell, D. S. Morton, and J. W. Griffin with several members from other churches met and proceeded to organize a church which was named Philadelphia. Rev. E. D. Teeter was pastor and Joshua Brooks, church clerk.

The following year, 1892, work was begun on a new church building, which was a one-room frame structure. The church was received into the Stanly Association that same year.

As years passed by the building proved too small for the growth of the church, so on 1923 the church building was remodeled, enlarged, and Sunday School rooms added. There was a decided increase in the Sunday School at this time.

During the sixty-two years existence of the church, several ministers have served as pastors—some having served a number of years. Several ministers have been ordained and gone out into the ministry from this church.

After a period of years, again it seemed that a larger building was needed. Under the leadership of the Pastor, Rev. J. G. Aldridge, and a building committee, a building program was started. Too much credit cannot be given to the membership of the church, for their loyalty and generosity to this wonderful program.

In September, 1951, a handsome brick building was completed and furnished at the approximate cost of $45,000.00. The membership is 236 and the church and Sunday School are steadily growing. Power for good is beyond estimation, and the desire of the church is to do greater things for the Master.

Resolutions

WHEREAS the 69th Annual Session of the Stanly Baptist Association has been a source of joy and inspiration to all in attendance:

1. Be it resolved that:

We, the messengers and visitors of the Stanly Baptist Association in the 69th Annual Session, express our profound gratitude to God for a marked degree of progress in Kingdom building, achieved by the power and leadership of the Holy Spirit, and the unselfish co-operation of our Baptist Constituency. To the host Churches—The First Baptist Church of Albemarle and Philadelphia Baptist Church—for their warm hospitality and the delicious meals so efficiently served. To the officers of the Stanly Baptist Association for the efficient manner in which they conducted the business sessions of the Association. To the program committee and those appearing on the program for the many fine reports, and messages of inspiration and encouragement which we feel will better equip us for the great task which is before us in the coming years.

2. WHEREAS, Rev. W. B. Almond, who was so affectionately known as "Uncle Billy Almond", served so faithfully as a minister of the gospel in the Stanly Association, and

WHEREAS, because of poor health during the last years of his life was not an active Minister but still manifested a keen interest in the work of Baptists in Stanly County; and

WHEREAS, our Heavenly Father deemed it wise to call this faithful Servant to His heavenly reward on January 26, 1953.

NOW THEREFORE, be it resolved that the 1953 Associational Minutes be dedicated to "Uncle Billy Almond's" memory and that copies of said minutes be sent to members of his immediate family.

Respectfully submitted,

REV. L. M. TENERY, Chairman,

MISS EDITH MAULDIN,

The Preamble of the Constitution the Stanly Baptist Association

We, the people of the Stanly Baptist Association of Stanly County, North Carolina, hereby declare that the Association shall have no power to infringe upon the sovereignty of the rights of the member churches. It is neither an ecclesiastical legislature nor council nor court of appeal. It may advise the churches and recommend measures for usefulness for their adoption, but cannot bind, them to any way. Yet, in view of the combined wisdom, piety and intelligence of the body, it may justly claim for itself, for its objects, and its recommendations, the very highest consideration, regard, and cooperation. For these reasons we do hereby ordain and establish the Constitution.

Constitution of the Stanly Baptist Association

Article II. It shall be composed of messengers elected by the churches connected with this body and ordained ministers who are members of or laboring in connection with said churches. Each church shall be allowed three messengers for the first two hundred members or fraction thereof and one for each additional fifty members. No courtesy seat shall be extended to any person, or persons, other than such messengers as are herein provided.

Article III. The object shall be to devise and recommend measures for increasing the harmony, the intelligence, and the spiritual power of the churches, and for developing and directing their energies, their resources and their gifts and advancing the Redeemer's Kingdom through cooperation with the North Carolina Baptist Convention and the Southern Baptist Convention.

Article IV. The Association shall hold two sessions annually. The first session shall be held on Thursday and Friday after the fourth Sunday in October and shall be for reports, discussions and business matters. The second session shall be held in the spring at the discretion of the executive committee. Its purpose shall be for information, inspiration, and fellowship. Hours of meeting for all sessions shall be set by the executive committee.

Article V. Any church that fails in the support of the denominational program or through pastor or membership acts contrary to the policies and practices of the association, will have at the close of two years automatically withdrawn itself from the association, subject to the notification and action of the executive committee. The actions and notifications of the executive committee shall precede the final date of withdrawal by at least one calendar year.

Sunday School Report Stanly Association

One year ago the challenge was made for "A Million More in '54". This challenge was gladly and spiritually accepted, and Stanly Baptist Association can proudly and humbly report its progress for the year of '54, realizing it could never have been possible without the untiring and devoted time of the chairman and co-workers of the Stanly Baptist Association.

This Association, bearing in mind the promotional suggestion of the State Baptist Convention, shows an enrollment of 11,021, in Sunday School, 1,184 over the previous year. There were 39 Vacation Bible Schools out of the 45 Churches. Two Associational meetings were held and one group training school. 28 of the 45 Churches showed gains.

Realizing the needs and possibilities of Stanly Baptist Association, this report is made with the hope it will act as a stimulus and quicken the tempo of Associational work for the incoming year.

Respectfully submitted,
C. FLOYD HELMS, Associational
Sunday School Supt.

We also note an encouraging increase in Study Course Awards, and Training Union Activities.

We also worked with other organizations of the Association in co-ordinating the Associational Meetings.

With the cooperation of each Church we will have a much better report for the year 1954-1955.

Report of the Woman's Missionary Union of the Stanly Association October 28, 1954

"And as Moses lifted up the Serpent in the Wilderness, even so must the Son of Man be lifted up." In the Woman's Missionary Union we seek to lift our Christ up to all people. Our objective is to distribute missionary information and stimulate missionary effort on the part of all. We seek the co-operation of all in giving to the Mission program that bears our name. To this end we would enlist our people of all ages to serve our Master through:

1—PRAYER. Our Organization was born in a spirit of prayer. Because of some faithful women who had heard his call and accepted his challenge to "Go and Tell". We are an organization with a vision, a purpose and a plan. We pray together that we and God's helpers may receive strength and guidance for the work ahead. We encourage individual and united prayer. We encourage Family altar, Special seasons of prayers for those in His service.

2—STUDY. We study that we may know the needs of those who carry the message. Through the study of the Bible, Missionary books, and Missionary programs we catch a new vision and a greater inspiration for service. In our Calendar of prayer we learn our Missionaries more personally. Through our Baptist Magazine we grow in a spiritual way.

3.—STEWARDSHIP. We know the wisdom of giving according to a regular plan, and we testify to the joy that comes in dedication of self and substance to God. This we strive to do each month in the training of our youth and our women. Faithful stewards come through training on the part of someone who has accepted His challenge.

4.—COMMUNITY MISSIONS. We seek to proclaim His message in word and deeds, helping the unfortunate, administering physical relief, and a friendly word with a view of a spiritual contact to those in our own Association. We are a spiritual organization with one goal—"Evangelism".

We have in this Association 36 W.M.S. and 100 Young People's organizations with a membership of 2451. We have 13 full-graded W.M.U. "Last year we organized 13 Y. P. organizations and 4 W.M.S. When we look at the Stanly Association and the opportunities here we cannot say we have done our best, until we have work in all our 44 churches. We can have 44 full-graded W.M.U. but it will take a lot of praying on the part of the people of this Association. It can be done when we awake to our call of duty, "Putting Christ first in all things." Will you help us and let us help you in the work that the Master will have us do?

Respectfully submitted,
MRS. R. E. DRYE.

Report on Christian Literature

Some people think that there is no case for the Christian view of life, because they have never read one mind-stretching book on the side of the angels. Of books on the side of the demons they have read many.

Christian literature should not need defending, but what it does need is more distribution and a wider reading, for we get

more knowledge of God from one square inch of obedience to Him than we get from acres of argument about Him. We cannot get religious knowledge without obeying the laws of God which we already know.

Some Baptist Literature which should be found in every Baptist home:

Biblical Recorder	52 issues for	$2.50
Charity and Children	52 issues for	1.00
The Commission (Foreign)	12 issues for	1.00
Home Mission	12 issues for	.50
TOTAL	128 issues for	5.00 or 04c

The above along with all the required literature in Sunday School, Training Union, W.M.U. and Brotherhood, along with the very minimum of study course literature should provide us as Baptist of today with our greatest opportunity to promote and magnify the Lord's work through Christian literature. None of the above named literature can be classified as objectionable, but it is noticeable that the least religious is most expensive.

We as Baptist parents have no right to condemn any literature as bad until we have prayerfully sought to provide Christian literature to take its place in our homes.

The underlying aim of all Christian literature is to promote Bible study, to build Christian character, and to inform, enlist, indoctrinate, inspire and unify our people in a common loyalty to Jesus Christ our Lord and Savior.

Respectfully submitted,

ED HOLBERT.

Minister's Retirement

Everyone is interested in security. The great concerns of individuals as well as institutions is financial security. Practically all industrial concerns have instituted some plan for the workers retirement when they are no longer able to work. In this way they are able to express to the worker their appreciation for the services rendered in making the business a success.

When Minister's Retirement is mentioned, most people think of the minister as the only one to benefit from such a plan. This is far from correct. So many times you have seen a minister become disabled while pastor of a church. The church feels obligated, yet it is not in a financial position to continue his salary, at the same time secure an active pastor: therefore the church and pastor suffers as a result. It is just as pathetic to see a pastor who has devoted his entire life to the work of the various churches and has reached retirement age, have the church of which he is pastor tell him he is no longer capable of carrying on the work and it is necessary for him to step aside. He is too old to secure other work and is unable to earn enough income to continue his standard of living. Wouldn't it be nice to have a plan whereby he could be retired with an income to provide food, shelter, and the necessities of life that are so much in demand today. Wouldn't you, as a church of which he had been pastor, receive a blessing by knowing you had had a part in providing this security for him.

Our Southern Baptist Convention realized the need for such a program several years ago and came up with the Ministers Re-

tirement Plan. Here's how it works. The Minister contributes 4% of his earnings, the church of which he is pastor contributes 4%, and the Convention contributes $18.00 per year. This is used to purchase an annuitant, or monthly income for life at retirement age—65. Should the minister become disabled before retirement age, a monthly income would be provided according to amount paid. Under this plan the church contributes a small amount for all the pastors who serve them and should their pastor become disabled or reach retirement age, he could be replaced without embarrassment to anyone. Not only does this program protect the pastor and churches but also the pastor's wife, who has carried a large part of the pastoral work. The minister contributes an additional 1½% of his income for this protection.

I think every church should be concerned with this program and relieve themselves of the responsibility of taking care of a disabled pastor or keeping one when he is in the prime of life and dismissing him when he is old. Many of our beloved pastors have been left out in the cold when they were no longer able to meet the requirements of the churches. This should never happen.

If your church is not contributing to this program, please insist that it do so at once.

Respectfully submitted by

REV. E. J. HUNEYCUTT.

Report on Christian Education

The year of 1954 has been another year of advance in the life of our program of Christian Education. There was an overall increase of 6 per cent in enrolment in our Educational Institutions. The increase was the greatest in the seminaries (14%), during a period when enrolments in seminaries throughout the United States decreased by 10.8 per cent. The total of ministerial students in all of our institutions reached an all time high of 10,007, with another 2,600 volunteers for full time Christian service. Co-operative Program support of these institutions increased by 6.3 per cent. While this shows a fine increase in both students and money for Christian Education it still leaves much to be desired. In North Carolina alone we have over 15,000 Baptist Students in other than Baptist schools, while we have about 5,000 enrolled in our schools.

Perhaps the most heartening sign on the educational horizon for Southern Baptists is the growing tide of interest in our educational institutions—at the level of the local church. Throughout the Convention territory, increasing attention is being given to the pre-college guidance of boys and girls in the churches, to the advantages of the Christian college, and to the matter of proper support and wise operation of our colleges and schools.

In a day when the lost of denominational colleges and seminaries in general is becoming more and more difficult, it is reason for thanksgiving that Southern Baptist educational institutions are going forward—in enrolment, in support, in academic growth, and in their relation to the denomination and to each other. Their progress is far from rapid enough, however, to prepare them for the demands which will be made upon them in the next decade. More support, more encouragement, more effort in their behalf by Southern Baptists as a whole is necessary if our colleges and schools are to meet the challenge of the future.

Respectfully submitted,

MARSHALL E. HARGRAVE.

Report of the North Carolina Baptist Orphanage

It is a privilege to report to the Stanly Baptist Association the facts concerning their Orphanage. Again through your generosity and the Baptists of North Carolina, the Orphanage was able to care for about 700 children last year. The physical plants at Mills Home and Kennedy Home are now in good condition.

At Mills Home the Recreational Center and beautiful new Church Building were completed during 1953. Now for the first time in its history Mills Home has adequate places for its children both to play and to worship.

The Orphanage is now about ready to let a contract for a new Church Building at Kennedy Home. This will be equally beautiful though not as large as the one at Mills Home.

CHARITY AND CHILDREN, your Orphanage publication, has an all-time circulation of more than 46,000 copies each week.

The income for 1953 was good. Our Churches through faithful support, met the challenge of the homeless children in our midst. Our Saviour said, "Whosoever shall receive one of such children in my Name, receiveth Me; and whosoever shall receive Me, receiveth not Me, but Him that sent Me.

Respectfully submitted,

L. A. FAULKENBURY.

Report on North Carolina Baptist Hospital — 1954

Our Baptist Hospital is caring for more people this year than at any other time in its history. This is possible because of the use of the New South Wing, about half of which is now complete and in use. This new building provides many new and enlarged facilities which add a great deal to the service provided for our people. About 14,000 bed patients will receive treatment in the hospital in the course of the year, while many other thousands will be seen in the clinics.

The enlargement of the hospital has made possible the enlarging of our school of nursing. Our hospital offers a superior type of training and its graduates have high rating wherever they go.

The Baptist Hospital with the various schools associated with it forms an important educational center in the field of medical care. It trains doctors, nurses, technicians, and pastors and other Christian workers. The center of the entire hospital program is always the sick person, however. Everything else is secondary to and must be in the interest of the patient.

Our Hospital provides this type of service for persons who cannot pay for it, as well as for those who can pay in full. This is where our churches share in this ministry of healing. There are multitudes in our State who cannot receive the care they need unless somebody else helps pay for it. Our Hospital has no money except what the patients pay and what we give. On Mother's Day we have the privilege of sharing with those who are sick and need our help. Unless we give generously some will seek in vain for help at our Hospital. Let this not be true because you and I have failed!

Respectfully submitted.

J. G. ALDRIDGE, Hospital

Representative.

Suggested Report (1954)

North Carolina Baptist Homes for Aging

The fourth Associational year of the Baptist Homes for the Aging has been one of considerable expansion and encouraging progress. There are many evidences of the continued blessing of God upon this new phase of our North Carolina Baptist program.

A step forward was taken when the Albemarle Home opened its doors on December 7, 1953. It afforded space for 35 additional residents, making the total capacity of the two Homes 54 residents—Resthaven, Winston-Salem (19), and the Albemarle Home (35). Rev. Zeb A. Caudle, former pastor of the First Baptist Church of Aberdeen, was selected to serve as superintendent of the Albemarle Home. Both the residents of, and all who have visited, the Home have been greatly pleased with the program of service.

The second Special Day Offering, February 21, 1954, was encouraging. The total amount will probably be $65,000 to $70,000. In addition, the Homes received $21,000 as their share of the Nine-Year Program.

The residents and all who are serving in the Homes are deeply grateful for the help received thus far, and they covet the prayers and continued support of our Baptist constituency in the future.

It is requested that an Associational representative be elected at this session, and the name be sent to General Superintendent J. M. Hayes, Kentucky Avenue, Winston-Salem, N. C.

Respectfully submitted,

F. G. WALKER.

History of Pleasant Grove Baptist Church

It is commonly believed that Wright Burris, a farmer and a land owner in this community, staked off a tract of land, and invited the little group of Baptists who believed in Missions and Christian education to erect a place of worship in 1883. 1843 Pee Dee Minutes reported the Pleasant Grove Baptist Church of Stanly County was a Mission and that regular services were being held in a log cabin in 1843.

In 1851 Elder B. H. Carter, a part-time worker of the Baptist State Mission Board, conducted a revival meeting, and concluded with the organization of the Pleasant Grove Baptist Church, with seven charter members and two deacons: Jesse Morton and William McLester, with Rev. B. H. Carter as pastor.

Structures: 1833, brush arbor, and later a log cabin; 1892, one-room frame building—dedicated 1894; additional rooms 1914 and 1933; and in 1949 additional land secured and added to the original tract. Old church building moved aside and in 1950 present beautiful brick building erected on original site, dedicated 1952. During the past 103 years the Church has had the following pastors: B. Henderson Carter, Solomon Snider, J. W. Dunn, J. W. Littleton, C. C. Foreman, L. A. Whitlock, W. G. Morton, G. O. Wilhoit, Reuben James, George Eudy, C. C. Foreman, E. P. Harrington, A. H. We have in our Association at this time, forty-three churches. Eleven of these have a Brotherhood. This is hardly twenty-six percent of our churches. Although there has not been an increase in the number of organizations, there has been an increase of 35 in membership.

The Churches now having Brotherhoods are: Silver Springs, Prospects, Paul's Crossing, New London, Canton, William Street, West Albemarle, North, First, Fairview, and Badin. These churches constitute a membership of 484.

There is an increased interest in the Brotherhood of our Association as the men are catching the spirit and purpose of the Brotherhood. This has been proved by several churches who have requested organization in the near future. These requests are steps toward progress and we are proud to report that during October and November Brotherhoods will be organized in our Association.

One of the highlights of the past year's work was that of the Associational Supper Meeting at which Rev. George Simmons of First Church Wadesboro thrilled the men with a message on the value of man-power in the church. Seventy-five attended.

Our goal for the coming year is at least four new organizations with our aim not resting until there is a Brotherhood in every Baptist Church in Stanly County. Join us in prayer for this goal and aim.

Respectfully submitted,

TOM KIMREY, Brotherhood President

Report on Temperance, Social Welfare and Good Government

The objective of the Christian Church in this field is to eliminate the problems. The teaching of God's word is the medium of achieving this objective and present conditions do not indicate that any less intense teaching program will get the job done.

Pending the realization of our objective through the teaching program, we continue to rely on certain restraints imposed by civil legislation to help deal with the problem. It is to this field of activity we direct our attention at the moment.

Temperance

We are continuing our efforts as a church body and as a denomination to obtain a state-wide election on the sale of alcoholic beverages. We believe the coordinated effort of the protestant churches through the Allied Church League is our most effective expression. We must always insist that members of both houses of the North Carolina General Assembly are committed to work and vote for a referendum.

As long as alcoholic beverages are sold with legal approval the tax revenue from such sales should be ear-marked for police

regulation, education and rehabilitation measures and such taxes should not be considered permanent sources of general revenue.

It is recommended that December 5, 1954, be designated as Temperance Sunday and Commitment Day and the Resolution Committee of the Association be requested to present further plans for carrying out such designation.

Social Welfare

The command of our Lord, "Love thy neighbor as thyself", needs to be given more everyday literal application at the individual and church level. Our continued neglect of our humanitarian responsibilities has left a gap that political opportunities have used to place major welfare activities in the realm of government. We need to re-examine our positions in this light.

Domestic relations courts have worked successfully in a number of larger cities to restore broken homes. The North Carolina General Assembly might well give attention to providing expert domestic relation counsel for our Superior Courts in the smaller counties and towns. This need is particularly acute among unchurched people who do not seek pastoral guidance.

Good Government

Our American form of government is dependent upon informed participation by the masses. We believe, therefore, that being well informed and voicing informed expression in matters of civil government is a Christian duty and all our people should be alert and active in their attention to these matters.

Respectfully submitted,

SHEARON HARRIS.

Report on Tithing

The Baptist Churches in this Association have made advancements in practically every phase of church work except in giving of the tithes and offerings. In this important part of worship we have declined. Let us notice a few statistics.

In 1951, 9802 church members gave $36.09 per person. There were 1159 tithers. In 1952, 9952 church members gave $39.54 per person. We had 1399 tithers. In 1953, 9919 church members gave $38.54 per person. We had 1373 tithers. In 1954, 1058 members gave $40.10 per capita. I might add that quite a few non-Christians gave money also. That would bring down the amount per person considerably.

Eight churches did not report any tithers in 1953. Since tithing is God's plan for giving, each one of us should realize that it is our duty and privilege to give. It is well to remember that God expects more of us than just lip service. Anything said for the Lord is lip service unless we back up what we say by giving our possessions to God.

Respectfully submitted,

Wm. H. LEWIS.

The Annual Report on Home Missions

The past year was one of the best in the history of this Board. Knowing that it would be the last in which Dr. J. B. Lawrence would serve as executive secretary-treasurer, the missionary per-

sonnel in all fields redoubled their efforts. It was the fourth year of the Five-Year Crusade, so our whole program was benefited from the acceleration of the special co-ordinated efforts of the three former years.

During the first four years of this Crusade the workers of the Home Mission Board have increased in number from 754 regular and 271 student missionaries to 937 regular and 366 students. The total number of professions of faith reported for the four years was 131,404; 1,081 new churches were constituted; and 2,573 missions were started. In this Crusade the Board has enjoyed the finest co-operation from the other Convention boards and agencies, the state mission boards, the associations, and the churches. During these four years Southern Baptists have reported 1,467,829 baptisms, which is 284,198 or 24 per cent more than were reported in the four previous years. Approximately 1,710 new churches have been constituted and many new fields have been entered. The value of church property has increased from $645,271,741.00 to $1,020,504,214.00, a gain of 58 per cent, and our growth in the West and in frontier areas has been almost phenomenal.

The Annual Report on Foreign Missions

The Southern Baptist Foreign Mission Board appointed 70 missionaries during 1953; 37 have been appointed during the first five months of 1954. During the year and five months, 53 missionaries were lost from active service through death, resignation, and retirement, giving an increase of 54 for active service. As of June 1, 1954, the Board has 931 active missionaries located in 170 stations in 35 countries or territories.

The 2,201 churches affiliated with Southern Baptist missions reported 20,236 baptisms during 1953. Their 8,000 organizations (Sunday schools, youth groups, and women's groups) reported 200,000 members. More than 64,000 pupils were reported in 500 mission schools, including 700 students in 19 theological schools. Almost 200,000 patients were treated in eight hospitals, four dispensaries, and 12 clinics manned by 27 missionary doctors, 37 missionary nurses, and 44 national doctors and nurses. Approximately 8,000,000 pieces of literature were published, including 51,000 Bibles.

Southern Baptist gave for foreign missions during 1953 a total of $8,759,948.87 through the Cooperative Program, Lottie Moon Offering, and special designated gifts.

There could be no consideration of the work of the Foreign Mission Board during the year 1953, without reference to Dr. M. Theron Rankin, executive secretary who died June 27, 1953, and of Dr. Everett Gill, Jr., Latin American secretary, who died April 25, 1954. As completely as any men we have known, they embodied the spirit of foreign missions. Their passing was to all of us a grievous blow, but their influence will continue to inspire those whose responsibility it is to carry the burden they bore.

Respectfully submitted,

S. D. BAKER.

Report on State Missions

I. STATE MISSIONS is the missionary effort on the part of North Carolina Baptists to reach the unsaved for Christ and teach, enlist, and train the saved in giving, living, and serving through the churches and throughout the world.

(1) There are 4,200,000 people in the State. 1,900,000 of these above the age of eight years are affiliated with some kind of church. 1,900,000 of these above the age of eight years are unchurched. If 25% of the affiliated church members are unsaved, then 62½% of the people of North Carolina above the age of eight years are lost. North Carolina, therefore, is far from being half Christian. Here is our urgent challenge.

(2) We have 760,000 Baptist church members in North Carolina. Perhaps 35% of these are enlisted and are being taught and trained in Christian giving, living, and serving. This means that 65% of our church constituency is not dedicated in the Christian profession. In this undeveloped area the churches have their primary challenge.

(3) The above interpretation of the purpose and challenge of State Missions demand a varied program of mission activity.

A. **Our people need to be taught and trained.**

B. **Over 60% of the people** in North Carolina are lost—and need a Saviour. State Missions provides a Department of Evangelism.

C. **A growing population demands new and stronger churches.** State Missions provides a necessary and significant ministry through aid on the purchase of sites for new churches and some one hundred or more salaries for pastors.

D. **A more highly developed and intelligent congregation demands a better trained pastor.** Pastors' Schools are promoted through State Missions to meet this growing demand.

E. **The colored races in our midst** constitute a large percentage of our population. State Missions seek to minister in a limited degree to the Negroes and Indians.

F. **Other areas of need constantly** challenge the resources of State Missions, namely:

(a) **The Allied Church League.**
(b) **The Silent People.**
(c) **The Department of Pastoral Care.**
(d) **The Assemblies—Fruitland and Caswell.**

G. **Our church and denominational leaders of tomorrow need to be taught and trained in cooperation and loyalty now.**

H. **What are the Sources of Support Whereby State Missions can function effectively and fruitfully in all these phases of work?**

Here they are:

(1) Cooperative Program	$262,000	if goals are met
(2) Sunday School Board	20,000	
(3) Home Mission Board	2,000	
(4) W. M. U. Week of Prayer	72,000	
	$356,000	(goal)

(5) Offering through the Sunday Schools October 24 ?????

The State Missions budget to meet **minimum** needs is $450,000. The minimum goal for State Missions Day on October 24 is $94,000.

I. Therefore, will you as an individual and you as a church do your part so that the first part of **The Great Commission** might be obeyed—and that these rich ministeries might be continued to the extent that next year North Carolina and the world might be more Christian.

Respectfully submitted,

R. C. JAMES.

Report on Evangelism

I bring you not a report but a challenge. Someone has well said: "Evangelism has made Baptists and evangelism must maintain us." Two tremendous possibilities are before us. We may turn backward into the darkest age of human history. Prophets of doom, especially among the scientists, point to this imminent catastrophic decline and fall of modern civilization. On the other hand we may be at the beginning of a new period of humbling ourselves and praying, and turning from our wicked ways and seeking God's face so that God can hear from heaven, forgive our sins and heal our land. The key to the secret as to whether it shall be the former or the latter is wrapped up in the word "evangelism". Perhaps more can be done in the next few years to determine the course of human affairs than in the following 1,000 years if we fail now. The "bad news" of sin and death must be met with the "good news" of God's redemptive love in Christ if disaster is to be turned into blessedness. Only an evangelism possessed of the spirit of Christ and practiced in accordance with His example will suffice for this age of crisis.

Let us, along with 8,000,000 other Southern Baptists, rise up like flaming evangels for the Saviour and through the empowering of the Holy Spirit seek to win a million souls to Christ during the coming year. It is hoped that every one of the Baptist churches in the Stanly Association will join enthusiastically in the Simultaneous Evangelistic Crusade March 27-April 10, 1955.

Respectfully submitted,

JUDSON LENNON.

History of West Albemarle Baptist Church

On September 3, 1903, Revs. A. C. Davis, R. H. Herrin, U. F. Hathcock, P. G. Hartsell and R. D. Thompson met with the people of West Albemarle to form a presbytery and organize a Baptist Church. Rev. A. C. Davis preached the sermon. Rev. E. H. Herrin was elected moderator and J. C. Parker, Clerk. The doors of the church were opened and the following presented themselves by letter:

Jesse A. Morton, Mary Francis Morton, Isabell Shankle, Noah Morton, Polly Morton, T. S. Parker, J. C. Parker, J. C. Morton, Ellen Morton, Wm. E. Furr, M. A. Furr, Joseph M. Morton, Martha Morton, J. W. Herrin, Mahalie Herrin, G. W. Rogers, Jane Rogers, B. M. Rogers and Emma Rogers. These nineteen were duly constituted into a Baptist Church which by vote they named West Albemarle Baptist Church.

Revs. A. C. Davis and R. A. Huneycutt were called as Pastors. Deacons were: Jesse A. Morton and G. W. Rogers, and G. W. Rogers and J. C. Parker, Trustees.

Since the organization of the Church nineteen pastors and eleven clerks have served it.

Structures: 1. Erected little arbor on present site; 2. An old abandoned one-room framed building donated by a Mr. Gaddy, with curtains stretched across the middle during Sunday School; 3. A modern wooden framed church building with steeple; and 4. Present brick church and educational buildings combined, heated and air conditioned.

Instead of bell, chimes call the people to worship.

MRS. LULA SHAVER, Historian.

The 1955 Associational Minutes Are Dedicated To:

REV. F. G. WALKER

MRS. S. J. LESLEY

REV. FREDERICK GUY WALKER

August 21, 1893 April 24, 1955

Rev. F. G. Walker was a native of Cleveland County and a graduate of Wake Forest College. For three years, he served faithfully as pastor of Silver Springs and Pleasant Grove Baptist churches. During his 31 years in the ministry he had served the following churches before coming into our midst: Castalia, N. C.; Chesnee, S. C., and Sparta, N. C.

He is survived by his wife, the former Cora Louise Williams, Mount Gilead, one daughter, Mrs. John T. Harris of Raleigh, and a son, Fredrick Guy Walker, Jr., of the U. S. Army in Japan.

MRS. SAM J. LESLEY

January 21, 1919 — October 8, 1955

Mrs. Sam J. Lesley was born in Rowan County and attended Salisbury City Schools. She completed many Extension Courses, with her husband, from our Seminary in New Orleans, La. She always said when God called her husband to preach that she too, was called. She was active in Sunday School, B. T. U., and W. M. S. work, especially with the young people.

She was a faithful and devoted mother and pastor's wife. She gave freely of her time and talents and proved her loyalty to her Lord and Savior, Jesus Christ.

The Preamble of the Constitution the Stanly Baptist Association

We, the people of the Stanly Baptist Association of Stanly County, North Carolina, hereby declare that the Association shall have no power to infringe upon the sovereignty of the rights of the member churches. It is neither an ecclesiastical legislature nor council nor court of appeal. It may advise the churches and recommend measures for usefulness for their adoption, but cannot bind them to any way. Yet, in view of the combined wisdom, piety and intelligence of the body, it may justly claim for itself, for its objects, and its recommendations, the very highest consideration, regard, and cooperation. For these reasons we do hereby ordain and establish the Constitution.

Constitution of the Stanly Baptist Association

Article I. This body shall be known as the Stanly Baptist Association.

Article II. It shall be composed of messengers elected by the churches connected with this body and ordained ministers who are members of or laboring in connection with said churches. Each church shall be allowed three messengers for the first two hundred members or fraction thereof and one for each additional fifty members. No courtesy seat shall be extended to any person, or persons, other than such messengers as are herein provided.

Article III. The object shall be to devise and recommend measures for increasing the harmony, the intelligence, and the spiritual power of the churches, and for developing and directing their energies, their resources and their gifts and advancing the Redeemer's Kingdom through cooperation with the North Carolina Baptist Convention and the Southern Baptist Convention.

Article IV. The Association shall hold two sessions annually. The first session shall be held on Tuesday and Wednesday after the third Sunday in October and shall be for reports, discussions and business matters. Report on Christian Education

The 1954-55 academic year was for Southern Baptist educational institutions a period of significant achievement.

During this year we experienced a great gain in enrolment in our schools. The increase was 6% in our five Seminaries, 16% in the 30 Senior Colleges and 17% in the 21 Junior Colleges. By contrast the average gain in College attendance in the United States was about 10%. The total number of regular students enrolled in our denominational schools reached 50,080 which is approximately 1,500 above the previous record enrolment. Our seven North Carolina Baptist schools had an enrolment of over 5,000 students last year. This year bids to have an even greater enrolment. There was also a record 10,454 ministerial students and 2821 Mission volunteers. Hence we see that more than 26% of the total enrolment are ministerial and mission students. Add to this list several thousand others who have dedicated their lives to full time Christian service as Educational Directors, Music Directors and various other workers.

Another achievement is in the increased physical plants owned by our Baptist constituents. Almost everyone of our schools is planning for or is engaged in a program of building. Our own Wake Forest College will move to the beautiful new campus at Winston-Salem next spring. Several of our other schools are enlarging in order to accommodate additional students who are seeking admission.

The support for our Baptist institutions is also a cause for rejoicing. During the past year the Co-operative Program support for our schools increased by 19%. This increase will help provide new buildings and increase the quality of our teaching corps as well as give needed increases in salary to those who are working with our young people.

The Kingdom of Christ will advance only as we provide for and support a vigorous program of Christian Education. A Christian Education for the training of the ministry and other full time Christian laborers, but also for the training of dedicated Christian business and professional men and women who will go forth to carry the banner of Christ in the store and the office.

Respectfully submitted,

MARSHALL E. HARGRAVE.

Report on Christian Literature

The printed page has great power. Its message can go to many places where the spoken word and sermon cannot be heard. Christian literature is a mighty force for good in promoting the Lord's work and in sowing the seeds of righteousness in the minds of people today. The devil is using the power of the printed word as never before. There is a vast flood of literature that promotes paganism, worldliness, wickedness, and downright evil thoughts and deeds. Some of these bad books and magazines even get into our Baptist homes.

Perhaps no body of people in the world has a finer array of wholesome, inspiring literature for all ages than the Baptist. The Biblical Recorder has been going into Baptist homes for 122 years. There are three prices: single subscription $2.50, Club Plan $2.00, and Every Member Plan $1.50 per year. The Charity and Children with

its wide circulation has never increased its price since the beginning. The price is $.60c by the bundle. We would mention the Home Life, a magazine that should be in every home. There are the many Mission Periodicals which every church should see that are used in promoting the mission program of the church. The Sunday School, and Training literature is of vast importance. Baptist literature should be used in every Baptist church. Pastors see that this is done.

Training Union Report

The Training Union work in Stanly Baptist Association has been most encouraging during the last year. Parker Memorial, Mountain View, Kendall's and Stanfield were organized. The "M" Night was very good with four hundred present. The youth night was the high water mark in all the training work, because it resulted in the dedication of six young people, who are giving themselves for full time Christian work.

It is through the training Union the Church can answer the call of Jesus, because He said "Go into all the World and teach them". (Matt. 28:20).

No better plan has ever been offered to Baptist than that of the Training Union, to carry out the command of Jesus.

The Church that fails to train its members will fail in its Responsibility to the Challenge of Jesus.

Respectfully submitted,

G. HANFORD HAMBY.

Report on Evangelism

Evangelism is the theme of the church. It is through this channel that the life of the church is replenished. A church which is a soul-winning church is the church which is really accomplishing something for the Lord. When the fires of evangelism cease to burn, then the oil of God's grace is not flowing into the hearts of the unsaved which means the church is failing in its task.

We know that Christ's coming into the world was to evangelize. Southern Baptists have caught this vision of Christ and are busy seeking to carry out His command to evangelize through its Department of Evangelism. This is the secret of our Denominational growth. The task for us is still big as there are millions right here in our Southland who know not Christ.

During the past Associational year, another Simultaneous effort was carried out by our churches in the Southern Baptist Convention. This was the greatest task ever undertaken by our churches. It proved to be a decided success.

Let's take a look right here in our own Association of the number of baptims in 1954, the year before the special revival services, and 1955, the year of the Simultaneous revivals. In 1954 there were 449 baptisms reported with 3 churches reporting no baptisms. But in 1955 there were 490 baptisms with 6 churches having none. In this year of special evangelistic effort, there were 41 more baptisms than the year before without any effort, even though 6 churches failed to report any baptisms, over against 3

the year before. So when some concentrated effort is made on winning the lost, there will be a great ingathering of souls.

Let us continue to see that the fires of evangelism burn, as we shall pour on the oil of God's grace through the personal witnessing of our lives.

Respectfully submitted,

C. R. HINTON.

Brotherhood Report

STOP—Think about the Brotherhood for a minute. This "Man Power" Organization continues to grow in Stanly Association.

LOOK—In 1954 no increase in organizations were reported. Five new Brotherhoods (South, New London, Norwood, Centerview, and Highland) were organized in Stanly during 1955, making a total of 16 Brotherhoods. The total membership being 467. The Brotherhood is now readily being recognized as one of the important fuctions of our Baptist churches.

LISTEN—The future looks brighter than ever for the Brotherhood work in Stanly. We now have a full crop of Associational Brotherhood Officers. On December 13 a clinic will be held to train men in Brotherhood work. An Associational Rally will be held on January 15. On January 16 and 17, a Brotherhood enlargement campaign will be launched. Other promotional meetings will be held throughout "56".

STRAIGHT AHEAD—In "56" we hope to reach a goal of 15 new Brotherhoods. Our ultimate aim is to enlist the more than 3,145 Stanly Baptist men in the Brotherhood.

North Carolina Baptist Orphanage

It is a privilege to report to the Stanly Baptist Association the facts concerning their orphanage. Through the generosity of the Baptists of North Carolina, we cared for 713 children, and at the same time gave service and placement to more than 600 other children.

Our orphanage publication, Charity and Children, continues to reach all over the state in increasing numbers. More than 47 thousand homes receive it each week. We hope to soon have every church in the state join the club of ten. Having 10 copies or more, to be distributed in Sunday School.

One of the most beautiful church buildings in the state is completed at Kennedy Home, which will greatly help meet the need of 160 children who live there.

In 1954 our income from the churches reached an all time high. The Baptist State Convention voted to bring the orphanage into the Co-operative Program beginning January 1, 1955. From the Co-operative Program it is to receive the part of support not othererwise provided for. Some churches still send once a month offerings. However some have voted to put the Orphanage in their Co-operative Program budget.

Respectfully submitted,

J. W. AUSTIN.

Hospital Report

Our Baptist Hospital fills an important place in the life and work of North Carolina Baptists. It will probably serve 50,000 patients this year, touching every area of our State.

In addition to this great host of sick people, our hospital provides an educational program for more than 450 young people who are in training to become nurses, doctors, technicians, pastors and other Christian workers.

The Department of Pastoral Care provides Christian counseling and guidance for the patients, students, hospital staff and personnel, as well as hundreds of others who come to the hospital from over the State for this purpose alone.

It is not easy to estimate the value of these and other services rendered by our hospital to multiplied thousands of people of all ages in the fields of health, education, and spiritual guidance.

The cost of carrying on this program for such a multitude of people is tremendous—more than two million dollars a year. One-half million dollars of this is spent in helping care for sick people who are not able to pay for the service they need. We are grateful to God for the privilege of sharing in such a work, and we want to thank the Churches of our Association for their part in it.

The opportunities for Christian service and witness through our hospital are truly great. We need to give it a much more generous support through our Mother's Day offerings and the Co-operative Program.

Report of Homes for Aging

The North Carolina Baptist Homes for the Aging began their fifth year of operation March 16, 1955. This has been a year of encouraging progress. Both Homes—Resthaven and Albemarle—have had a continuing waiting list of applicants. As soon as a vacancy occurs there are far more applicants for admission than can be accepted.

This year will be remembered as one of notable enlargement of facilities. Construction of the Administration and Residential Building, costing $300,000, will get under way and it should be completed by this time next year. The new building will provide office facilities, dining room, kitchen, chapel, infirmary, recreational and handicraft space, and rooms for forty additional residents, thus raising the total capacity of the Homes to 95 residents.

Two-thirds of the cost of the new building is now in hand, counting the value of real estate turned over to the Homes. Personal and corporation gifts are being received which will further add to the amount on hand.

Memorial gifts may be made in the following ways: A gift of $300 will furnish a room; $1,000 will endow—furnish and maintain—a room; $3,000 will pay cost of building a room. In either case, a memorial plaque—bearing the name of the donor and the name of the person memorialized, or honored—will be placed on the door of a room.

Miss Nettie Pearl Willis gave her homeplace at Vale, N. C., as a memorial to her mother, Mrs. Laura Elliott Goode Willis. The property will be sold and proceeds be used to erect a cottage on the permanent site of our Homes. In addition, Miss Willis made her will in favor of the Homes.

Increasing support on the part of our churches and denominational program gives great encouragement. So far this year, our Special Day offering has reached almost $70,000. Since many of the churches put the Homes in the budget instead of taking a special offering, and some of the churches wait until the end of the calendar year to send their gifts, a complete report for the year cannot be made at this time. But it is likely that our goal of $100,000 for the special offering will be reached. In addition, the Homes will receive $39,850 as their share of the Nine Year Program, according to the estimated budget.

With increasing aid from denominational sources, the Homes are helping a larger number who do not have sufficient funds with which to pay the cost of care as residents. In fact, about ninety percent of all the residents are being helped by the Homes. Regardless of financial condition, an applicant is received into the Homes on the basis of need and room available.

All connected with the Homes—staff and residents—are most grateful for the prayers and support of our friends. "Hitherto hath the Lord helped." Surely all North Carolina Baptists should be grateful for the progress made thus far. Let us all rally to the challenge to render a greater ministry to the increasing number of aging friends who need the services of our Homes.

Twenty-five churches of the Stanly Association contributed to the Homes a total of $1,168.34 from January 1, 1955 to October 1, 1955.

ZEB. A. CAUDLE.

Report on State Missions

State Missions is the missionary effort on the part of North Carolina Baptists to reach the unsaved for Christ and teach, enlist and train the saved in giving, living and serving.

Our Program of State Missions includes eighteen different activities. Lots are purchased on which to build churches. Pastors' salaries are supplemented. Schools for pastors and workers are conducted. A department of Evangelism seeks to inspire pastors and churches to evangelize their communities. It ministers to the physically handicapped, to people of other races, and to those out of reach of present Baptist Churches.

With only 35% of North Carolina Baptists enlisted and 60% of the people above eight in the state lost the opportunity is unlimited.

Support State Missions, it's Christ Progress.

CLETUS CARRIKER.

Home Mission Report

Our Home Mission Program is going forward in a most satisfactory way under the leadership of Dr. Courts Redford. Every department shows evidence of steady growth.

The Five-Year Crusade came to a close the past year with many wonderful results. There was an increase of around 300 regular and student missionaries, making a total of 1,324. Professions of faith 167,247, new churches 1,440, missions started 2,974, and 131,527 added to the churches. These are only a few of the results.

A Four-Year Conquest was planned to begin in 1955, the em-

phasis being on Evangelism, Church Extension, Minority Groups, Rural and City Missions and Missionary Education.

The Board is doing a most excellent service among Foreign Groups, Indians, Jews, Migrants, Negroes and others.

Our Western and Pioneer Missions is a very challenging phase of our Home Mission Work. Other ministries include Alaska, Cuba, Panama and the Canal Zone.

The various Conventions, Associations and Churches have shown a fine spirit of cooperation, thus helping to lighten the burden.

We are grateful for past achievements but the future presents a tremendous challenge as we think of the millions of lost people in our homeland. How we need to pray, work and give that these may know! The need is so great, and the laborers so few. In the words of the Master: "The harvest truly is plenteous, but the laborers are few. Pray ye therefore the Lord of the harvest that He send forth laborers into his harvest."

Respectfully submitted,

MRS. T. S. CRUTCHFIELD.

Report on Foreign Missions

For the first time in the history of Southern Baptists, the number of foreign missionaries has reached the 1000 mark. On May 15, 1955, the number stood at 1002, including 67 appointments during 1954 and 64 during the first five months of 1955. A loss of 37 missionaries leaves an increase of 93 since January 1, 1954. During the seven years since January 1, 1948, when the Advance Program was launched, the number has increased 377.

Missionaries of the Board live in 182 centers in 35 geographical areas. Their service touches innumerable surrounding villages and towns. Statistics from the current annual report show 3,776 outstations. They also show 22,125 baptisms last year in 2,268 churches made up of 209,346 members served by 1,408 Nations and 120 Missionary Pastors. Church organizations (Sunday schools, women's and young people's groups total 9,687 with 379,246 members. There are 544 schols with 85,456 students including 23 seminaries with 979 enrolled. We have 11 hospitals and 28 clinics, which treated 226,548 patients last year. Publishing houses on mission fields turned out 9,385,929 pieces of literature, including books, magazines and pamphlets.

At the home office last October, Dr. Frank Means, formerly secretary of the Department of Education and Promotion, became secretary for Latin America to fill the vacancy created by the death in April last year of Dr. Everett Gill, Jr.

Respectfully submitted,

CLARENCE D. HINSON.

Report of the Woman's Missionary Union of Stanly Association

"All the ends of the World shall remember and turn unto the Lord."—Psalm 22:27. Two great fundamentals are the basis of Women's work in Missions. First, the absolute assurance of the ultimate triumph of the Kingdom of God on Earth.

Second, the firm conviction that God has called the Womanhood of the World to share in His triumph.

We feel that God included women in His call, "To Go and Tell". For that reason we rejoice that we can be helpers to the great organization of the Baptist of S. B. C. in sending His message to the ends of the World.

Our objective is:

To emulate the Spirit of Christ our Lord.
To promote Christian Missions.
To stimulate the Grace of giving.

This we strive to do through:

The enlistment of women and children of all ages.
Missionary Education for all through study.
Stressing the importance of Prayer, united and individual.

Our work has moved forward in all of its phases in the past year. We have grown in work and numbers. Last year we organized work in five churches with 37 new young people's organizations, making a total of 41 W. M. S. and 130 Young People's organizations. Our goal is work in all the churches in the Association, but we cannot do this without your co-operation and your prayers. This phase of the work of the Master depends on you, will you join with us in the coming year?

Respectfully submitted,
MRS. ROY E. DRYE.

Sunday School Report

The Bible teaches, "The entrance of Thy Word giveth light", and that "The Word maketh people wise unto salvation;" and therefore, the importance of the Bible teaching ministry of the Sunday school.

The Sunday Schools have proven themselves to be a great teaching, evangelistic, enlistment, and financial agency of the churches. We rejoice in the growth and service of the Sunday Schools in our association.

Your committee makes the following recommendations:

1. That we maintain a complete associational Sunday School organization with regular meetings, and that we urge all of our Sunday Schools to cooperate fully with this program.

2. That we set a goal of 20% increase in Sunday School enrollment this year, a Vacation Bible School in every church; one or more study courses for teachers and officers; the observance of Bible Study Week in January, a minimum of 10% of our churches with Standard Sunday Schools.

3. That our Sunday Schools cooperate with all the special days as promoted by our North Carolina State Convention.

4. That the Executive Committee be authorized to perfect the Associational Sunday School organization and to elect the officers for the coming year.

5. That the Executive Committee of the Sunday School Association, appoint a Nominating Committee, three or more months in advance of the annual Associational meeting, for the purpose of nominating an Associational Sunday School Superintendent to the Executive Committee for approval and election; and that the newly elected Superintendent be given authority to select and enlist the other officers to be nominated to the Executive Committee or the Sunday School Association.

Respectfully submitted,
R. C. JAMES.

Report on Ministers Retirement

The ministers retirement plan promoted by the Relief and Annuity Board of The Southern Baptist Convention, and the State Convention, is a well planned effort to provide support for ministers who are disabled or retired, and for widows of ministers.

The method of payment is so designed that no one church is heavily obligated. During his stay at a church the minister pays 4% of his base salary (not to exceed $4,000.00) the church pays 4% and the convention adds to this amount. In this manner, all the churches served share in the cost of the plan.

In the event the minister becomes disabled, he is entitled to a yearly annuity proportional to the amount he has paid on. Upon retiring, the minister will receive an annuity equal to approximately 42% of the average of his salaries at different churches (by 1956 this will be increased to 50%). If the minister should be deceased, his widow is entitled to one-half the annuity due him.

This plan is similar to any retirement plan offered by insurance companies, with one important exception. It is conducted by the Convention on an absolute non-profit basis, which makes it much more inexpensive than such plans. Each year more and more ministers are reaching retirement age. The churches, realizing that they are directly responsible for the support of these ministers, should insist that their ministers participate in this plan.

Report on Morals, Temperance, and Good Government

During the past few years a great deal of time and attention has been devoted by Southern Baptists and Christians everywhere to reforms of various kinds. Perhaps some of these efforts have not been fruitful, but, by and large, they have succeeded in accomplishing a great deal of good. At least they have succeeded in bringing to the mind of the average layman the fact that he should be concerned with his morals and those of his neighbor. We have had no revolutionary results from such attitudes, but they appear to have raised our thinking to a higher plane, and it seems logical that eventually our conduct will follow our thinking.

We cannot anticipate a glowing report of major successes in temperance for a number of years. It is evident that we can expect very little, if any, help from the Legislature in combating the use of alcohol as a beverage. Without legislative help, civil authorities have no power to act. Accordingly, we are left with the prospect of handling the problem ourselves, as a denomination, individual churches, and individual Christians. Unfortunately, we have not made a great deal of progress in this respect during the past year. It is, however, a long range program and we need not expect to accomplish miracles overnight. The problem of alcohol can be solved only by teaching and working constantly to prevent its use. Under the adverse circumstances which we now face, perhaps we can take pride in the fact that we have not lost any ground in the struggle. We must remember, however, that only by constant diligence and effort and attention will we be able to prevent the legalized sale of alcohol in our community. One period of relaxation will serve to cancel all the effort and progress we have made during the past. There must, therefore, be a concerted and sustained effort

to educate our people and our community concerning the evils of alcohol.

The Christian is under a constant and never ending obligation to be a good citizen. "Let every person be subject to the governing authorities."—Romans 13:1. This is especially true in our land and under our system of government. In our time, dictators have overturned representative governments. They have not requested. They demand and order, and if necessary shoot. If any of our freedom of religion will also be in danger. We must keep our freedom alive by actively participating in the functions of our government, by being informed on public issues, by inquiring and voting where the issues are clear, and by insisting that we be honestly and adequately represented in our government.

Respectfully submitted,

WARREN L. COBLE.

Report of Executive Committee

"The Executive Committee of the Stanly Baptist Association recommends that a Seminary Extension Committee be appointed to determine if an Extension Center could be established in the association; and if so, that the committee be empowered to select the officers for the opening of such a center and to authorize these officers to establish and continue the operation of the center as long as there is a felt need and it receives adequate enrolments." Carried.

Proposed Revision of the Constitution of the Stanly Baptist Association

THE PREAMBLE OF THE CONSTITUTION

We, the people of Stanly Baptist Association of Stanly County, North Carolina, hereby declare that the association shall have no power to infringe upon the sovereignty of the rights of the member churches. It is neither an ecclesiastical legislature nor council nor court of appeal. It may advise the churches and recommend measures for usefulness for their adoption, but cannot bind them to any way. Yet, in view of the combined wisdom, piety, and intelligence of the body, it may justly claim for itself, for its objects, and its recommendations, the very highest consideration, regarded, and cooperation. For these reasons we do hereby ordain and establish the Constitution.

9. In a most informative and inspiring message "Opportunity for Service Through Cooperation", Mr. J. E. Wilson, Moderator, reviewed our accomplishments and brought a challenge for the coming year.

10. Congregational hymn "O! Worship the King".

11. Rev. Leroy Calder gave a fine report on Stewardship and spoke on that report.

Stewardship Report

We must go beyond the Old Testament requirement of the tithe. That will lead us to full stewardship of life, talents and possessions. Yet, in the world we see the tragedy of selfish living, the peril of riches, the sadness of want and the despair of people not knowing Jesus Christ. How pathetic for God to give His Son and for Jesus to give His very life and we are so unthankful as to give so little of our time, talents or money for God's Kingdom causes.

In the Biblical Recorder June 23, 1956 Roy Easterly wrote on Five Things I've Never Seen:

1. I have never seen anyone who could not afford to tithe.
2. I've never seen anyone who suffered because he tithed.
3. I've never seen a tither who was a trouble-maker in his church.
4. I've never seen any evidence that the local church is not the proper depository for the tithe.
5. I've never seen a church that was hurt by giving through the co-operative program.

Our record in the Stanly Association:

	Members	Per Member	Tithers
1951	9802	$36.09	1159
1952	9952	39.54	1399
1953	9919	38.54	
1954	10580	40.10	1373
1955	10589	41.85	1458

Our churches gave 12½% to Missions from the total received.

This report was adopted.

12. Printed copies of report having been distributed, Arch Cree, Promotional Secretary, commended the churches for their splendid support and cooperation throughout the past year, resulting in a fine record of accomplishments. Blue Ribbon or Red Ribbon Certificates of Merit were awarded to the churches qualifying.

Report of Committee on New Churches

Mr. Moderator, two churches are asking to be received into the fellowship and labors of the Stanly Baptist Association. These are the Lake View Baptist Church and the Parker Memorial Baptist Church. We, your Committee on New Churches, have assisted both of these churches in making this approach.

The Lake View Baptist Church, having been a mission nurtured

by the West Albemarle Baptist Church, was organized as a church on September 2nd, 1956 under the direction of your committee.

The Parker Memorial Baptist Church, having been under the watch-care of the Association for two years, was, at their request, reorganized October 6th, 1956 under the guidance of the Association.

We, your Committee on New Churches, do, therefore, recommend both these churches to be received into the full fellowship of the Stanly Baptist Association.

Burris, Wingate; and Dr. Phil Elliott, Gardner-Webb. Dr. Elliott brought an excellent message, "Ye Are the Body of Christ and Members in Particular".

Report on Christian Education

In general, the Baptist program of Christian Education includes the teaching ministry of the Christian home, the local church with its varied programs, the Baptist schools and colleges and our Southwide seminaries.

Our specific considerations at this moment are for the more than 55,000 young people who were enrolled in our Baptist colleges during the past school year. Here in North Carolina our seven Baptist colleges enrolled 5,921 students. A greater enrollment has already been reached for this year. 750 of these students are enrolled as ministerial or missions volunteers. Many others are training for other Christian vocations. Hundreds of others are preparing for teaching and other professional fields, thus providing our churches and communities with men and women who will witness for Christ in these vocations.

We must also think to the future in providing enlarged facilities. Within the period of 12 to 15 years the present college population will be doubled, and our Baptist students will number approximately 40,000. We as Baptists, should make every effort to keep step with other denominations in providing a well-trained Christian leadership for the world.

Respectfully submitted,

MARSHALL E. HARGRAVE.

Report on Christian Literature

God's people must read to strengthen their faith, increase their knowledge, open their vision and inspire their minds. Christian literature must forever be dedicated to the furtherance of the Gospel and the whole work of God. Like some evil flood the swelling tide of vulgar literature has come to deceive all who will buy, read and absorb its insidious poison. To stem this ugly tide, is the solid array of well printed, sound Christian periodicals, books and other good literature to meet every age and interest.

It is impossible to overestimate the power of the printed page. Words have wings and printed words can get into many places where the spoken word cannot penetrate. Baptists ought to make more use of Christian literature. It must be read, promoted and used by our people in home and church if the whole program of Christ is carried out in Baptist unity and strength. Every Baptist family should subscribe to the Biblical Recorder, Home Missions and the Commission. Only through the reading of these and other Christian literature can we grow strong churches and a strong denomination.

Respectfully submitted,

MARSHALL E. HARGRAVE

26. Mr. Benney Mabry, high school student, reported the History of Porter Baptist Church.

Training Union Report

The Training Union, again this year has had a forward look. We have done some encouraging things for the upbuilding of the Kingdom of God. Our "M" Night was a great success with four hundred and fifty-six in the attendance. Elimination night with three hundred present. Youth night with seventy-five present.

The total Training Union awards were eight hundred and sixty-two. The West Church received the greatest number of the Awards which were one hundred and sixty-six. The grand total Training Unions with the one that was organized this year is twenty-three.

My prayers are for the success of the Training programs in our Churches. For us to give honor, and glory to the life, and the teaching of Jesus, we must carry on the work in which He has assigned to us.

33. Rev. M. W. Stallings brought the report on Evangelism with the recommendation: "The association go on record in this session requesting the churches of the Stanly Baptist Association to call off the Sunday evening service on August 4, 1957 and join with the Great Central Service under the tent."

Recommendation and report were adopted.

Report on Evangelism

The work of your evangelism chairman for the past year has been concentrated on plans for a central revival campaign in 1957. At its first meeting of the year the Associational Executive Committee passed upon a recommendation from the Stanly Baptist Pastors' Conference that the association conduct a central tent revival July 28-August 9, 1957. Acting in accord with this move, your chairman with the help of the pastors has engaged an evangelistic team, Rev. R. A. Ellis of Columbia, South Carolina as preacher, and Dr. Hines Sims of Nashville, Tenn. as director of music. Also a committee on committees was appointed who in turn have set up twelve various committees to serve in the planning and promoting of the campaign. It is hoped that every pastor and church will give loyal support in every way to make this revival count for Christ and His cause.

Respectfully submitted,

M. W. STALLINGS

34. Report on Brotherhood by Mr. Tom Kimrey dis-

closed a most successful year's record of promotion bordering the 1957 Golden Anniversary of Brotherhood.

Report was adopted.

Report on Brotherhood

This year we have experienced the most vital and fruitful period in the history of Brotherhood work in the Stanly Association. December 10th an associational kick-off meeting was held at West Albemarle with Horace Easom, State Brotherhood Secretary, speaking. January 15th a men's rally was held at Canton Church with 350 men present. In addition to Mr. Easom, Bill Jackson, State R. A. Secretary, was there to spark enthusiasm for the Enlargement Campaign. Forty-eight laymen and two pastors participated in the campaign which followed and which resulted in organizing thirteen new Brotherhoods:

Barbee's Grove	16	Oakboro First	32
Big Lick	15	Philadelphia	22
Grace	70	Pleasant Grove	39
Kinza	12	Plyler	23
Locust	18	Poplin's Grove	25
Mission	22	Red Cross	26
Lake View	15		

Think of it! Thirteen new Brotherhoods with 320 laymen enlisted to propogate the program of the church through its manpower! According to records we now have twenty-seven Brotherhoods with an enrolment of more than eight hundred. The future is indeed bright for the Brotherhood!

The year of 1957 will mark the Golden Anniversary of Brotherhood Work in the Convention. It is also the year in which we will see the completion of the transfer of Royal Ambassadors from Woman's Missionary Union to the Brotherhood. What a challenge lies ahead. Only men mobilized for the Master can meet it.

AIM FOR 1957—A Brotherhood in every Church.

Respectfully submitted,

TOM KIMREY, President

35. Report on Morals, Temperance and Good Government, brought by Mr. Craig Hopkins was adopted, after which he recognized Rev. R. M. Hauss, executive Secretary, Allied Church League and Rev. John Jordan, Pastor First Street Methodist Church, Albemarle.

Report on Morals, Temperance and Good Government

Since we last met there appears not to have been any major reforms taking place in the public morals of our people. On the other hand there appears to be nothing to indicate any major laxiness in public morals over a year ago. We must remember that changes in attitudes and morals ordinarily are not revolutionary but are slow and progressive.

The crime rate in our country continues to be great. There

appears to be no end to lawlessness and a feeding of our criminal ranks with a never ending supply of recruits. Those who may be classified as criminals continue to outnumber our students in colleges and universities by more than ten to one and our school teachers by more than seven to one. Juvenile delinquency continues to be a serious problem in some sections of the country. This is a symptom of the failure of so many parents to set forth in the home the correct standard of Christian living. Our first job in correcting this situation should be to set for them an example to follow by not only teaching Christian principles and good citizenship in our homes, but putting these principles into daily practice.

We note also that there continues to be in many instances flagrant desecration of the Lord's Day by adults and young people in many walks of life. When this day is used for manual labor, when such is not absolutely essential to the general welfare or when it is used for worldly pleasure, the day is misused and God's law is violated. Let us ever be mindful that the nation that abuses its God-given privileges, afforded on the Lord's Day, for spiritual growth and development must suffer the consequences.

As was pointed out in the report to this Association last year we cannot look forward to major successes in temperance for a number of years. There continues to be widespread sale and use of alcoholic beverages which serves to impoverish many homes and results in filling our hospitals, orphanages and prisons. To combat the sale of alcohol we need legislative help and there seems to be no reason to expect help from our next legislature. It remains a problem to be handled ourselves, as a denomination, as individual churches, and as individual Christians. It is encouraging to note that recently in our Association petitions have been circulated in practically all our churches and signed by approximately 1400 of our members calling on the legislature to permit a state-wide referendum on the question of the sale of alcoholic beverages. We must remember that the problem of alcohol is an ever present problem. We must, therefore, remain constantly vigilant and remember that any relaxing of effort will amost certainly result in loss of gains already made.

We believe that a Christian will be a good citizen of his community; that he will be interested in his government and in all public issues; and that he will seek divine guidance as he participates in the various functions of government.

Respectfully submitted,

CRAIG HOPKINS

Recommendation adopted.

45. Report of the Budget Committee was made by Mr. J. E. Wilson.

PROPOSED BUDGET FOR STANLY BAPTIST ASSOCIATION

OCTOBER 1, 1956 TO SEPTEMBER 30, 1957

Found on page 23.

Motion was made by Rev. Hoyle T. Allred that the budget be adopted with the exception of the $300.00 Minute Fund and that the minutes printed be limited to the number of copies requested by the churches and for which they provide the money and that the $300.00 provided in the budget be dropped.

Motion carried.

46. The revised constitution of the Stanly Baptist Association, having been presented to the Association on the

first day in session, was brought for discussion and disposition.

Rev. C. R. Hinton brought an opinion on the inadvisability of limiting future Fall Annual Meetings of the Association to one day and evening sessions as proposed in the new constitution, rather than two days and one evening under the present constitution. Several other opinions were expressed.

Rev. J. Boyce Brooks moved: "The new constitution be adopted with article 4 of the old constitution included and that article 4 as proposed in the new constitution be referred back to the Executive Committee for study and report made at the next Annual Meeting of the Association." Substitute motion was made by Rev. O. H. Bolch "That both the Spring and Fall meetings of the association include such business as is necessary." Substitute motion was made by Rev. Macon P. Greene "That reports be lengthened to 250 words instead of the present 150 words limit". The motion along with the substitute motions carried.

47. Dr. C. C. Burris suggested that Article 5 of the Constitution be studied by the Executive Committee and the Constitution Committee.

48. Digest of Associational Letters as read by the clerk showed gains in most every phase of our work.

49. The clerk stated that several churches had made no contribution to the Minutes Fund and estimated the cost of the new minutes at 45c per copy. Rev. F. G. Hopkins requested the names of non-contributing churches be read for information.

50. Report of the W.M.U. was brought by Mrs. R. E. Drye, Superintendent. Many interesting facts were reported showing steady progress in the work.

Report adopted.

Report of Woman's Missionary Union of Stanly Association

The Object of the Woman's Missionary Union shall be to emulate the Spirit of our Lord and Saviour Jesus Christ; to promote Christion missions and to stimulate the grace of giving among women and young people. This we shall strive to do through our Aims for Advancement of the W.M.U. in the coming year, by developing an appreciation for all people and a deep concern for those who are lost.

To achieve this Aim we shall do the following:

1. Study of Missionary Books, Missionary Periodicals, month by

month study of the needs of the world, to make us more aware of our responsibility.

2. Seek to strengthen the Spiritual life of our members through Bible study, use of the Calendar of Prayer, maintenance of family worship, and observing the Weeks of Prayer for State, Home, and Foreign Missions.

3. Seek to lead our members into Christian Witnessing through strengthening of Christian standards of personal life, in the home and in the Community, by promoting individual efforts in soul-winning.

4. We believe in sharing our possessions and to that end we strive for the enlistment of all members as faithful Stewards and Tithers.

5. We will seek to cultivate Missionary Education in the hearts of our Youth through a program of Missionary education; adequate fostering of Graded Youth organizations for all ages.

6. Our supreme aim is to bring others into a growing experience of Missionary endeavor through enlistment and full participation in a world-wide vision of our Master's Command.

Our Standard for the new year offers a greater challenge as we replace the Old Standard that became a part of our organizational plans in 1911. The purpose of the new is to bring more of His Spirit into our activities, and a better program of missionary training.

In our Association as we look on our new goals we share a feeling of gratitude and humbleness. We are grateful for the efforts of our faithful people and their accomplishments but when we look on the field and see so much we have not done, yet we could, if we would fully accept our share of the responsibility. May we remember, "The Lord requires us to be faithful. He does not require us to be successful."

"Without Divine Assistance we cannot succeed, with it we cannot fail." Through the 43 W.M.U. and the Stanly Association we shall proclaim His name in a united way until "All the Earth shall be filled with the Knowledge of the Glory of the Lord as the waters cover the sea."—Hab. 2:14.

Some of the activities in Woman's Missionary work last year in the Stanly Association are as following:

On Friday afternoon and evening our Annual Association W.M.U. was held in the West Albemarle Church where the ladies of West Church were gracious hostesses to the women in our Association. The theme of our program: "His Commission—Our Mission" was inspiring to visitors, pastors, friends as chairmen and guest brought their report and message on our Mission. Highlights of the program were the messages of Mrs. Gamble, Regional Supt.; Mrs. John Wacaster, State Representative, and Mrs. J. T. McRae bringing a message on our work in the Near East.

Two hundred forty attended with 32 churches represented.

May 15 in North Albemarle Church the G.A. Associational Rally under the direction of Miss Ruby Cathey and Miss Evelyn Howard, a splendid program was brought by the G.A. of the local churches. Mrs. Gordon Maddry brought the inspirational message. Twenty-three churches represented with 350 present.

Many of our young people and ladies attended some of our State and Divisional Camps during the summer. Our Association was also represented at W.M.U. Camp at Ridgecrest.

August.—The churches were reminded of the work of our Sunbeams, through special programs and activities planned by our Sunbeam workers. The highlight of Sunbeam Focus Week was the August Christmas trees and sending the gifts to our Indian people. The Sunbeam Rally was held on the lawn of the Oakboro First Church under the direction of Mrs. R. E. Cathey. The theme was "Across the Waters Blue" with the Sunbeams and workers bringing the program.

In August the local churches were reminded of the mission program through the work of our Sunbeam bands. The highlight of Sunbeam Focus Week was the August Christmas tree and sending their gifts to our Indian people. On Saturday afternoon on the lawn of the First Baptist Church of Oakboro the Sunbeam Rally, under the direction of Mrs. Cathey, was most impressive with the theme: "Across the Waters Blue". A boat had been placed on the lawn to make the scene more impressive and the Sunbeam Bands from various churches with Miss Beverly Neilson, State Sunbeam leader, bringing a story that made each Sunbeam feel they were on a real trip. Fifteen churches represented with an attendance of 234.

One of the new phases of our work last year was the adding of a Prayer Chairman. We now have in our last report 28 Prayer Chairmen in our 43 W.M.U.

"Every Member a Subscriber to Royal Service." We have the following churches reporting one hundred percent. Barbee's Grove, South Albemarle, and Pleasant Grove.

We have two W.M.S. A-1 organizations—West Albemarle. This is their fourth year to have attained this goal. Locust W. M. S., second year.

A-1 Young People— R. A.: Locust and Prospect; Sunbeam: West

Albemarle, New London, Bethel; G. A.: Kendall's, Albemarle First, Prospect, Locust.

Work was organized in two new Churches last year: Cottonville with Mrs. Estel Smith as President, and Lake View with Mrs. Bob Turner Tennery as President. Twenty-three new Young People's organizations.

State Mission Offering for September: W.M.U., $1,404.96.

This report has been made possible through the efforts, prayers, and planning on the part of many. Our people have been faithful in their places of responsibility and we feel that the missionary vision is continuing to grow in the lives of our people. We appreciate the co-operation of the Associational Office in his working with us in this great task. As a group of united women, in a cause so great as this, we sometimes feel the task is too great for us; then we remember that no task is too great for the Master to do through us if we are willing to be faithful Stewards.

Respectfully submitted,

MRS. ROY DRYE.

51. Mr. R. L. Holbrook brought an unusually interesting report on Minister's Retirement.

Report adopted.

Ministers' Retirement

The Relief and Annuity Board of the Southern Baptist Convention was organized in July 1918 with a $100,000.00 grant from the Sunday School Board and has sought continually to enlarge its service to Southern Baptist pastors and layworkers.

In North Carolina, after 38 years of operation there are 787 participants in the Minister's Retirement Plan. 232 of these are carrying the Widow's Supplimental Annuity Plan. Beginning with the first of January 1956, a new plan, the Southern Baptist Protection Plan is being offered. It is more flexible and includes the widow's benefits, therefore it is thought to be better and of more service to the individual. During the first 7 months of 1956 there were 132 pastors and layworkers of North Carolina enrolled in this new plan. It will be to the advantage of our younger pastors who are in the Minister's Retirement Plan to transfer to the Southern Baptist Protection Plan, and until January 1, 1957 full credit for Minister's Retirement Plan dues can be transferred without deduction. Let it again and again be stressed that the Southern Baptist Protection Plan includes widow benefits should a member die before 65 years of age.

With the co-operation of the churches and the State Convention all pastors and layworkers now have the opportunity to provide for their families in case of death and for retirement income in the sunset years. Dues are payable in the Southern Baptist Protection Plan by the member at the rate of 5% of the "salary base" up to a maximum salary of $4,000.00. This is matched by a 5% contribution from the church and 5% by the Convention.

At the present time we have 80 age annuitants. There are 4 ministers receiving disability benefits and 36 widows receiving benefits, all under the Minister's Retirement Plan, into which they have paid and are receiving benefits in proportion to their dues and the matching contributions by the church and the Convention. The monthly benefits in North Carolina amount to $4,869.66 or a total of nearly $60,000.00 per year.

Another phase of the work of the Relief and Annuity Board is "direct relief" in grants to retired ministers and/or their widows who have not had the opportunity of participation in any form of Annuity Program. This comes from the Relief and Annuity Board Cooperative Program receipts, therefore it is to be expected that the individual amount is necessarily small and that the recipient has paid no dues whatsoever. This is purely and simply aid in the name of a compassionate Savior to those who by reason of age or disability have been unable to provide for the years of retirement.

Respectfully submitted,

R. L. HOLBROOK.

52. Report on Sunday School work by Rev. R. C. James, disclosed 47 churches (including 2 new ones) in the association, with a sizable increase in enrollment. The highlights of the report showed a very progressive program.

Report adopted.

Report of Sunday School

The Sunday Schools have proven themselves to be a great teaching, evangelistic, enlistment and financial agency of the churches. We rejoice in the growth and service of the Sunday Schools in our association. This year our Stanly Baptist Association reports 47 Sunday Schools; 11,979 Sunday School enrolment; an increase of 469, 5% over last year; one standard Sunday School; 558 baptisms; 544 training awards; 48 Vacation Bible Schools; and an active associational Sunday School organization.

The State Sunday School Department reports a total of 3215 Sunday Schools. The Sunday School enrolment at the close of 1955 was 724,463. The Sunday School Department reported 2700 Vacation Bible Schools in 1955, and 32,500 training awards were earned last year.

State goals which have been set up for the new year are as follows:

Enrolment gain	40,000
Standard Sunday Schools	66
New Schools	75
Churches Reporting Training	1,300
No Training Awards	40,000
Vacation Bible Schools	2,900
Moving up from Class to Dept. School	125
Standard Associations	10

53. Rev. S. J. Lesley brought the History of Plyler Baptist Church.

Brief History of Plyler Baptist Church

Philmore Whitley, Sandy Morris, Edmond Thompson, Loney Morton, Brack Poplin and Martin Hahn decided to start a Sunday School at the Hatley School House at 2:00 o'clock on Sunday afternoon; the day and month is not recorded. The year was 1907.

On October the third, 1908, a meeting was called for the purpose of organization of a Church. The presbytery was composed of Revs. D. S. Morton, C. J. Black, and E. M. Brooks meeting at the Hatley School House, located about 1½ miles East of Plyler. The Church was known as Antioch Missionary Baptist Church but with the offer of some land on which to build a building in which to worship they decided to accept the land and move to the present location (known as Plyler), and the name was changed to Plyler Baptist Church. Canton Baptist Church was the mother Church. However a few members came from the Kendall's and West Albemarle Baptist Churches. The land was given by Mr. Luther Lowder.

The Church met in its first business meeting on Saturday before the third Sunday in October, 1908, and a building committee elected. The Church had its problems as any Baptist has. There was desention as to the location of the Pulpit, one Deacon resigned. The Church did not accept his resignation and the present Pulpit is located at the proper place in the building. Another significant fact in each conference was that the HEALTH of the Church was called for and reported on.

The first building was destroyed by a wind storm (twister) in 1931 and was rebuilt during the same year. The present building has been added to several times.

A brick veneer, 7-room parsonage was completed in the year 1954.

The present membership is composed of 276 members, both active and inactive.

60. Reports of Benevolent Institutions:

Report of Orphanages

During the year of 1955 a total of 824 applications for the care of needy children passed over the desk of the General Superintendent. A decision had to be made on each case. We were able to admit to some phase of our program 137 of these children. To the other 687 we had to say no. Of course, many of these were accepted for some sort of care by relatives or other agencies.

In 1955 there were 58% more applications sent to us than in 1950. Thus the need, based on the number of applications, grows greater each year. Last year we cared for a total of 736 children, or 23 more than the year before. The increase was in foster home care and was made possible by an increase in the Thanksgiving Offering.

PLAN OF SUPPORT

Last year for the first time the Orphanage received part of its support through the Cooperative Program. About ten per cent of the total income was given through this channel. Most of the Churches continue to place the Orphanage in their budgets or else take the Once-A-Month offering through their Sunday Schools. Each Church, of course, makes its own decision about this matter. Let us always bear in mind the fact that the income for the Orphanage from Church budgets, Once-A-Month offerings, and the Cooperative Program is fixed and will be the same amount each year. Therefore, the only way for the Orphanage to get more money to meet the ever-increasing needs for child care is through a greater Thanksgiving Offering.

In North Carolina there are more Baptists than ever before; the income of our people is at an all-time high; they have given more money to our total Baptist program than ever before. Surely this year they will make a greater Thanksgiving Offering to help the homeless child if our Church leaders will give them a chance.

BUILDING PROGRAM

During the past year a new Church building and a new parsonage have been completed at Kennedy Home. These are buildings of which every Baptist can be proud. A contract will be let sometime this fall for a new Boys' Cottage and a Swimming Pool at Kennedy Home. Bear in mind that all of these buildings are erected with special gifts or bequests.

CHARITY AND CHILDREN

We believe your Orphanage publication, Charity and Children, is now making a greater contribution to our Baptist program than ever before in its glorious history. With the tremendous amount of "trash" reaching our people through the printed page, it is impossible for us to get too much good literature in their hands. Today more than 51,000 copies of Charity and Children are mailed out each week. These are filled with information about some phase of our Baptist Program.

"We are all blind unless we see
That in the human plan
Nothing is worth the making
If it does not make a man.
"Why build the nation glorious
If the child unbuilded goes?
In vain we build the city
Unless the child also grows."

Respectfully submitted,

R. D. RIGGINS.

Report adopted.

Mr. Smith, representing the Kennedy Home brought a brief message on our Baptist Orphanages.

Baptist Hospital Report

More than 115,000 days of bed-patient care were rendered to almoset 15,000 sick people, and more than 100,000 visits were made to the clinics and offices of the medical staff.

Following the completion of the new south wing and the moving of a number of departments into new quarters, much of the original building which was constructed in 1923 had to be renovated. Most of this work has been completed, as is evidenced by the new waiting rooms for visitors and many other changes. Our Hospital is not only larger now, but it has the best facilities and staff to serve our people that it has ever had.

The new X-ray department is one example of improvement. Just recently, three new type X-ray machines have been installed at a cost of over $30,000. A small concrete building is now under construction to house a cobalt machine, which is much more safe and much more effective in the treatment of certain types of cancer than any X-ray machines now being used. The cost of this will be $75,000. No other hospital in North Carolina has equipment equal to these new machines. We now have the best X-ray department in the South. The doctor who heads the department is one of the outstanding radiologists in America.

Most other departments have been improved and new departments added. Regular services are being held in the beautiful new Chapel which was opened in June. We now have a fine specialist for testing and advising those who have defective hearing. A highly skilled plastic surgeon is joining our staff this fall. Our Baptist Hospital is trying to stay in the forefront in providing our people the best there is available in medical service.

The most urgently needed new facilities are a new nurses' home, in order that the nursing school may be enlarged, and additional parking facilities. Anyone who has visited the Hospital recently is probably aware of the serious parking problem, and the nursing school need is equally acute.

Costs in all hospitals have increased steadily and every indication is that they will continue to increase. Such medical service as is provided by our Baptist Hospital cannot be made available without great cost. All who can possibly do so should carry hospital insurance with a reliable company. Those of us who can pay for our medical care must do so. Then we need to give generously through our Mother's Day Offering to help care for those who cannot care for themselves.

Respectfully submitted,

R. D. BYRD.

Report adopted.

3. Report on the Baptist Homes.

Report on the Baptist Home

Our Baptist Homes are six years old, and they continue to grow.

A new Administration and Dormitory building is now nearing completion in Winston-Salem. This building will provide needed office space plus room for 44 additional people.

Our present facilities, Resthaven and our Albemarle home are filled to capacity, caring for 56 persons. But with the new space now being provided, North Carolina Baptists' will be able to care for 100 of their aging friends.

Superintendent Haynes has expressed the hope that the new building may be ready for occupany by February 1, 1957. It is also his belief that if North Carolina Baptists will respond with a good offering next February, the indebtedness of the new building can be liquidated by that offering.

The offering this year amounted to $88,400.03 up until the middle of September. Stanly Association had 31 churches giving $1,289.38. An increase of $121.04 over last year.

Respectfully submitted,

MACON P. GREENE.

Report adopted.

Rev. Macon Greene recognized Rev. J. M. Hayes, Superintendent of Baptist Homes, who spoke briefly, then called on Mrs. Bonsteel, resident of the Baptist Home in Albemarle, who spoke on "What the Albemarle Home Means to Me". Dr. Richard K. Young, Baptist Hospital, Winston-Salem, scheduled to speak on "Our Benevolent Institutions", was involved in an automobile accident after reaching Albemarle, though not personally injured, did not feel it wise to appear on program.

61. Missions at Home and Abroad:

State Mission Report

State Missions might well have for its slogan, "North Carolina for Christ".

Our great State Missions Program is our missionary effort of North Carolina Baptists to reach every unsaved person for Christ, to teach, enlist, and to train, those who are saved in giving, living, and serving.

Even though we have over 800,000 Baptist Church members we find more than half of these are not dedicated to their Christian profession, surely, a challenge to our churches ought to be to enlist all of these in service to Christ and His Church.

Four of the most significant phases of our State Missions work are promoted through the Sunday School, Training Union, Rural Church and Music Departments.

Over 2000 Vacation Bible Schools have been reported thus far for 1956 with total gifts of over $42,000 to World Missions. Many of our people attended Training Union Weeks as Caswell, Fruitland, and Ridgecrest. Many of our Rural Churches have been enlisted in our

Baptist Program of Stewardship. Many quarter and half-time churches have been led to fulltime service. Over 1200 leaders in the field of Music and Sunday School attended our assemblies this summer.

State Missions provide a department of Evangelism that seeks to reach the 60% of the people in North Carolina that are lost. Since the organization of this department we have averaged over 8,000 a year more baptisms. North Carolina last year baptized more people than any other State except Texas.

State Missions provide a significant ministry through aid of some church buildings and the purchase of strategic sites for new churches and supplements many missionary pastors' salaries.

This over-all support on the part of North Carolina Baptists helps us to take the gospel of Christ to every part of our great State, build stronger programs, stronger churches, and develop a permanent program for Christ.

Other activities just as worthy and important as these mentioned above and carried on by our challenging State Missions Program are:

Schools for pastors, work with our colored brethren, The Allied Church League, Work With Silent People, Summer Student Work, and Student Aid, Ministry Through Service Institutions, Department of Church Planning, Brotherhood and Royal Ambassador Work, and our Baptist Student Program.

As we look at all these meanful activities of our Great State Missions Program, we must feel the challenge afresh and anew of this program of our Lord and say with our best response "We Must Have North Carolina For Christ".

Respectfully submitted,

J. LLOYD MAUNEY.

Report adopted.

Home Missions In 1956

The 1956 Report of the Home Mission Board indicated that 1955 was a year of "unprecedented growth and achievement". Special emphasis was placed on evangelism. The Convention-wide crusade, led by C. E. Matthews and other members of the Home Mission Board's evangelistic staff, in cooperation with all other agencies and state leadership, netted the greatest results in baptisms in the history of the Convention. The Board's income for the year was $3,134,340.86.

Church loans were made to 237 churches and surveys made with approval for loans to be consummated later. At the end of the year 604 loans in the sum of $5,826,970.03 were outstanding.

Statistics for 1955 indicated at the close of the year 1,493 missionaries (including 388 summer student missionaries), a gain of 151 in personnel; 37,475 professions of faith; 105,426 sermons and addresses by missionaries; 4,423 dedications for special service; 725 new missions started; 410 new churches constituted; and 430 Southern Baptist chaplains in service. There were 15,249 conversions reported by chaplains, not listed in missionary statistics.

ADVANCEMENT IN 1956

During 1956 changes in personnel included the selection of Leonard Sanderson as secretary of the Department of Evangelism; Leland H. Waters as executive assistant; J. T. Gillespie to direct the Rural Church Program; M. Wendell Belew in City Missions, the downtown church, and the church-centered mission program; and

William B. Mitchell succeeded Frank H. Halbeck in the Department of Jewish Evangelism.

Major emphasis in the "4-Year Conquest for Christ" for 1956 is on church extension, with a goal of 2,666 new churches. Surveys reveal that there is specific need for 10,000 new churches now. New churches and new meetinghouses in which to worship mean more workers, more converts, and more money for the promotion of world missions. The Board is girding its forces in preparation for the Convention's emphasis in 1957 on World Mission Year.

MRS. BARRETT CROOK.

Foreign Missions

"What happens to missions around the world depends directly upon what happens to missions in the local church, Elmer S. West, Jr., secretary for Missionary Personnel, told the Foreign Mission Board at its April meeting. "When concern for missions is cultivated, information is shared, prayers are offered up to God. Lives will be dedicated, money laid on the altar and, as a direct result, in some far-away place the gospel will be heard and another life will find Christ. Missions is every Christian's business.

Mr. West estimated that it will take 125 missionary appointments each year for eight more years to reach the Advance Program goal of 1,750 missionaries. With 52 missionaries appointed the first five months, he expects to reach the goal of 125 in 1956. Appointments for 1955 totaled 104. The Board has 1,058 active missionaries as of June 1, 1956. They serve in 200 centers in 35 geographical areas.

Of 500 new missionaries requested by the Missions in various areas, missionary preachers top the list. The Missions request 26 nurses, and there are also requests for doctors and technicians. The need for missionary teachers is continually growing.

The total income of the Foreign Mission Board during 1955 was $11,287,775.72. Of that, $5,311,630.83 care from the Cooperative Program. Receipts from the Lottie Moon Offering, May 1, 1955 to May 1, 1956, totaled $4,628,691.03.
